Molly E. Lee

Frenemies with Benefits Lydia Sharp, 2023-08-29 A playful and sexy contemporary rom-com perfect for fans of *The Kissing Booth* and *Tweet Cute* If there was an award for Least Able To Function Around Cute Boys, Jess Webster would clean up. She can barely talk to a guy, let alone engage in naked things. But now that high school is over, Jess resolves to put her big-girl pants on and at last bang—sorry, bag—the longtime object of her desire, Andrew. All she needs is someone to practice on first. Enter Benjamin Oliver. Jock hot, nerd hot (which is just greedy, really), star quarterback, and all-around pain in Jess's ass. While Jess would rather nap on a nest of fire ants than be his girlfriend, there's still something about him that sends a jolt through her stomach, making him her best (and only) candidate for her guy game glow-up. With summer in full swing and not one but two cute boys on the horizon, Jess is pretty sure she's on the winning side of the bargain. But can her deal with Benjamin stay purely business-with-pleasure? And, the question that Jess soon can't ignore: does she want it to?

Love in the Friend Zone Molly E. Lee, 2017-08-14 Braylen didn't even want to go to the epic graduation-night party, but when her BFF Fynn begs her to be his "wingwoman," she can't deny him. Talking him up—how he's magic behind a camera, his killer sense of humor, and how his eyelashes frame the most gorgeous blue eyes in the history of forever—is easy. Supporting his efforts to woo someone so completely wrong for him? Not so much. Bray's been Fynn's best friend since kindergarten, and he'd rather have her in his life as a friend than not at all. Grad night is his last shot before leaving for college to find true love. But over the course of the coolest party of their high school careers, Fynn starts to see that perhaps what he really wants has been in front of him all along. Disclaimer: This *Entangled Teen Crush* book contains one epic party, complete with plenty of high-schoolers-gone-bad shenanigans, and two best friends whose sexual chemistry is off the charts...if only they'd succumb to it. Each book in the *Grad Night* series is STANDALONE: * *Love in the Friend Zone* * *Love Between Enemies* * *Love Beyond Opposites*

Breaking the Ice Julie Cross, 2017-12-26 Haley Stevenson seems like she's got it all together: cheer captain, Princess of Juniper Falls, and voted Most Likely to Get Things Done. But below the surface, she's struggling with a less-than-stellar GPA and still reeling from the loss of her first love. Repeating her Civics class during summer school is her chance to Get Things Done, not angst over boys. In fact, she's sworn them off completely until college. Fletcher Scott is happy to keep a low profile around Juniper Falls. He's always been the invisible guy, warming the bench on the hockey team and moonlighting at a job

that would make his grandma blush. Suddenly, though, he's finding he wants more: more time on the ice, and more time with his infuriatingly perfect summer-school study partner. But leave it to a girl who requires perfection to shake up a boy who's ready to break all the rules. Each book in the Juniper Falls series is STANDALONE: * Off the Ice * Breaking the Ice

Saving It Monica Murphy, 2017-11-06 Eden: Josh Evans and I have been best friends forever. He knows all my secrets, and I know all of his. So when he randomly asks me to help him lose his virginity, I sort of flip out. That's a question that sends your mind to places you've seriously never considered before. Like, you know. Having sex. With your best friend. Except Josh doesn't want to have sex with me—he wants me to help him find a girl. A nice girl, who's funny and smart and cute. Except he already knows a girl just like that... Josh: Eden Sumner is my best friend. So of course she'd be the person to help me find my perfect match, so I can drop my V-card before I head off to college. Except the more we search, the more I realize that maybe the right girl has been by my side all along. I don't need Eden's help in finding me a girl to love. I'm pretty sure I'm already in love with Eden. But now she thinks I'm only after one thing...with anyone but her. Disclaimer: This Entangled Teen Crush book is what happens when American Pie meets Friends with Benefits. It contains two best friends, plenty of angst, and lots and lots of sex talk. Reading this might have you looking at your best friend in a different light!

The Love Song of Ivy K. Harlowe Hannah Moskowitz, 2021-06-01 Ivy K. Harlowe is a lot of things. She's my best friend. She's the center of attention. She is, without fail, the hottest girl in the room. Anytime. Anyplace. She has freckles and dimples and bright green eyes, and with someone else's energy she'd be adorable. But there is nothing cute about Ivy. She is ice and hot metal and electricity. She is the girl who every lesbian wants, but she has never been with the same person twice. She's one-of-a-kind but also predictable, so I will always be "best friend Andie," never "girlfriend Andie." Then she meets Dot, and Ivy does something even I would have never guessed—she sees Dot another day. And another. And another. Now my world is slowly going up in smoke, and no matter what I do, the flames grow higher. She lit that match without knowing who or what it would burn. Ivy K. Harlowe is a lot of things. But falling in love wasn't supposed to be one of them...unless it was with me.

Frenemies with Benefits Kelly Myers, 2020-11-02 I've spent my life running away from my past. And for so long, that's worked. Not anymore. Now my past is out to get me in the form of Zach O'Malley. He was my first crush, but that was then. My name is still Beatrice Dobbs, but everything else has changed. I'm an adult now. I don't want to go back to my troubled past. Plus Zach is from the wrong side of the tracks. Sure, back when I was in high school, I had a thing for the Bad Boy, but not anymore. And on top of that, he's trying to get me to reconnect with my mother. I haven't spoken to her since I was eighteen, and I would rather re-take the SAT's than see her again. And yet, I can't seem to push Zach away. He's no good for me. But maybe - just maybe - my teenage self was onto something. What's the harm in a little bit of fun?
