The Light of the Self Kenneth Rose Ph. D.,2019-01-21 The Bhagavad Gita or the Bible? Krishna or Jesus? One way or many ways? These questions led Kenneth Rose on a journey of spiritual discovery to the Hare Krishna movement, a fundamentalist Bible college, a Trappist monastery, Harvard's Center for the Study of World Religions, and India, where he had an audience with the Dalai Lama, a personal encounter with Papaji, and encountered the living presence of Sri Ramana Maharshi in his ashram in the shadow of the sacred mountain known as Arunachala. At each stop on this journey, he gained new insights into the spiritual life, but the radical differences between these spiritual traditions raised the question of which--if any--of these paths is ultimate. This question has never been more relevant than now because yogis and meditators often encounter evangelical and nondenominational Christians who claim to have the only true spirituality. Because some Christians feel uneasy or disloyal to Jesus and God when they practice yoga and meditation, they may stop practicing while others try to Christianize these practices. Still others blend traditions but feel uncertain about whether they really fit together. As a spiritual practitioner who has moved between the usually separate worlds of evangelical Christianity and Hindu and Buddhist spiritualities, Kenneth Rose tells in *The Light of the Self: A Memoir of a Spiritual Awakening* how the wisdom of teachers as diverse as Thomas Merton, Alan Watts, the Buddha, Joseph Campbell, Meister Eckhart, Dionysius the Areopagite, John of the Cross, Sri Ramana Maharshi, Patanjali, D. T. Suzuki, Osho, and Gopi Krishna pointed out the steps that led him from exclusivistic religion to the practice of nondual teachings in Hinduism, Buddhism, and mystical Christianity. In a book that is both a compelling spiritual memoir playing out on three continents and a skillful guide to mind-altering mystical teachings in Hinduism, Buddhism, and mystical Christianity, Kenneth Rose traces his personal spiritual pilgrimage and shares the teachings that transformed his life--and that can transform yours as well. Kenneth Rose, Ph.D., has been a professor of philosophy and religion for nearly three decades. His degrees include an M.Div. from Harvard Divinity School and an M.A. and Ph.D. in the Study of Religion from Harvard University. His books include *Yoga, Meditation, and Mysticism: Contemplative Universals* (Bloomsbury Academic) and *Meditative Landmarks and Pluralism: The Future of Religion* (Bloomsbury Academic). <https://anahatarose.com/kenrose108@gmail.com> amazon.com/author/kennethrose

SPIRITUAL AWAKENING Darshan Singh,2025-02-22 The Golden Age begins with each of us - it begins within each of us. There is a sure, definite path which we can follow to realize the totality of our potential - the path of Spiritual Awakening.

It is at once man's oldest and his newest preoccupation. We need only look at recent medical research in life-after-death experiences, and studies in the New Physics, to realize that science itself is now confirming the insights of the ancient prophets and mystics. The language and symbols may change as time passes, or as we move from one culture to another, but the underlying truth is the same. The talks collected here fall into three parts. Part I, *Eternal Science*, deals with the fundamentals of spirituality. Part II, *Crucible*, examines the daily discipline necessary for success on the spiritual path. Part III, *Alchemy of Love*, considers love as that alchemy which alone transforms the human into the divine. Finally, Part IV comprises questions and answers which explore related issues. If some of the chapter titles appear to be unusual for a collection on mysticism and spirituality, there is an unusual explanation. I made my first tour of America during the summer of 1978. A two-month program of lectures was planned, but much to the dismay of those traveling with me, the suitcase filled with all my notes, articles, and manuscripts - the material for my lectures - was lost by the airlines! With talks scheduled for almost every night, what was to be done? As I then remarked, The choice is to turn and flee, or to plunge headlong into the program. Relying on the grace of the great Masters, Hazur Baba Sawan Singh and Sant Kirpal Singh, I decided to take the plunge. According to an old tradition in India, parents are honor-bound to preserve the purity of their daughter up to the time they give her away in marriage. So I prayed to the Masters to preserve their own honor, and they came to my rescue. Because of these circumstances, the themes of the talks often suggested themselves by the accidents of the moment. On one occasion, as I walked to a hotel lecture-hall a marriage party was in progress, and the result was *Eternal Spouse*. On another, the hotel's air-conditioning failed, and the guests squirmed in discomfort. This mechanical breakdown became my point of departure for *Air-conditioning*. This collection of talks also includes several delivered in India, and these too follow a similar pattern of development. After particularly heavy rains, floods destroyed much property and tragically took the lives of many people in Delhi. Witnessing the extent of this disaster on the way to deliver a weekly discourse, I spoke of the *Boat of Naam*. I am indebted to Vinod Sena, Ruth Seader, and Jay and Ricki Linksman for preparing this volume for publication. Some of the chapters contained herein have previously appeared in periodicals, and I am grateful to Malcolm and Kate Tillis for reviewing those chapters. Thanks are also due to those who assisted in transcribing, typing, typesetting, paste-up, or proofreading. They are Jamie and Martha Smith, John and Isabel Wolf, George Barham, Ron and Valerie Tarrant, Sandy Glassman, Dale and Marsha McCurley, Alex Vafiadis, John Servidio, Jonathan and Douglas Kruger, Chris and Katie McCluney, Jane Disinger, Georg Koester, Meena Kumari, Joanne Wiemeyer, Mary Paton, Eliot Rosen, Ed Wallace, Julius Burt, Bruce Dodd, and Sham and Sunaina Bhatia. - Darshan Singh

The Unbound Soul Richard L Haight, 2019-02-18 This is a must-read for anyone searching to explore spirituality, purpose, and unbound freedom.—Greg Giesen, Award-winning author of *Monday at 3* and *Creating Authenticity* Best seller in multiple spirituality, meditation, self-help categories, this fresh, highly acclaimed spiritual guide tells of one man's struggle to

free his soul while guiding the reader to their own inner freedom. I can't remember a more transformative book. The Unbound Soul is a memoir that tells the true story of a young boy, who in the midst of a vision, dedicates his life to spiritual awakening. As he matures, this promise leads him across the globe, gathering ancient knowledge and mastering martial, healing, and meditation arts. Along the way, subsequent visions reveal the rapidly approaching collapse that will shake our societies, our economic system, and the earth's ecology to the very core. Tormented by visions of coming worldwide calamity, Haight presses ever onward in his search and eventually realizes the elusive truth hinted at in his childhood vision. But The Unbound Soul is so much more than a memoir. It is a powerful guide that reveals the profoundly simple yet elusive truth that illuminates your life and provides a set of powerful awareness tools to assist you on your personal path. The Unbound Soul is really about you and your path toward practical realization in everyday life. Through this work, among other things, you will: - Receive new tools of awakening that blend seamlessly into your daily life. — This book is worth getting just for this, but it's a whole lot more.- Learn how the senses, thought, emotion, and memory have imprisoned you, and discover the key to unlocking that prison. — ...one of the most profound books I've read in the search for answers to Love, Life, and Living - Discover the nature of the mind, consciousness, the spirit and the soul, and how they interweave to limit or unleash the possibilities of your daily experience. — You will look at the world a little bit differently after reading it.- Turn your daily life into a vibrant journey of awakening. — No gimmicks. No special pictures or runes. JUST YOU. Any reader who likes to contemplate and seek the ultimate truth will not turn away from this book once he or she picks it up. This book, in my humble opinion, is the best literary tool for all human souls seeking their inner path to 'Spiritual Unfoldment.' If you feel any drawing to read this book, know that it has the potential to transform your life. Read The Unbound Soul to begin unbinding your inner-being today.

The Power of Now Eckhart Tolle, 1997-01-01 To make the journey into The Power of Now we will need to leave our analytical mind and its false created self, the ego, behind. From the beginning of the first chapter we move rapidly into a significantly higher altitude where one breathes a lighter air, the air of the spiritual. Although the journey is challenging, Eckhart Tolle offers simple language and a question and answer format to guide us. The words themselves are the signposts. The book is a guide to spiritual awakening from a man who has emerged as one of this generation's clearest, most inspiring teachers. Eckhart Tolle is not aligned with any particular religion but does what all the great masters have done: shows that the way, the truth, and the light already exist within each of us.

Foundations of a Global Spiritual Awakening Edgar John Burns,2003-06-27 Blood. Thick, red, still. I shivered in spite of the comfortable temperature in the room. Staring fixedly at the ooze, I watched the edges curl inward as if it were trying to remove itself from the white linoleum, embarrassed by its own unseemly appearance. Except for the blood, all was normal in the primate biology lab of Loma University. Situated in upscale San Larimor, the campus's property nestles in the rolling hills just northwest of Los Angeles renowned for stately Mediterranean style mansions and frequent celebrity sightings. San Larimor Police Detective, Cate Blaine becomes embroiled in a puzzle of blood, a missing security guard and a deadly chase against time. While searching for the answers to the case, Cate is searching for clues to solving her own inner battle dealing with the senseless loss of her son and husband. As she moves between the real world of crime and the inner chaos of her emotions, she is in jeopardy of loosing her job and her sanity. Thrown into an unwelcome partnership with LU's Private Security chief, Sloane Stevens, Cate fights the impulse to keep case details from the blue-eyed, ex-cop, when . . . The flashlight reflecting off the industrial plastic, made Stan's face and body just visible. Blank eyes stared back at us, a silent scream contorting his features. Sloane's involvement proves almost too much, as Cate races against time . . . murders and the possibility of her safety.

Journey Into Now: Clear Guidance on the Path of Spiritual Awakening Leonard Jacobson,2010-09

The Leap Steve Taylor,2017-02-14 What does it mean to be enlightened or spiritually awakened? In *The Leap*, Steve Taylor shows that this state is much more common than is generally believed. He shows that ordinary people — from all walks of life — can and do regularly “wake up” to a more intense reality, even if they know nothing about spiritual practices and paths. Wakefulness is a more expansive and harmonious state of being that can be cultivated or that can arise accidentally. It may also be a process we are undergoing collectively. Drawing on his years of research as a psychologist and on his own experiences, Taylor provides what is perhaps the clearest psychological study of the state of wakefulness ever published. Above all, he reminds us that it is our most natural state — accessible to us all, anytime, anyplace.

A Spiritual Awakening Tommy Zito,2011-07-28 THIS BOOK WILL RELEASE YOU TO DO THE WILL OF GOD FOR YOUR LIFE! In A Spiritual Awakening, revivalist Tommie Zito releases Christians to do the will of God with fearless faith. With years of successful evangelism to his credit, the author boldly decries the state of the Sunday morning ritual: The voice of the Lord is relegated to pointless sermons and denominational drivel. Religion has paralyzed the passion and desire of the believer to do the will of God. The Church is suffocating under the spirit of slumber, while believing all is well. BUT THERE IS HOPE--YOU! You and millions like you have the call, the passion and the desire to do what religion and its accompanying litany of legalism can never accomplish. You can change the world, your country, your city, your neighborhood, your home. Zito calls on believers to the last-day Church's mandate to be a house of prayer, if it is to move in an anointing which will make the world take notice of the Most High God. Zito notes, A church bulletin contains more social activities and outings than times set aside to really pray and seek the Father's face. The power of the Holy Spirit awaits all those who will respond to the burden of this book: to shake off religious irrelevancy and to do the will of God despite all opposition.
