

Modern Mrs Darcy Summer Reading Guide

L Towne

A Most Agreeable Murder Julia Seales, 2024-04-30 NATIONAL BESTSELLER • “A delightful cocktail that mixes elements of the Bridgerton series, Jane Austen’s *Pride & Prejudice* and Agatha Christie’s Miss Marple mysteries . . . The payoff is a wealth of wit, hilarity and suspense.”—People (Book of the Week) When a wealthy bachelor drops dead at a ball, a young lady takes on the decidedly improper role of detective in this action-packed debut comedy of manners and murder. This edition includes a reader’s guide and a sneak peek at Beatrice Steele’s return in *A Terribly Nasty Business!* Feisty, passionate Beatrice Steele has never fit the definition of a true lady, according to the strict code of conduct that reigns in Swampshire, her small English township: She is terrible at needlework, has absolutely no musical ability, and her artwork is so bad it frightens people. Nevertheless, she lives a perfectly agreeable life. But she harbors a dark secret: She is obsessed with true crime. If anyone in her etiquette-obsessed community found out, she’d be deemed a morbid creep and banished from respectable society forever. For her family’s sake, she’s vowed to put her obsession behind her. Eligible bachelor Edmund Croaksworth is set to attend the approaching autumnal ball, and the Steele family hopes that younger daughter Louisa will steal his heart. So Beatrice must be on her best behavior—a difficult challenge when a disgraced yet alluring detective inexplicably shows up to the ball. Beatrice is just holding things together when Croaksworth drops dead in the middle of a minuet. As a storm rages outside, the evening descends into a frenzy of panic, fear, and betrayal as it becomes clear that the guests are trapped with a killer. Contending with competitive card games, tricky tonics, and Swampshire’s infamous squelch holes, Beatrice must rise above decorum and decency to pursue justice and her own desires—before anyone else is murdered. A PUBLISHERS WEEKLY BEST BOOK OF THE YEAR

The Identicals Elin Hilderbrand, 2017-06-13 The instant New York Times bestseller is a fun, delightful, un-putdownable novel about two identical twin sisters who couldn't look more alike . . . or live more differently (PopSugar). Nantucket is only eleven miles away from Martha's Vineyard. But they may as well be worlds apart for estranged twin sisters Harper and Tabitha Frost. After not speaking for more than a decade, Harper and Tabitha switch islands-and lives-to save what's left of their splintered family. But the twins quickly discover that the secrets, lies, and gossip they thought they'd outrun can travel between islands just as easily as they can. Will Harper and Tabitha be able to bury the hatchet and end their sibling rivalry once and for all? Before the last beach picnic of the season, there will be enough old resentments, new loves, and cases of

mistaken identity to make this the most talked-about summer that Martha's Vineyard and Nantucket have experienced in ages. Parent Trap vibes with an adult twist...One of Hilderbrand's most binge-worthy confections. —Elisabeth Egan, New York Times
