Beyond the Veil Lee Nelson, 2013-06 All men know that they must die... It is but reasonable to suppose that God would reveal something in reference to the matter and it is a subject we ought to study more than any other. If we have any claim on our Heavenly Father for anything, it is for knowledge on this important subject (Joseph Smith, History of the Church, Vol. 6 pg. 50). If you enjoyed Return from Tomorrow, if you liked Life after Life, you are going to love Beyond the Veil, Volume III. As I began listening to, and reading [these] stories, I was amazed at the variety of content and experience. I was amazed at the vast abundance of spiritual experiences people are having that have something to do with that thin veil separating us from our spirit brothers and sisters. It is refreshing to know that miracles are happening every day. I hope this book, in its own small way, can add a little strength or momentum to this groundswell. -Lee Nelson

Whispers Beyond the Veil Jessica Estevao, 2016-09-06 First in a dazzling new historical mystery series featuring Ruby Proulx, a psychic with a questionable past who suddenly finds her future most uncertain... Canada, 1898. The only life Ruby Proulx has ever known is that of a nomad, traveling across the country with her snake-oil salesman father. She dreams of taking root somewhere, someday, but, until she can, she makes her way by reading tarot cards. Yet she never imagined her own life would take such a turn... After one of her father's medical "miracles" goes deadly wrong, Ruby evades authorities by hiding in the seaside resort town of Old Orchard, Maine, where her estranged aunt, Honoria, owns the Hotel Belden, a unique residence that caters to Spiritualists—a place where Ruby should be safe as long as she can keep her dark secret hidden. But Ruby's plan begins to crumble after a psychic investigator checks into the hotel and senses Ruby is hiding more than she's letting on. Now Ruby must do what she can to escape both his attention and Aunt Honoria's insistence that she has a true gift, before she loses her precious new home and family forever...

Beyond the Veil Robin Jakins,2024-11-07 Understand the Bible - beyond the veil! Jesus, when He had cried out again with a loud voice, yielded up His spirit. And behold, the veil of the temple was torn in two from top to bottom. (Matthew 27:50-51) Jesus had to die to provide spiritual revelation and direct access to God. Believers cannot neglect this priceless access that comes beyond the veil! Reading Beyond the Veil is like reading the Bible and a book simultaneously. It is a meeting place of pure biblical truth and the inspired revelations and mysteries of the Kingdom of God. The combination of the two brings the Bible to life for the everyday believer. Readers will be captivated by graphic descriptions of the unseen beyond the veil. Be inspired by the visions of Shadow Land, the Great Advantage, Mind Games, Mission Impossible, the Sound of Doctrine, a Beautiful Mind and Soul Capture - all of which unveil the mysteries and revelations available to us all from Beyond the Veil!

Visions Beyond the Veil H. A. Baker,2006-08-01 Beggars...Outcasts...Homeless Such were the forgotten, uneducated children in China when the Spirit of God fell upon their humble orphanage, the Adullam Home. The boys spent days in powerful meetings, praying and praising God. Under the anointing of the Holy Spirit, they prophesied, saw visions, and discovered: Angels...how they operate and protect us Unbelievers...and their fate Heavenly occupations...what our jobs will be Paradise...revealed through the eyes of children The throne of God...experiencing true worship Death...what happens when we die Demons...and their evil works This mighty outpouring was a fulfillment of God's promise: "And it shall come to pass in the last days, saith God, I will pour out of My Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions." Acts 2:17

Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1921 edition. Excerpt: ... CHAPTER III FROM DARKNESS INTO LIGHT At the Home of Arnold--A lesson in wisdom--Evolution, in Terted and progressive--The science of creation--The entity the Name-- The Chasm and the Bridge--Send out Thy light to lead me-- From darkness into light--Angels can suffer--Angelic ministry. Friday, October 10, 1913. WERE we to impress you to write on matters which to us are of everyday concern, you would perhaps be able to compare them with your own daily life, and you would see then that we and you are both at school, and that the school is a very large one, with many classes, and many instructors, but with one scheme running throughout the course of instruction, and that scheme a unity of progress from the simple to the complex, and that complexity does not mean perplexity, for, as we

learn more of the wisdom of the Divine Author of all, we see how beautifully composite is the realm in which He exerts His Loving Will to the end we may, by our very joy of knowledge, give homage to the Glory of Him Who holds all things in the hollow of His Hand. And so, dear lad, we will once again take up our theme, and tell you of our doings here in these bright realms, and of how the Father's love encompasses us all around as a radiant cloud in which all things appear to us more plainly, as we progress in humility and in love. One of those things which matter here is that due proportion be meted out between wisdom and love. These are not contrary the one from the other, but are two great phases of one great principle. For love is to wisdom as the tree is to the leaves, and if love actuate and wisdom breathe, then the fruit is healthy and sound. By way of illustrating this we will give you a concrete instance of how we are taught to consider duly both...

The Life Beyond the Veil Rev. G. Vale Owen,2014-02-25 The Life Beyond the Veil contains a series of communications from various personalities on the other side, received and written down by the Rev. G. Vale Owen, Vicar of Orford, Lancashire, England. It was first published as four separate books: The Lowlands of Heaven (1920), The Highlands of Heaven (1920), The Ministry of Heaven (1921), and The Battalions of Heaven (1921). This volume combines all four works, and includes revised and standardized introductory pages. As described by Editor H. W. Engholm in his introduction to Book I, The Life Beyond the Veil brings us face to face with a Spiritual Universe of unimaginable immensity and grandeur, with sphere upon sphere of the realms of light which stretch away into infinity. We are told that those who have passed from our earth life inhabit the nearer spheres, amid surroundings not wholly dissimilar from those they have known in this world; that at death we shall enter the sphere for which our spiritual development fits us. There is to be no sudden change in our personality. We shall not be plunged into forgetfulness. A human being is not transformed into another being. . . . So small a thing is the change which we call death . . . that many do not realize it. They have to be taught that they are in another world, the world of reunion. . . . Books II, III and IV cover a wider range than the first book, more fully explaining the afterlife and giving, in H.W.E.'s words, a little more of those 'many things' designed to broaden our vision, strengthen our faith, and help us to realize more fully the wonderful things which God has in store for all those that love Him. * * * Is it subversive of old

beliefs? A thousand times No. It broadens them, it defines them, it beautifies them, it fills in the empty voids which have bewildered us . . . it is infinitely reassuring and illuminating.-Sir Arthur Conan Doyle.
