**The Spiritual Truth Series** Lucian Phoenix-Wolf,2004-10 Have you ever had anything weird or unusual happen to you? You are not alone. Most people use religion to explain anything supernatural that may have happened to them. The author did this, and he soon found out how wrong he was. Finding the truth is a very freeing experience. This book is about opening your mind and finding out the power you have in your beliefs. I bet you would be surprised at what you could do if you just change how you think. That's right--you control what you believe. When you uncover the power that you have in your beliefs, you could do almost anything. All you have to do is accept the fact that truth is stranger than fiction.--Publisher description

The Middle of the Earth Allen Austin,2011-02 Everyone in the world is familiar with the Great Pyramid in Egypt, but only a few realize it was ordained by the hand of God. The prophet Isaiah tells us it's an altar and a witness for the one true God. Josephus, the Jewish historian, says it was built by the children of Seth before the great flood. Egyptian legend calls it the Pillar of Enoch after the Patriarch who walked with God. Early Jewish writings, Egyptian hieroglyphs, and ancient historians provide clues to the secrets within the Great Pyramid. But first you must ask yourself, what is Truth? Are you willing to set aside your preconceptions to understand the Truth? The Middle of the Earth: Genesis in Egypt reveals astonishing truths that can transform our world and beckon all who read it to the call of Christ. Western civilization has pushed God out of the picture and filled us with false ideas. Author Allen Austin urges you to reject the false absurdities and embrace our true history. It lies in the middle of the earth.

**Through the Test of Time** D. Angel,2017-01-11 Author D. Angel was twenty-eight years old the first time he got out of prison. Most of his life revolved around drugs, violence, degrading women, and being a sometime-father. He was angry at the world and didn't care. But he found the strength, determination, and a strong commitment to change. In Through the Test of Time, Angel shares the story of his journey and his present desire to help others change their ways and stay out of prison. Through personal examples and stories of determination, hard work, and support, he tells how it's never too late to change things in one's life. He offers advice on how current and former inmates can get their life back and improve their quality of life. Offering a look at ego, hatred, women, fatherhood, addiction, parole, and employment, Angel discusses the importance of making the right choices for a better life for the sake of one's family...

**Condor's Eye** Ronnie Sarkin, 2015-10-30 Gentle Wind is different. Growing up in a North America Indian community around 500 BC, all boys of his age want to train as warriors, while he is obsessed with exploring nature, hunting, and exploiting his unusual talents. When the clans shaman discovers these curious skills, he decides to train the boy as his successor. Gentle Wind, renamed Condors Eye, begins an action-packed journey pushing him to his limits. Enduring rigorous training, many challenges, unusual experiences, philosophical debates about life, and a deep love affair, he tenaciously hones his skills to become a great man of his time. Interwoven with his story is the gripping tale of Anouar, whose beautiful Greek mother arrives in Egypt under difficult circumstances. Anouar dreams of becoming a high priestess in the Mystic Temples along the Nile, but her powerful intellect and unique talents soon draw her into the fickle world of Egyptian politics. She becomes Cleopatras close advisor and confidant, only to be drawn into a passionate love affair with Marc Antony. Sarkin masterfully draws readers into these fascinating worlds, leaving readers utterly spellbound and wanting more. His unusual genre continues into ancient Ireland in his sequel, Kismet ([www.feyslamentation.com](http://www.feyslamentation.com)).
