Barcelona Red Metallic Christine Cosack,2024-10-15 When the death of a child in a hit-and-run shocks the quiet seaside town of Oyster Hill, police officer Luci Miller is called in to investigate. Her only clue is a fragment of car paint found at the scene—a unique shade of red that could help identify the killer. Luci’s investigation leads her to Jo Nelson, a grandmother in her seventies, who is deeply affected by the tragedy. She has watched too many parents suffer the loss of a child, having devoted decades of her life to keeping her son Oliver, born with cystic fibrosis, alive. Jo suddenly finds herself in the middle of the chaos when her family falls under suspicion. The closer Luci gets to Jo, the more she struggles to maintain objectivity. Jo is charming and charismatic—but she has secrets and knows how to keep them. As the investigation draws in around her, Jo must confront the possibility that someone she loves has done the unforgivable.

My Father is a Curlew Samantha Trayhurn,2025-05-10 My Father is a Curlew, a young adult novel by Australian author Samatha Trayhurn. It features Wallace, a young woman who is grappling with conflicting emotions over her father’s sudden death. On Russell Island, Queensland, where she has gone to settle her father’s affairs, Wallace reflects on his life as a scientist studying migratory birds, particularly curlews. She experiences moments of deep connection and loss, expressed in lyrical language. She finally comes to visualise her father as an elusive curlew, symbolising his transit from death into memory. While on the island, Wallace bonds with Oji, her father’s former partner, who helps her navigate her grief. As they renovate the house left to her, Wallace learns more about her father’s struggles and his choice to end his life. The story interweaves themes of identity, family, loss, and the search for belonging as Wallace confronts her past and attempts to reimagine her future. As Christmas approaches, tensions arise between Wallace and her mother, Jill, who pressures her to

return home to Sydney Their strained relationship highlights the family's unresolved issues from the past. Ultimately, Wallace finds solace in the reassuring presence of her father-curlew and comes to understand and accept his absence.
