From Reopen to Reinvent Michael B. Horn,2022-06-10 A practical blueprint to rebuilding an education system that is no longer working for its students In From Reopen to Reinvent, distinguished education strategist Michael B. Horn delivers a provocative and eye-opening call to action for the overthrow of an education system that is not working well for any of its students. Grounded in what educators should build in its place to address the challenges that stem from widespread unmet learning needs, the book walks readers through the design of a better path forward. Using time-tested leadership and innovation frameworks like Jobs to Be Done, "Begin with the End," tools of cooperation, threat-rigidity, and discovery-driven planning, From Reopen to Reinvent offers a prescriptive and holistic approach to the purpose of schooling, the importance of focusing on mastery for each student, and the ideal use of technology. It also provides readers with: A set of processes and ideals that schools should implement to deal with the challenges they presently face A way to transform threats into opportunities using threat-rigidity research A discussion of how the COVID-19 pandemic revealed that schools are not as

flexible and equitable as we need them to be Perfect for K-12 educators and parents and school board members involved in the school community, From Reopen to Reinvent is also an essential resource for professionals working in education-related non-profits and state education agencies.

Rise Maggie M Lily, 2021-10-16 I was officially the Peacekeeper of legend. I had mental bindings to every single beast affinity in the world to prove it. Now, if I could just find my pants... My brothers were back to thinking I had an easy lot in life. They weren't wrong. It would be a sweet gig. Sianna would be Overlord. I would be Peacekeeper. We'd have our shared love bonds. Well. Maybe. Sigh. Many beast affinities, including my ex-girlfriend, won't follow Sianna as a leader. After attacking my family, my circle, and random bystanders, it was clear the opposition didn't mind collateral damage. If they wouldn't come at us directly, we needed to unite the splintered shifter populations and force action. Could we navigate the politics and negotiations while still holding tight to what mattered? One thing was certain: I wouldn't give up the love binding again. Not for anything—even if the bindings meant a difficult leadership transition. No. If the shifters wanted a fight, they'd get one. Rise is the jaw-dropping conclusion of the Peacekeeper's Harmony series.

Wake Up! Change Up! Rise Up! Lynn Lok-Payne, 2021-05-01 Every day we have a choice on how to navigate our journey. Life is full of change and it's a personal decision as to whether we adapt, ignore, or resist transition. Each one of us encounters challenges, but it is how we move through them that determines who we become. Lynn Lok-Payne experienced the unimaginable with the unexpected loss of her husband and a house fire just weeks later. In the midst of these life-changing events, one right after another, she began looking for a better way to not only heal, but also find fulfillment once again. Wake Up! Change Up! Rise Up! is an inspirational story interwoven with self-help techniques to live a more joyful, meaningful life. In her search for answers, she discovered that by clinging to the old stories we tell ourselves—like how our titles dictate our lives or how we're not good enough—we diminish our own well-being. Sometimes we are afraid to let these narratives go, because if we did, who would we be? Once she decided to change this internal dialogue, her inner voice became stronger and the number of things to be grateful for began to grow. Lynn found that personal transformation is possible when we allow ourselves to flow through change instead of resist it. We have the inner tools to navigate life's unexpected turns. Wake Up! Change Up! Rise Up! inspires us to: · Accept change and revise outdated beliefs · Let go of the Blame Shame Game · Find healing through gratitude · Cultivate well-being using practical exercises such as affirmations, meditation, and writing · Uncover a more purposeful, happy, and authentic life Lynn's journey illustrates that with time, we can create a more empowering story line and become the next chapter of who we are meant to be. The language we use has the power to change our perspective and when we connect to our personal truth, we can truly thrive. Be the magnet for what you want to appear in your life. You are the solution.
