Jihad: What Everyone Needs to Know Asma Afsaruddin,2022-02-03 The word jihad is ubiquitous in the global media. It generally appears in the context of violence waged against the West by militants in or from Muslim-majority societies. This usage overwhelmingly colors popular discourse about Islam and Muslims and it has resulted in a highly reductive, distorted, and ahistorical understanding of the concept of jihad. Asma Afsaruddin looks at the key questions about jihad and provides concise yet thorough answers. Jihad: What Everyone Needs to Know ® provides a historically-grounded, scholarly yet

accessible treatment of jihad that explores its various dimensions from the formative period of Islam until the contemporary period.

Gps from Above Sherrill Eugene Stepter,2016-08-31 GPS from Above is about enabling Gods powerful Spirit (GPS) through a careful study of the fruit of the Spirit found in Galatians 5:2223. God has a plan for each of us, with promises of help and guidance. This book is filled with scripture, quotes, and statements that address each fruit uniquely. We may be on a temporary earthly journey while on our eternal Spiritual journey, but GPS from Above will help us soar toward heaven anytime, anywhere. If you know my friend Eugene, you will recognize his heart and character in this work. His allegiance to Jesus is evident to everyone who knows him. And that deep loyalty is revealed in every thought, every word, and every chapter in this work. I dont know how long Eugene and I have been brothers. But I know that, for thirty years, he has been a source of encouragement, grace, and has a deeper commitment to Jesus for me. When Eugene writes that Jesus is his GPS that is more than a simple metaphor; it is the truth of his life. And it is the source of his amazing development into the man who lives beholding the glory of the Lord and being changed into his likeness (2 Corinthians 3:18 RSV). I am glad Eugene has written down his thoughts in this manuscript. And I encourage you to follow his words and his heart into the very presence of Jesus (Howard Bryan, preaching minister, Westside Church of Christ, El Paso, Texas).

Following the Prophet Salih Sayilgan,2025-11-04 Biographies of the Prophet Muhammad often focus on his historical context in seventh-century Arabia. Yet understanding the Prophet solely through the lens of ancient history fails to capture the significance and meaning of this individual, whose teachings have shaped the world and continue to guide nearly one-quarter of the global population today. With this book, Salih Sayilgan provides a loving portrait of the Prophet as he has lived in the hearts of Muslims across the centuries: as a religious light and spiritual guide. Drawing on a diverse body of Islamic literature on the Prophet, Sayilgan offers a vista onto the expansive and variegated legacy of this vitally significant religious figure. Examining how Muslims have remembered and reimagined the Prophet's spirit in different ways as expressions of

their love for God and His messenger, this book highlights the central place of the Prophet Muhammad in the religious lives of Muslim believers.

Shattered Syed Abbas Rizvi, S. Khasim T. Rizvi, 2008-09 The Middle East has become a flash point for extremism and intrareligious violence, as well as a cultural debacle of women's rights. From the current derelict state of women's rights in the Arab world to the current sectarian divide in Iraq and the ongoing hatred between Shia and Sunni Muslims, this book demonstrates the genesis of the collapse of the original Islam of Mohammad and the core of the split of these two sects of Islam while also looking deep within one of the most powerful struggles for women's rights the struggle led by Fatima, the daughter of Mohammad, that took place in the early days of the religion Shattered explores what took place during and after these events. It presents a unique history of the Muslim world, touching on the ramifications of Fatima's stand for Women's rights and the seeds of dissension planted at the death of Mohammad, while touching on all of the crucial events from past to present that have turned horribly violent as a result of simple misinterpretations of the Quran and traditions by extremist groups, such as those responsible for the horrible terrorist actions that took place on 9/11. This book will provide an in-depth analysis of some crucial movements within Islam that have nurtured the hate drawn from hundreds of years of history as well as provide forward-looking analysis on the concepts of freedom in Islam, human rights, women's rights, and modernist views, as well as reformist views and their place in Islam.

Men Who Carried Islam Forward Sufiyan Mohammad, 2025-09-06 They weren't just heroes, they were history-makers.' In Men Who Carried Forward Islam, Sufiyan Mohammad brings alive the true stories of the heroes who shaped Islamic history. These were warriors, scholars, and leaders whose bravery and wisdom continue to inspire generations. At a time when young minds look up to fictional icons like Superman and Batman, this book offers something far more real: true legends who didn't just win battles, they lived with purpose, stood for justice, and changed the world with faith, resilience, and character. Through powerful storytelling, this book invites today's youth to discover authentic role models and draw deep life lessons, values, and motivation from the lives of those who carried the light of Islam forward.
