Yijin Wang

Révélation !: 1001 réponses bibliques à des questions théologiques Dave Armstrong, 2017-04-21 Traduit par Benoit Meyrieux. Mon objectif est de permettre une recherche rapide de reponses bibliques a des questions theologiques de perpetuelle importance. Je presuppose l'inspiration et l'infaillibilite de la Bible, et ce livre est destine aux chretiens qui acceptent ces notions. Ce volume fournit des passages de la Bible (generalement un verset, parfois plusieurs) qui sont (a mon avis) les meilleures reponses a un grand nombre de questions simples. Le format rappelle celui du fameux jeu televise Jeopardy, dans lequel les participants recoivent un element de reponse et information et doivent trouver la question correspondante. En redigeant ce livre, j'ai considere des passages bibliques et ai elabore des questions auxquels les passages repondaient. Le livre est constitue de 18 grandes categories et de 200 sous-categories numerotees. Les merveilleux tresors de la Bible nous attendent: la revelation inspiree par l'Esprit de Dieu.

Le dimanche des ouvriers, ou, Réponses de quelques ouvriers à la question posée par la Société française pour l'observation du dimanche Alexandre Lombard, 1888

From Theodulf to Rashi and Beyond: Texts, Techniques, and Transfer in Western European Exegesis (800 - 1100), 2022-08-08 This book offers a new and inclusive approach to Western exegesis up to 1100. For too long, modern scholars have examined Jewish and Christian exegesis apart from each other. This is not surprising, given how religious, social, and linguistic borders separated Jews and Christians. But they worked to a great extent on the same texts. Christians were keenly aware that they relied on translation. The contributions to this volume reveal how both sides worked on parallel tracks, posing similar questions and employing more or less the same techniques, and in some rare instances, interdependently.

The Reception and Interpretation of the Bible in Late Antiquity Lorenzo DiTommaso, Lucian Turcescu, 2008 The volume is a Festschrift offered to Charles Kannengiesser on the occasion of his 80th birthday and honours him for his numerous scholarly accomplishments. Its twenty-five contributions discuss some of the major issues pertaining to the reception and interpretation of the Bible in late antique Christianity and Judaism. They focus on the ways in which communities and individuals understood the Bible and interpreted its traditions to address their historical, social, and theological

requirements. Since the Bible was by far the most important book during these centuries, a discussion of its influence in such contexts will illuminate significant aspects of the formation of western civilisation.

Christian Gaza in Late Antiquity ,2004-07-01 This valuable collection of thirteen studies provides an overview of recent research on central issues concerning the history of late antique Gaza. Several essays address various aspects of the continuity of pagan culture in Christian Gaza, festivals, spectacles, and the classical legacy of the fifth and sixth centuries, thus highlighting the public life of the city as a unique synthesis of the new and old worlds. Several articles deal with central topics pertaining to the monastic life developed in the region of Gaza and its vicinity between the fourth and seventh centuries. More specifically, they explore the rich Correspondence of Barsanuphius and John, the spiritual leaders of this monastic community. Two papers furnish an archeological survey of the monasteries of Gaza, and a discussion on the geographical and administrative aspects of its territory. Certain articles focus on the anti-Chalcedonian resistance of this monastic center in the wake of the council of Chalcedon, while others tackle the change of its stance in the time of Emperor Justin (518-527). In sum, this book covers a relatively neglected chapter in the complex and fascinating Christian history of the Holy Land. Contributors include: Nicole Belayche, Zeev Weiss, Leah di Segni, Yizhar Hirschfeld, Jan-Eric Steppa, Brouria Bitton-Ashkelony, Lorenzo Perrone, François Neyt, Lucien Regnault, Daniël Hombergen, O.C.S.O., Aryeh Kofsky, Yakov Ashkenazi, and Rina Talgam.

Conceptions of "Gospel" and Legitimacy in Early Christianity James A. Kelhoffer,2014-05-14 Whether he is asking about the role of New Testament exegesis among other academic disciplines, the suppression of anger in Pauline writings, or at what point came to designate a written Gospel, James A. Kelhoffer's patient and careful exegesis provides an intriguing lens through which to view early Christianity. Many struggles of early Christ believers, he finds, reflect intra-ecclesial struggles to establish the legitimacy of a view or a religious leader vis-a-vis competing ideologies or leaders. Those already familiar with Kelhoffer's *Miracle and Mission* (2000), *The Diet of John the Baptist* (2005) and *Persecution, Persuasion and Power* (2010) will find in this volume refreshing insights suggested but not developed in his other books.
