**The Ritual** Shantel Tessier,2021 The chosen one. Barrington University is home of the Lords, a secret society that requires their blood in payment. They are above all—the most powerful men in the world. They devote their lives to violence in exchange for power. And during their senior year, they are offered a chosen one. I vow. You vow. We vow. People think growing up with money is freeing, but I promise you, it's not. My entire life has been planned out for me. I never got the chance to do what I wanted until Ryat Alexander Archer came along and gave me an option for a better life. He offered me what no one else ever had—freedom. I chose to be his. He made me believe that anyway, but it was just another lie. A way that the Lords manipulate you into doing what they want. After being sucked into the dark, twisted world of the Lords, I embraced my new role and allowed Ryat to parade me around like the trophy I was to him. But like all things, what started out as a game soon became a fight for survival. And the only way out was death. --Back cover.

**Mighty Stories, Dangerous Rituals** Herbert Anderson,Edward Foley,2019-02-01 Shaping our journey into the Divine

This moving and enlightening book presents us with a compelling vision of what can happen when we take the opportunity to connect stories and rituals--a vision of individuals and communities transformed through a deeper sense of connection to our loved ones, our communities, and God. Herbert Anderson and Edward Foley reveal how when stories and rituals work together, they have the potential to be both mighty and dangerous--mighty in their ability to lift us up and help us make these connections beyond ourselves and dangerous in challenging us to learn to live with complexity and contradiction. They show how much more meaningful a baptism, wedding, or funeral can be when liturgy is made to include and recognize the personal stories of those involved. Suddenly, these familiar life-cycle rituals are infused with new life as participants become connected in a narrative web linking past and present, human and divine. Newly created rituals can also help us connect our stories to the divine story, giving meaning to what we experience and bringing us closer to God. Ministers, worship leaders, and pastoral caregivers can use this approach to storytelling and ritual to find ways to bring together worship and pastoral care.
