Delilah S. Dawson

Star Wars: Galaxy's Edge: A Crash of Fate Zoraida Córdova, 2019-08-06 A YA novel filled with adventure and romance set in the world of Galaxy's Edge, the Star Wars-themed land coming to Disneyland and Walt Disney World in 2019. Izzy and Jules were childhood friends, climbing the spires of Batuu, inventing silly games, and dreaming of adventures they would share one day. Then, Izzy's family left abruptly, without even a chance to say goodbye. Izzy's life became one of constant motion, traveling from one world to the next, until her parents were killed and she became a low-level smuggler to make ends meet. Jules remained on Batuu, eventually becoming a farmer like his father, but always yearning for something more. Now, thirteen years after she left, Izzy is returning to Batuu. She's been hired to deliver a mysterious parcel, and she just wants to finish the job and get gone. But upon arrival at Black Spire Outpost she runs smack into the one person who still means something to her after all this time: Jules. The attraction between them is immediate, yet despite Jules seeming to be everything she's ever needed, Izzy hesitates. How can she drag this good-hearted man into the perilous life she's chosen? Jules has been trying to figure out his future, but now all he knows for certain is that he wants to be with Izzy. How can he convince her to take a chance on someone who's never left the safety of his homeworld? When Izzy's job goes wrong, the two childhood friends find themselves on the run. And all their secrets will be revealed as they fight to stay alive...

Galaxy's Edge: Black Spire (Star Wars) Delilah S. Dawson, 2019-08-27 Walk the ancient streets, meet the colorful characters, and uncover the secret history of Star Wars: Galaxy's Edge, the new expansion to the Disney Parks experience! After devastating losses at the hands of the First Order, General Leia Organa has dispatched her agents across the galaxy in search of allies, sanctuary, and firepower—and her top spy, Vi Moradi, may have just found all three, on a secluded world at the galaxy's edge. A planet of lush forests, precarious mountains, and towering, petrified trees, Batuu is on the furthest possible frontier of the galactic map, the last settled world before the mysterious expanse of Wild Space. The rogues, smugglers, and adventurers who eke out a living on the largest settlement on the planet, Black Spire Outpost, are here to avoid prying eyes and unnecessary complications. Vi, a Resistance spy on the run from the First Order, is hardly a welcome guest. And when a shuttle full of stormtroopers lands in her wake, determined to root her out, she has no idea where to find help. To survive, Vi will have to seek out the good-hearted heroes hiding in a world that redefines scum and villainy. With the

help of a traitorous trooper and her acerbic droid, she begins to gather a colorful band of outcasts and misfits, and embarks on a mission to spark the fire of resistance on Batuu—before the First Order snuffs it out entirely.
