Kyra, a 15 year old girl who dreams of following in her father's footsteps and becoming a famed warrior, is a finer archer than all the others. As she grapples to understand her skills, her mysterious inner power, and what secret is being kept from her about her birth, she comes to realize that she is different than the others, and that hers is a special destiny. But her people live under the thumb of oppressive noblemen, and when she comes of age and the local lord comes for her, her father weds her off to save her. Kyra, though, refuses, and she journeys out on her own, into the dangerous wood-where she encounters a wounded dragon and ignites a series of events that will change the course of the kingdom forever. 15 year old Alec, meanwhile, sacrifices for his brother, taking his place in the draft, and is carted off to The Flames, a wall of flames a hundred feet high that keeps back the army of Trolls to the north. On the other side of the kingdom, Merk, a mercenary striving to leave behind his dark past, quests through the wood to become a Watcher of the Towers and help guard the Sword of Fire, the magical source of the kingdom's power. But the Trolls want the Sword, too-and they have other plans, preparing for a massive invasion that could destroy the kingdoms forever. With its strong atmosphere and complex characters, RISE OF THE DRAGONS is a sweeping saga of knights and warriors, of kings and lords, of honor and valor, of magic, destiny, monsters and dragons. It is a story of love and broken hearts, of deception, of ambition and betrayal. The time has come for her to learn about who she is, who her mother is, and to train and develop her special powers. It will be a quest

fraught with peril for a girl alone, Escalon filled with dangers from savage beasts and men alike—one that will require all of her strength to survive. If he succeeds, he will have to journey to the treacherous Lake of Ire and then onto the icy peaks of Kos, where there live the toughest warriors of Escalon, men he will need to recruit if he has any chance of taking the capital. Alec escapes with Marco from The Flames to find himself on the run through the Wood of Thorns, chased by exotic beasts. It is a harrowing journey through the night as he quests for his hometown, hoping to be reunited with his family. When he arrives, he is shocked by what he discovers. Merk, despite his better judgment, turns back to help the girl, and finds himself, for the first time in his life, entangled in a stranger's affairs. He will not forego his pilgrimage to the Tower of Ur, though, and he finds himself anguished as he realizes the tower is not what he expects.
