

Cleopatra's Natural Teeth Whitening Powder

Walter Hutchinson, Edith M. Horsley

Natural Beauty Elizabeth TenHouten, 2013-07-16 Combining a wealth of tips and 75 recipes for all-natural beauty aids, using nothing but pure ingredients direct from Mother Nature, with a philosophical approach to beauty as the foremost purpose of human existence, *Natural Beauty* inspires readers to pursue a natural, healthful approach to caring for their mind, body and soul. For Elizabeth TenHouten, the pursuit of beauty is cyclical: We exist in a parallel state of reaching for beauty. So, this dialectical tension of reaching for and returning to beauty is the cyclical state of beauty. In her new book, *Natural Beauty*, TenHouten lays out a philosophy of beauty that encompasses physical, mental and spiritual well-being, an integrated approach that addresses the whole person. *Natural Beauty* includes a wide variety of all-natural beauty tips and tricks drawing on everyday ingredients with amazing healthful properties.
