Biblical Studies on the Internet Roland H. And they will save countless hours of frustration and work. Over 3,300 websites provide information on a range of topics: English language Bible translations that can be used online or downloaded, sites to listen to hymns on the Internet, Bible translations into 57 non-English languages, non-English commentaries, dictionaries, and other resource materials, Hebrew, Greek, and other ancient language texts and resource materials, numerous commentaries on any one single biblical book or on the entire scriptural canon, supplemental materials dealing with everything from devotional studies to issues of fundamental biblical interpretation, and pseudo-authoritative writings related to the two testaments. Multiple sites are given for each resource cited whenever possible.

The Heretic's Guide to Doctrine Daboniel Hereticus,2020-03-19 This book is intended to open Christians' minds up to other Christians and to help improve dialog between them. It deals with where a lot of them are coming from doctrinally, and the problems to be dealt with on both sides. There is a core to all true Christians that should bind us, but we cannot do that as long as we cannot be open with our differences and open-minded enough to understand why some people believe what they do. Mature Christians should be able to talk about the elephant in the room. I am of the firm belief that if everybody was coming from the Bible with what they believed, we would have a lot more agreement. (And the world would hate us all the more.) I certainly do not expect every Christian to agree with me on everything. It is not for nothing I call myself Hereticus.

Free Stuff from the World Wide Web Patrick Vincent,1995 This book reveals the secrets of exploring the World Wide Web by showing you how to get thousands of dollars worth of treasure--catalogs, coupons, product samples, newsletters, software, photos, art, video clips, music, desktop publishing goodies, and more for your business, home, family, or just for fun--free.

Cradled in Hope Ashley Opliger,2025-07-22 A mother's heart is shattered and forever changed when she loses a precious baby. Overwhelmed by sadness, she feels abandoned by God, questions his goodness, and wonders how she will move forward in life while in such deep pain. Ashley Opliger, founder of Bridget's Cradles, wrestled with these same things when her daughter, Bridget, was born into heaven at twenty-four weeks. Amid her anguish, she found faith in God to not only heal her heart, but to change her life--and the lives of others. Here she creates a safe place for grieving moms to cry, ask why, and bring their sadness, anger, bitterness, loneliness, shame, and hopelessness to one who can hold it all--Jesus. She gently guides heartbroken moms on a journey to trust him to heal their hearts, restore their joy, and use their grief for good. But most importantly, she reminds them that no matter where they are on their grief journey, God promises to give them a hope-filled future, both on earth and in heaven with their babies for all of eternity.

Adventist Review ,2008-07

Your Secret to Spiritual Success James A. Scudder,2002 More than 2,000 years ago Jesus Christ walked among us. The crowds that gathered around Him heard truth-filled stories that they pondered long afterward. Truths that their spiritually famished hearts needed. Truths about living righteously before God that our hearts today need to hear. James Scudder believes that Christ's parables in the book of Mark reveal thirty-one principles that will help you experience spiritual growth.

These principles guide you to exercise your faith, have a joy-filled life, and confidently tell others about Christ. Divided into twelve harmonious chapters, this pastor's work is practical, relevant, and upbeat. Scudder includes a section that recaps each chapter's points and offers an exercise for each principle-- plus tips for practice and prayer-- so that, whether you're studying the Word by yourself or with a group of believers, your spiritual life may successfully grow in the eternal ways that matter most.
