**Liferider** Laird Hamilton,Julian Borra,2019-03-12 NEW YORK TIMES BESTSELLER • Surfing icon Laird Hamilton offers inspiration to anyone who wants to elevate their ordinary, landlocked lives to do extraordinary things. “When Laird Hamilton surfs, you must watch. When he speaks, I listen. And when he writes a book, I’m damn sure gonna read it. Twice.”—Eddie Vedder, Grammy Award-winning lead vocalist of Pearl Jam Millions of us increasingly seek happiness in fads and self-help books, reaching upward every day toward some enlightened state that we wish to attain. Laird Hamilton is more intent on looking inward and appreciating the brilliant creatures we already are. In *Liferider*, Laird uses five key pillars—Death &

Fear, Heart, Body, Soul, and Everything Is Connected—to illustrate his unique worldview and life practices. This is Laird Hamilton in his own words—raw, honest, and unvarnished—on topics he has rarely explored before. Based on extensive interviews and conversations between Laird and his coauthor, Julian Borra, with additional insights from Laird’s wife, pro-volleyball player Gabby Reece, *Liferider* takes on human resilience, relationships, business, technology, risk-taking, and the importance of respecting the natural world, all through the lens of Laird’s extraordinary life both in and beyond the ocean. Praise for *Liferider* “Laird is a hero, if you want him to be. That’s up to your perception. He challenges himself, and he challenges those around him. He shows us that the deeper we puncture into life, the more vibrant the colors get. The Laird Hamilton I know—real, faulty, moody, deeply loving, and communal—comes through on every page of *Liferider*.”—Josh Brolin, Award-Winning Actor “Laird Hamilton is a true individualist unafraid to carve his own path. These thoughtful mediations offer a unique window — illuminating and inspiring — into one of America’s great innovators.”—Rory Kennedy, Documentary Filmmaker

**Magnetic Service** Chip R. Bell, Bilijack R. Bell, 2006-01-08 Partnerships are fast becoming the primary structure of contemporary business, as organizations partner with vendors, unions, customers, and even competitors to take advantage of short-term market opportunities, leverage intellectual capital, and create more flexible and innovative enterprises. Even more important are our everyday partnerships—with the person in the cubicle down the aisle, the department down the hall, or the supplier across town. In this important guide, authors Chip Bell and Heather Shea tell you how to create and maintain truly great partnerships. Using examples drawn from the world of business and the world of dance to illustrate the principles and practices of great partnering, they lead you step-by-step from deciding if partnership is right for you to celebrating the end of a successful partnership. *Dance Lessons* is the first book to fully explore the interpersonal side of partnerships, which is more often than not what causes partnerships to falter or fail—or to flourish and excel. It is a wise yet practical guide to the inner workings of great partnerships, revealing exactly how the champions choreograph their partnership dances for

consistently great performances.
