James A. Black

What the Old Testament Authors Really Cared about Jason S. Derouchie, 2013

What the Old Testament Authors Really Cared About Jason DeRouchie, 2013-09-24 An accessible, full-color OT survey textbook focusing on the message of each book. Written from an irenic, evangelical perspective, this Old Testament survey is designed to unpack what the biblical authors most intended to communicate in the Scripture that Jesus read. As the corresponding volume to the previously published *What the New Testament Authors Really Cared About* (Kregel Academic, 2008), it is well-suited for use in a college, seminary, or church context. Students of the Bible will find this full-color textbook accessible and engaging. *What the Old Testament Authors Really Cared About* is gospel-centered, portraying the Old Testament as the foundation for a fulfillment found in the New Testament. Each chapter is written by an Old Testament scholar who is a skilled teacher at one of the finest evangelical schools across North America and specializes in the biblical book covered. Readers will find:

- Introductory issues (who, when, where, why) condensed to one-page snapshots of essential information at the beginning of each chapter
- The clarity of the biblical message enhanced through nearly two hundred high-resolution photographs, over eighty charts and tables, and twelve color maps
- Very readable text, appropriate for broad audiences
- A format simpler and intentionally shorter than many other surveys, making it a very manageable textbook for a single semester Old Testament survey course or a useful guide to accompany devotional reading of Scripture

What the New Testament Authors Really Cared About, Second Edition Kenneth Berding, Matt Williams, 2015-08-27

What the New Testament Authors Really Cared About Kenneth Berding, 2015-03-01 This second edition of *What the New Testament Authors Really Cared About* is more accessible than many New Testament survey texts, with full color and photographs and to-the-point coverage of each New Testament Book. Introductory issues (Who? When? Where? Why?) are condensed to a one-page snapshot of all the most pertinent information. In addition, more than one hundred applications are highlighted in sidebars to clarify how the New Testament authors might apply their writings to Christians living in the twenty-first century.

40 Questions About Biblical Theology Oren R. Martin, Andrew David Naselli, Jason S. DeRouchie, 2020-11-24 An accessible survey of the meaning, methodologies, themes, and applications of biblical theology. To understand what the entire Bible teaches about any given subject, we must practice biblical theology. By surveying the whole canon of Scripture, we can

best discern what God has revealed about any particular issue. But doing so requires answering a number of important questions: - What type of biblical theology will we choose? - What overall story does the Bible tell? - How should we understand the relationship between the Old and New Testaments? - How does our topic fit within salvation history? - How do we apply the truths we discover? 40 Questions About Biblical Theology provides resources to answer these key questions in order to guide readers in their own study and practice of biblical theology. Other vital topics the authors address include how to understand typology, key themes in biblical theology, and how Christians should relate to Old Testament promises. Ideal for courses on biblical theology, for pastors, and for anyone who teaches or interprets Scripture, 40 Questions on Biblical Theology will deepen your understanding and application of the whole counsel of God.
