**Come Up for Air** Nick Sonnenberg, 2023-02-07 Wall Street Journal Bestseller! The practical guide to go from “drowning in work” to freeing up an extra business day per week for everyone on your team. “There just aren’t enough hours in the day to get everything done!” Sound familiar? Forget the old concepts of time management and the hustle culture of working until you burn out. You and your entire team can get more done, in far fewer hours, with the right blueprint. *Come Up for Air* is that blueprint. Through years of building a leading efficiency consulting business, Nick Sonnenberg has discovered the primary reason why so many teams are overwhelmed. It’s not because they don’t have enough time, managers expect too much of their employees, or there aren’t enough people. The problem is that everyone is drowning in unnecessary work and inefficiencies that prevent them from focusing on the work that drives results. In *Come Up for Air*, you’ll discover the CPR® Business Efficiency Framework, a proven system for leaders, managers, and teams to maximize their performance and reduce overwhelm by using the right tools in the right way, at the right time. The end result? More output, less stress, happier employees, and the potential to gain an extra full day per week in productivity to use however you’d like. You’ll learn the proven empirical strategies from someone who not only turned his company around when it was on the verge of bankruptcy, but has also helped thousands of organizations around the world become more efficient and leverage the right systems and tools for explosive growth. *Come Up for Air* is the employee manual you never received. Turn to *Come Up for Air* to: Gain an extra full day per week in productivity for everyone on your team. Reduce stress and burnout by creating a more stable work environment. Eliminate the 58% of employee time per day spent on “work about work” instead of being productive. Improve company culture by empowering your team to spend their time on work that matters. Save an average of two hours per week just by optimizing email with the R.A.D. System. Stop wasting time on the “Scavenger Hunt” of trying to find where information is stored. Increase employee happiness, satisfaction, trust, and retention by making work easier. Stop wasting time in meetings with four proven techniques. Supplement your learning with free content and in-depth instructions.

*Take My Spouse, Please* Dani Klein Modisett, 2015-07-07 This humorous take on marriage shows you how the true keys to marital bliss and success are—surprisingly—the same as the cardinal rules of comedy. In love, as in comedy, timing is everything. One bad night doesn’t mean it’s time to quit. Have patience: great marriages, like a successful comedy career, take time. Turns out the cardinal rules of comedy have an uncanny resemblance to the “rules” of building a strong marriage.

With humor and grace, Dani Klein Modisett shares a map for navigating your marriage through rough patches, bad jokes, and even nights when you bomb. Take My Spouse, Please shows how thirteen tried-and-true rules of comedy, when applied to marriage, keep you and your spouse connected, enjoying each other, and getting through tough times. Along with anecdotes from well-known comedians, comedy writers, marriage counselors, and long-term spouses, Dani delivers the core premise: humor matters.

*God, Is This My Man?* Hilda A. Stephens, 2012-09-07 Sheena Renee Jackson the high profile attorney is on an unbelievable journey. The move to Washington DC to open a new law firm is a simple task compared to the seven men Sheena meets along the way. It's no doubt one case Sheena is having trouble winning. It is a matter of the heart and Sheena finds herself against the odds as she tries to find true love. Sheena is in a state of confusion and things change for the worst. Will Sheena find true love or will true love find Sheena? It all depends on the support from her four friends and the lessons learned along the way.

*You'll Never Believe What Happened to Lacey* Amber Ruffin, Lacey Lamar, 2021-01-12 \*A NEW YORK TIMES BESTSELLER AND INDIE NEXT PICK\* Writer and performer on Late Night with Seth Meyers Amber Ruffin writes with her sister Lacey Lamar with humor and heart to share absurd anecdotes about everyday experiences of racism. Now a writer and performer on Late Night with Seth Meyers and host of The Amber Ruffin Show, Amber Ruffin lives in New York, where she is no one's First Black Friend and everyone is, as she puts it, stark raving normal. But Amber's sister Lacey? She's still living in their home state of Nebraska, and trust us, you'll never believe what happened to Lacey. From racist donut shops to strangers putting their whole hand in her hair, from being mistaken for a prostitute to being mistaken for Harriet Tubman, Lacey is a lightning rod for hilariously ridiculous yet all-too-real anecdotes. She's the perfect mix of polite, beautiful, petite, and Black that apparently makes people think I can say whatever I want to this woman. And now, Amber and Lacey share these entertainingly horrifying stories through their laugh-out-loud sisterly banter. Painfully relatable or shockingly eye-

opening (depending on how often you have personally been followed by security at department stores), this book tackles modern-day racism with the perfect balance of levity and gravity.
