

Was Jesus A Philosopher

Edward J. Machle

Jesus as Philosopher Runar M. Thorsteinsson, 2018-05-24 Jesus as Philosopher: The Philosophical Sage in the Synoptic Gospels examines the possible ways in which the authors of the Synoptic Gospels, Mark, Matthew, and Luke, were inspired by contemporary philosophical traditions about the ideal philosophical sage in their description of their ideal human being, Jesus Christ. Runar M. Thorsteinsson considers the following questions: How does the author in question speak of Jesus in relation to contemporary philosophy? Do we see Jesus take on a certain 'philosophical' role in the Gospels, either by his statements and reasoning or his way of life? In what way are Jesus' words and actions analogous to that of leading philosophical figures in Graeco-Roman antiquity, according to these texts? Conversely, in what way do his words and actions differ from theirs? While Thorsteinsson discusses a number of Graeco-Roman sources, the emphasis is on the question of how these parallel texts help us better to understand the Gospel authors' perception and presentation of the character of Jesus. While the fields of theology and ethics are often intertwined in these texts, including the philosophical texts, Thorsteinsson's main focus is the ethical aspect. He argues that the Gospel authors drew in some ways on classical virtue ethics. The study concludes that the Gospel authors inherited stories and sayings of Jesus that they wanted to improve upon and recount as truthfully as possible, and they did so in part by making use of philosophical traditions about the ideal sage, especially that of Stoicism and Cynicism.

Jesus the Great Philosopher Jonathan T. Pennington, 2020-10-20 Many of us tend to live as though Jesus represents the spiritual part of our lives. We don't clearly see how he relates to the rest of our experiences, desires, and habits. How can Jesus, the Bible, and Christianity become more than a compartmentalized part of our lives? Highly regarded New Testament scholar and popular teacher Jonathan Pennington argues that we need to recover the lost biblical image of Jesus as the one true philosopher who teaches us how to experience the fullness of our humanity in the kingdom of God. Jesus teaches us what is good, right, and beautiful and offers answers to life's big questions: what it means to be human, how to be happy, how to order our emotions, and how we should conduct our relationships. This book brings Jesus and Christianity into dialogue with the ancient philosophers who asked the same big questions about finding meaningful happiness. It helps us rediscover biblical Christianity as a whole-life philosophy, one that addresses our greatest human questions and helps us live meaningful and flourishing lives.

The Philosopher and the Gospels Derek Wilson, 2011-10-22 The teachings of Jesus Christ, as presented in the Bible, are familiar to millions, but do we really understand them? Keith Ward argues that, by scrutinising the Gospels through the lens of contemporary philosophy, we can discover a profound teaching that is not always apparent in traditional church teaching. Ward's analysis of what Jesus really said uncovers four central themes: - that the Gospel is for everyone (but not necessarily everyone will be saved); - that the Second Coming will lead to a future in the spiritual realm, not a physical world; - that Jesus presents a moral ideal for life rather than a literal set of rules; - that God is expressed initially through the incarnation of Jesus, but ultimately through the whole of creation.

Demythologizing Jesus of Nazareth: Was Jesus a Historical Or Mthical Person? ,

A Philosopher Looks at Jesus Edward J. Machle, 2008-03-01 This book is the response to a lifetime of questions raised by fellow philosophers, by students, and by the author's own wrestlings. Since the author claims that Jesus's importance goes beyond his being just a moral teacher, Edward Machle discusses the difference between the foundations of philosophy and of theology, and how the disciplines of philosophy and theology use language differently. Then Machle goes on to present his somewhat unorthodox evaluations of the four gospels and their relevance--rejecting, for instance, claims of a Q document, and dating Matthew later than Luke. Since any account of Jesus must assume that before Jesus appears in the records, he had a distinctive development, two admittedly fictional narratives follow, preparing for distinctive emphases in the author's later discussions of frequently met problems about Jesus's birth, miracles, aims, and death. Machle lays unusual emphasis on the centrality of the title Son of Man for Jesus. Extensive discussions of the resurrection narratives and questions about them follow, leading to a unique treatment of John's Prologue. The last three chapters deal with Jesus's relation to modern belief and life.

On Jesus Douglas R. Groothuis, 2003 ON JESUS, like other titles in the Wadsworth Philosopher's Series, offers a concise, yet comprehensive, introduction to this philosopher's most important ideas. Presenting the most important insights of well over a hundred seminal philosophers in both the Eastern and Western traditions, the Wadsworth Philosophers Series contains volumes written by scholars noted for their excellence in teaching and for their well-versed comprehension of each featured philosopher's major works and contributions. These titles have proven valuable in a number of ways. Serving as standalone texts when tackling a philosophers' original sources or as helpful resources for focusing philosophy students' engagements with these philosopher's often conceptually daunting works, these titles have also gained extraordinary popularity with a lay readership and quite often serve as refreshers for philosophy instructors.

Who Was Jesus? D. M. Murdock, Acharya S, 2007-10 In this fascinating CSI-style investigation, Murdock, author of the controversial book *The Christ Conspiracy*, examines evidence for the life of Jesus Christ, revealing that with Christianity what is seen is not always what one gets. (Christian)
