Beyond Mary or Martha Jennifer S. Wyant, 2019-11-08 Explore a tale of two sisters Beyond Mary or Martha: Reclaiming Ancient Models of Discipleship dives into the complicated reception history of Mary and Martha of Bethany, who have been at the center of many debates for almost two thousand years. Jennifer S. Wyant begins her study with a close reading of the sisters' first encounter with Jesus in Luke 10:38-42, then moves on to patristic, medieval, and modern interpretations of that narrative. Wyant tracks how Mary and Martha both became paradigms of discipleship, revealing the inherent tension within Christianity between contemplative practices and acts of service. By placing ancient debates alongside more modern ones, she argues that, contrary to discussions today within academic and religious circles, gender is not the most important aspect of their story. Features: A thorough examination of the textual variants in the passage to show how variants affected interpretation throughout history Interpretations from medieval women and their contributions to interpretation of Mary and Martha A visual exegesis of the art representing the passage throughout history

Work Thich Nhat Hanh,2008-11-08 In Thich Nhat Hanh's latest teachings on applied Buddhism for both the work place and daily life, chapters include dealing with workplace scenarios; dealing with home and family; encounters with strangers and with daily life; transportation; and creating communities wherever you are. This book is designed for adults who are new to meditation as well as those who are more experienced. The emphasis is on how to use applied Buddhism in daily life. Work aims at contributing to new models of leadership and doing business. It is also a book full of life-coaching advice, finding happiness, and positive psychology. We all need to Chop Wood and Carry Water. Most of us experience work, hardship, traffic jams, and everything modern, urban life offers. By carefully examining our everyday choices we can move in the direction of right livelihood; we can be a lotus in a muddy world by building mindful communities, learning about compassionate living, or by coming to understand the concept of Buddha nature. Work also discusses mindful consumption, or the mindful use of limited resources. Instead of Living Large in Lean Times or Ramen to Riches we can learn to appreciate living less large and think about what kind of riches we want for ourselves and others.
