Ciscoe's Dance Marion Hill, 2021-11-23 Ciscoe's Dance will transport you to the fictional world of Kammbia, where a new adventure is about to begin. The latest novel from popular author Marion Hill is an escape into an alternate universe, one in which magic can indeed happen. Professional dancers Ciscoe and Latisha Maldonado have been happily married for 16 years. During that time, they have earned a good living performing at the finest nightclubs in Walter's Grove's famous Roxie & Penelope District. Performing traditional dances to the city's treasured Guanamamma music, they're the opening act for the evening, readying partygoers for an evening out on the town. All goes well until Piccanta music, the latest trend, springs onto the scene. A modern style of music with its own style of dancing, Piccanta music threatens to eclipse the old ways — and with them, the traditional Guanamamma dancers and musicians. Crowds at Ciscoe and Latisha's performances dwindle as people flock to Piccanta clubs. But certainly, Ciscoe and Latisha thought, the Festival of Josette will remain true to its roots and include Guanamamma performers among its featured acts. After all, the festival has been a Walter's Grove tradition for years. Why wouldn't the year's major festival include performances of the city's cultural treasure? The festival's organizers thought otherwise. When Ciscoe and Latisha heard that their act had been dropped from the festival lineup, their hopes were dashed. It seemed as if their world was coming to an end. Where could they perform? Will they — and their beloved Guanamamma music — become a relic of the past? And worse, will this treasured tradition be lost forever to the people of Walter's Grove? Then, intrigue enters the picture. Ciscoe will learn that his past impacts his future. A woman's scorn cuts deeper than he could have imagined. How will this affect his marriage? And will this woman's bitterness devastate his career? But then, a connection from a new group holds out promise. Will this group coalesce into a fan base that will give traditional Guanamamma dancing and music a new birth in the city of its origin? And, to Ciscoe's surprise, once-hidden family ties will reveal themselves from a connection he has known for a long time. Ciscoe's Dance celebrates the symbiotic connection between music and dance and how it created a city. As the first book of Hill's Dance & Listen series, this novel carries with it the promise of more adventures to come.

Signs of the Spirit Tony Perman,2020-06-08 In 2005, Tony Perman attended a ceremony alongside the living and the dead. His visit to a Zimbabwe farm brought him into contact with the madhlozi, outsider spirits that Ndaue people rely upon for guidance, protection, and their collective prosperity. Perman's encounters with the spirits, the mediums who bring them back, and the accompanying rituals form the heart of his ethnographic account of how the Ndaue experience ceremonial musicking. As Perman witnessed other ceremonies, he discovered that music and dancing shape the emotional lives of Ndaue individuals by inviting them to experience life's milestones or cope with its misfortunes as a group. Signs of the Spirit explores the historical, spiritual, and social roots of ceremonial action and details how that action influences the Ndaue's collective approach to their future. The result is a vivid ethnomusicological journey that delves into the immediacy of musical experience and the forces that transform ceremonial performance into emotions and community.

Your Sacred Self Wayne W. Dyer,2009-10-13 The bestselling author of Your Erroneous Zones, Pulling Your Own Strings, and Wisdom of the Ages combines psychological insights and guidelines for achieving spiritual fulfillment to present a three-step program designed to help readers look inside themselves to find a new sense of self-awareness and spiritual joy. Developing the sacred self, Wayne Dyer explains, brings an understanding of our place in the world and a sense of satisfaction in ourselves and others. In Your Sacred Self, Dyer offers a program that helps listeners establish a spiritually-oriented, rather than an ego-oriented, approach to life. Step by step, Dyer shows us how to progress from emotional awareness to psychological insight to spiritual alternatives in order to change our experience of life from the need to acquire to a sense of abundance; from a sense of one's self as sinful and inferior to a sense of one's self as divine; from a need to achieve and acquire to an awareness that detachment and letting go bring freedom. Your Sacred Self is an inspiring, hopeful,

illuminating guide that can help everyone live a happier, richer, more meaningful life.

Fields in Motion Dena Davida,2011-10-01 *Fields in Motion: Ethnography in the Worlds of Dance* examines the deeper meanings and resonances of artistic dance in contemporary culture. The book comprises four sections: methods and methodologies, autoethnography, pedagogies and creative processes, and choreographies as cultural and spiritual representations. The contributors bring an insiders insight to their accounts of the nature and function of these artistic practices, giving voice to dancers, dance teachers, creators, programmers, spectators, students, and scholars. International

and intergenerational, this collection of groundbreaking scholarly research points to a new direction for both dance studies and dance anthropology. Traditionally the exclusive domain of aesthetic philosophers, the art of dance is here reframed as cultural practice, and its significance is revealed through a chorus of voices from practitioners and insider ethnographers.
