The Ra Contact: Teaching the Law of One: Carla L. Rueckert, Don Elkins, James Allen McCarty, 2018-02-28 I am Ra. We came to your peoples to enunciate the Law of One. We wished to impress upon those who wished to learn of unity that in unity all paradoxes are resolved; all that is broken is healed; all that is forgotten is brought to light. For thousands of years those of Ra have sought to teach the Law of One to seekers of truth on Earth who wished to learn of the unity or oneness of all things. This basic law of all creation is buried deep within each of our hearts because we really are one in love and in light, the building blocks of the universe. We are all manifestations of the One Infinite Creator. We are the Creator. We are not learning this law for the first time but are remembering it yet again as all mystics have taught throughout Earth's history. Our journey of self-realization is the discovery or remembrance of this essential truth, our essential identity. A waking up, as some have called it, within an illusion of separation. Don Elkins and Carla L. Rueckert worked together for 12 years to perfect the channeling process and receive philosophical inspiration and guidance from extraterrestrial sources. When Jim McCarty joined them in 1980 they began to receive a new and unique type of channeling contact from those of Ra. Through this contact, Ra shared information to help seekers of truth deepen their awareness and acceptance of self and other, and to help Earth move into the emerging fourth density of love and understanding. This book is the transcript from the recording of that conversation between the Questioner and Ra. Through questions & answers, the metaphysical blueprint of spiritual evolution is explored, from the microcosm to the macrocosm, from the particulars of life on this planet to the life of the cosmos, to the possibilities of healing, transformation, and self-realization for spiritual seekers and wanderers. *****
The Ra Contact: Teaching the Law of One Volume 2 contains Ra contact sessions 57-106. As with all L/L Research material, this book can be read for free in PDF form on the archive website www.llresearch.org.

The Reincarnation of Edgar Cayce? Wynn Free, David Wilcock, 2010-06-15 Discover the legacy of the most famous psychic of the 20th-century in this stirring exploration of psychic abilities, reincarnation, and other paranormal phenomena There are remarkable parallels between the work of David Wilcock and Edgar Cayce—the legendary clairvoyant, ‘sleeping prophet’, and ‘father of holistic medicine’. Here, author Wynn Free explores these parallels, building a convincing case that the two

men shared the same source of prophetic information—and that Wilcock might indeed be Cayce's reincarnation. Compiling some of Wilcock's most inspirational and life-transforming prophetic guidance from his channeled Source, this book conveys profound insights into topics such as earth changes, secret cabals, soul evolution, death and reincarnation, ascension, crop circles, and the theory of evolution. Explaining how energetic increases occurring in the Sun and planets can have scientifically-measurable, far-reaching effects in a number of realms, *The Reincarnation of Edgar Cayce* presents new evidence that this energy can transform DNA, potentially making ESP, telekinesis, levitation, and other paranormal activities as common as breathing and usher in the Golden Age promised by every major spiritual tradition in human history. Readers will come away with a deeper understanding not only of the life and work of both Wilcock and Cayce, but with a broader sense of the many forces—seen and unseen—at work in the universe today.

Channeling Joel Bjorling, 2019-06-19 Originally published in 1992, *Channeling* is a comprehensive bibliography on the subject of channeling. The book defines channeling as any message received or conveyed from transcendent entities and covers material on the history of channeling, those that have claimed to transcend death, contact with UFOs and contemporary channeling groups. The book acts as a research guide and seeks to outline the historical roots of channeling, explaining its major teachings and considers its significance as a spiritual movement. It provides sources from books, booklets, articles, and ephemeral material and offers a comprehensive list of both primary and secondary materials related to channeling, the bibliography takes the most diverse and useful sources of the time. This volume although published almost 30 years ago, still provides a unique and insightful collection for academics of religion, in particular those researching spiritualism and the occult.

The Ra Material: Law of One Jim McCarty, Don Elkins, Carla L Rueckert, 2020-10-28 Is our universe intelligently designed? What are the possibilities of healing, transformation, and service? What is the Law of One? After 19 years of research into the channeling phenomenon that involved communications with members of the Confederation of Planets in the Service of the One Infinite Creator, a group consciousness called Ra, who had evolved on the planet Venus, established contact with three dedicated seekers of truth to explore these and other questions. Ra said that all people and all of creation are One Being: the One Infinite Creator. They suggested that the process of learning to love (awakening to the Original Thought) is studied via humanity's movement through all of time. The Ra Material sessions conducted by these three individuals examine the meaning of our cosmic existence and contain 106 transcripts of every conversation, including events leading up to first contact, and, in Book V, commentary about the contact. This 40th-anniversary boxed set includes all five books in hard cover.

Souls of Distortion Awakening J. Wicherink,2006-02-17 This book reunites science and spirituality after her roads separated 300 years ago. More and more scientists are discovering that both disciplines are only two sides of the same coin. We are on the verge of a major paradigm change in science where the immaterial subjective world of the mind can no longer be separated from the objective material world. This leap in human consciousness was already foreseen by the ancients and American indigenous people like the Maya, Hopi and Aztecs who prophesized that this transformation of consciousness would take place in our time. This book takes you on a journey from the ancient wisdom to the most modern scientific insights and demonstrates how both can be united.

Cosmic Connections: Dr. Cheri St. Arnauld,2014-02-03 Cosmic Connections is a unique view of spirituality and the links between ancient knowledge and science, the soul and nature, and living within the universal flow of energy.
