

Brad Taylor Pike Logan Books In Order

Brad Taylor

One Rough Man Brad Taylor, 2012-01-03 Vince Flynn and Brad Thor, move over: introducing a pulse-pounding new international thriller series by a former Delta Force commander.

Ghosts of War Brad Taylor, 2016 Traveling to Poland to investigate artifacts believed hidden in a fabled Nazi gold train, Pike Logan and Jennifer Cahill are swept up by a Russian incursion into Belarus before a horrific attack against U.S. forces, prompting NATO to prepare for a war that is being manipulated by a mysterious interest.

Days of Rage Brad Taylor, 2014-07-15 Pike Logan and the Taskforce are used to being the hunters. But in this explosive “thriller that really thrills” (Publishers Weekly) from New York Times bestselling author Brad Taylor, they are the hunted... Intent on embroiling the US in a quagmire that will sap its economy and drain its legitimacy, Russia passes a potential weapon of mass destruction to Boko Haram, an extreme Islamic sect in Nigeria. The Russian FSB believes the weapon, a relic of the Cold War, has deteriorated and is no longer effective, but they are wrong. Boko Haram has the means for mass destruction, which will be set loose upon a multitude of unsuspecting innocents on one of the world’s grandest stages. Trying to uncover who might be stalking them, Pike Logan and the Taskforce have no idea what has been set in motion. But there is another secret from the Cold War buried in the Russian FSB, and exposing it will mean the difference between life and death for millions.

The Widow's Strike Brad Taylor, 2014-06-03 Taskforce operators Pike Logan and Jennifer Cahill race to stop a global pandemic in this fast-paced thriller in the New York Times bestselling series. Invented by nature and genetically manipulated by man, a highly lethal virus has just fallen into the wrong hands. Angered by sanctions placed against its nuclear program, a rogue state is determined to release the virus. The only thing standing in its way is the extralegal counterterrorist unit known as the Taskforce. But as they follow the trail of the virus across Southeast Asia to the United States, the Taskforce soon learns that the enemy they face may not be the enemy they should fear...

American Traitor Brad Taylor, 2021-01-05 “Few authors write about espionage, terrorism, and clandestine hit squads as well as Taylor does.”—Houston Press Pike Logan is on the desperate hunt for a man who is about to betray his country—and ignite a horrific new world war—in this pulse-pounding thriller from New York Times bestselling author and former special forces officer Brad Taylor Pike Logan and Jennifer Cahill are enjoying a sunny vacation down under when they get disturbing

news: their friend and colleague Clifford Delmonty is in serious trouble. While working as a contractor at an Australian F-35 facility, the former Taskforce member—callsign Dunkin—saw something he shouldn't have, and now he's on the run from Chinese agents. Pike and Jennifer soon discover that Dunkin's attackers are a dangerous link to a much larger scheme that could launch a full-on conflict between China and Taiwan. In its quest for dominance, China is determined to reclaim Taiwan—a pivotal ally the United States has sworn to protect. Pike learns that the Chinese have a devious plan to bait the island nation into all-out war by destabilizing the government and manipulating an artificial intelligence defense system. As the threat reaches a boiling point, Pike alone realizes that what they're seeing isn't actually real. A soldier who has always been trained to fight and win, Pike must now track down and neutralize the missing man who holds the key. With the help of Jennifer, the Taskforce team, and a brave Taiwanese intelligence agent, he races to prevent a catastrophic conflict from consuming a whole region of the world.

Hunter Killer Brad Taylor, 2020-01-07 Pike Logan tracks highly-trained Russian assassins to Brazil in this blistering, action-packed thriller from New York Times bestselling author and former Special Forces Officer Brad Taylor. "It's an excellent read, and I greatly enjoyed it." —Nelson DeMille Pike Logan and the Taskforce were once the apex predators, an unrivaled hunting machine that decimated those out to harm the United States, but they may have met their match. While Pike Logan and Jennifer Cahill prepare to join their team on a counter-terrorist mission in the triple frontier—the lawless tri-border region where Argentina, Brazil, and Paraguay meet—they are targeted in Charleston, South Carolina. A vicious explosion kills a friend, and the perpetrators have set it up to look like an accident. While the authorities believe this was not foul play, Pike knows the attack was meant for him. When he loses contact with the team in South America, Pike is convinced he and the Taskforce are under assault. His men are the closest thing to family that Pike has, which means he will do anything, even ignore direct orders to stand down, to find them. Pike and Jennifer head to Brazil to investigate their disappearance and run headlong into a crew of Russian assassins. Within days they are entangled in a byzantine scheme involving Brazilian politics and a cut-throat battle for control of offshore oil fields. Forged in combat, the Russians are the equal of anything the Taskforce has encountered before, but they make a mistake in attacking Pike's team, because Pike has a couple of elite Israeli assassins of his own. And Pike will stop at nothing to protect his family.

Into the Gray Zone Brad Taylor, 2025-04-22 NEW YORK TIMES BESTSELLER "A knockout punch of a novel." —Mark Greaney Pike Logan uncovers a geopolitical scheme that has spiraled out of control in India in this latest pulse-pounding thriller with ripped from the headlines themes from New York Times bestselling author and former special forces officer Brad Taylor. While on a routine security assessment in India, Taskforce operator Pike Logan foils an attempted attack on a meeting between the CIA and India's intelligence service. Both government agencies believe it's nothing more than a minor terrorist attack, but Pike suspects that something much more sinister is at play. After another terrorist operation at the Taj

Mahal, he begins to believe that outside powers are attacking India in the gray zone between peace and war, part of a proxy war that leverages terrorist groups for economic gain and control of rare earth minerals. But the separatists conducting the operations have their own agenda. After a massive slaughter and kidnapping of hostages during an elaborate Indian pre-wedding party, two global powers are destabilized, and only Pike Logan and his team can de-escalate the tension by rescuing the captives. What follows is a race against the clock that winds through the bustling markets of Old Delhi, the luxurious resorts of Goa, and the epic halls of the Taj Mahal. It will take everything that Logan and the taskforce have to foil an intricate plot that leaves countless lives in the balance. Diligent spycraft, throat-clutching suspense, and military action that rips straight off the page. And this outing shows how political gamesmanship operates deep in the shadows, where nothing is black and white, only shades of gray. — James Rollins, #1 New York Times bestselling author of *Arkangel*

Ring of Fire Brad Taylor, 2017-01-10 Former Delta Force officer and New York Times bestselling author Brad Taylor delivers a relentlessly fast-paced, gripping thriller featuring Taskforce operators Pike Logan and Jennifer Cahill as they come face-to-face with an insidious threat to strike terror into the heart of America. Fifteen years ago, in order to win a contract in the Kingdom, a desperate defense contractor used a shell company to provide a bribe to a wealthy Saudi businessman. Now a powerful player in the defense industry, he panics when the Panama Papers burst onto the public scene. Providing insight into the illicit deeds of offshore financing, they could prove his undoing. To prevent the exposure of his illegal activities, he sets in motion a plan to interdict the next leak, but he is not the only one worried about spilled secrets. The data theft has left the Taskforce potentially vulnerable, leaving a trail that could compromise the unit. Back in the good graces of the new president, Pike Logan and Jennifer Cahill are ordered to interdict the next leak as well, in order to control the damage. Unbeknownst to either group, the Saudi has been using the shell company to fund terrorists all over the world, and he has a spectacular attack planned, coinciding with the fifteenth anniversary of 9/11. The information Pike and Jennifer uncover will put them on the trail of the imminent threat, but it's one that they might be unable to stop. Called *Ring of Fire*, it will cause unimaginable destruction across the United States, and the ensuing chaos and terror will distract the Taskforce from a truth no one sees: *Ring of Fire* was only the beginning, and the danger is far from over.

Dead Man's Hand Brad Taylor, 2024-01-23 New York Times bestselling author and former special forces officer Brad Taylor is back with a propulsive and topical edge-of-your-seat thriller featuring Pike Logan as he goes head-to-head with Putin's henchmen. To finally end the war between their nations, a rogue band of Ukrainian partisans known as the Wolves teams up with members of Russia's military intelligence to assassinate Vladimir Putin. But Putin is aware of the traitors in his midst and assigns the loyal commander of the Russian National Guard to root them out. It's a mission Victor Petrov is expected to undertake after he prevents Sweden from joining NATO—by assassinating a deputy minister of foreign affairs. After receiving intelligence about the threat in Sweden, the United States sends Pike Logan to identify Petrov's target—only

for him to get caught in the crossfire between Putin's agents and the Wolves. When the smoke clears, Pike makes no effort to stop the Wolves on their ultimate mission, believing it just, until he discovers that their operation has unimaginable consequences. For Putin is preparing a devastating endgame: activating the Dead Man's Hand nuclear response that will launch Russia's missiles in the event of his death. . .

All Necessary Force Brad Taylor, 2012-01-17 The electrifying Pike Logan series continues as the Taskforce—a top secret team that exists outside the bounds of U.S. law—races to stop a terrorist hit.... A shadowy trail leads the Taskforce to Egypt—where an attack leaves one member dead and another barely alive. Veteran warrior Pike Logan and his young partner, Jennifer Cahill, are forced to helm the increasingly convoluted and dangerous mission: a mission that tests both Jennifer's ability to justify her actions, and Pike's tenuous ability to stay in control. Sifting their way through the opposing plots of two terrorist organizations will turn out to be the least of their problems when a weapon of unthinkable power touches American soil—the only country in which Taskforce members are forbidden to operate, and the only country that Pike Logan may be unable to save....

Ring of Fire Brad Taylor, 2017

Daughter of War Brad Taylor, 2019-11-26 ****A New York Times Bestseller**** Former Special Forces Officer and New York Times bestselling author Brad Taylor delivers a heart-pounding thriller featuring Taskforce operators Pike Logan and Jennifer Cahill as they come face to face with a conspiracy where nothing is as it seems. Hot on the trail of a North Korean looking to sell sensitive US intelligence to the Syrian regime, Pike Logan and the Taskforce stumble upon something much graver: the sale of a lethal substance called Red Mercury. Unbeknownst to the Taskforce, the Syrians plan to use the weapon of mass destruction against American and Kurdish forces, and blame the attack on terrorists, causing western nations to reassess their participation in the murky cauldron of the Syrian civil war. Meanwhile, North Korea has its own devastating agenda: a double-cross that will dwarf the attack in Syria even as it lays the blame on the Syrian government. Leveraging Switzerland's fame for secrecy and its vast network of military bunkers, now repurposed by private investors for the clandestine storage of wealth, North Korea will use Red Mercury to devastate the West's ability to deliver further sanctions against the rogue regime. As the Taskforce begins to unravel the plot, a young refugee unwittingly holds the key to the conspiracy. Hunted across Europe for reasons she cannot fathom, she is the one person who can stop the attack—if she can live long enough for Pike and Jennifer to find her.

Brad Taylor's Pike Logan Collection Brad Taylor, 2023-08-22 Three pulse-pounding Pike Logan thrillers from New York Times bestselling author and former Special Forces officer Brad Taylor come together in one unique collection. Enjoy three bestselling, action-packed novels featuring Pike Logan and his Taskforce as they face down threats across the globe. **HUNTER KILLER:** After the Taskforce is targeted, Pike Logan tracks a group of highly-trained Russian assassins to Brazil,

stopping at nothing to protect his team. **AMERICAN TRAITOR:** Pike Logan is on the desperate hunt for a man who is about to betray his country, and races to prevent a catastrophic conflict from consuming a whole region of the world. **END OF DAYS:** Pike Logan must stop a serial killer loose on the streets of Rome who is hell-bent on igniting a global disaster.

Hunter Killer Brad Taylor, 2020 Pike Logan tracks highly-trained Russian assassins to Brazil in this blistering, action-packed thriller from New York Times bestselling author and former Special Forces Officer Brad Taylor--

Operator Down Brad Taylor, 2018-01-09 • A New York Times Bestseller • Former Special Forces Officer and New York Times bestselling author Brad Taylor delivers a heart-pounding thriller where Pike Logan's search for a Mossad agent and ally puts him on a collision course with a ruthless military coup in Africa—and tests his loyalties to the Taskforce. It was to be a simple mission. Nothing more than assessing whether a merchant in the fabled Israeli Diamond Exchange was involved in a scheme that could potentially embarrass the state of Israel. But nothing is ever simple in the world of intelligence, as Aaron Bergman—a former leader of an elite direct action team under the Mossad—should have known. Executing the operation as a contractor, a cutout that gave the State of Israel plausible deniability, he disappears without a trace. Pike Logan and his team know none of this, but he's tracking an American arms dealer in Tel Aviv who may—or may not—be attempting to sell sensitive nuclear weapons components to the highest bidder. When Pike's team breaks up an attempt at killing Shoshana, Aaron's partner, they stumble upon much more than they expected—a concerted conspiracy to topple a democratic African country. Beginning to untangle a web that extends through both the American and Israeli intelligence community, Pike is forced to choose between his Israeli friends and his Taskforce mission, even as the execution of the coup begins to form. At the heart of it is Aaron, and his disappearance is the one mistake the plotters made. Because Shoshana is the greatest killing machine the Mossad has ever produced, and she will stop at nothing to help Aaron, even if it means killing Pike Logan.

The Polaris Protocol Brad Taylor, 2015-01-06 Taskforce operators Pike Logan and Jennifer Cahill are used to putting their lives at risk, but this time it's Jennifer's brother who is in danger. As an investigative reporter working on the Mexican drug cartels, Jack Cahill has unknowingly got caught between two rival groups. His desperate call to his sister is his last before he's kidnapped. In their efforts to rescue Jack, Pike and Jennifer uncover a plot much more insidious than illegal drug trafficking.

The Devil's Ransom Brad Taylor, 2023-01-24 A New York Times Bestseller! In the latest explosive thriller from New York Times bestselling author and former special forces officer Brad Taylor, Pike Logan races to stop an insidious attack orchestrated by a man who knows America's most treasured secrets. Conducting a routine cover development trip to Tajikistan, Pike and Jennifer learn that Afghanistan has fallen, and there's a man on the run. One that has done more for the United States in Afghanistan than anyone else. Pulled in to extract him, Pike collides headlong into a broader mystery: his covert company, along with every other entity in the Taskforce, has been hit with a ransomware attack, and there's some

connection between the Taliban and the hack. Given the order to track down the perpetrators, he has no idea that the problem set is much, much larger and more dangerous than a simple attack on his organization. That hack was just a test-run, and the real one is coming soon, engendered by a former NSA specialist in the U.S. government. A man who wants to return to the bipolar world of the Cold War, the turncoat has cloaked his attack behind hackers from Serbia and Russia, and if successful, his target will alter the balance of power on the global stage. So far, the specialist has remained one step ahead of the Taskforce, but he has just made one massive mistake: hitting Pike Logan.

The Insider Threat Brad Taylor, 2016-06-07 In the eighth action-packed thriller in the New York Times bestselling Pike Logan series, ISIS, the most maniacal terrorist organization the modern world has ever seen, is poised to make their most audacious strike yet. The United States has anticipated and averted countless attacks from terrorist groups—thanks in large part to the extralegal counterterrorist unit known as the Taskforce. But now, a much more insidious evil is about to shatter the false sense of safety surrounding civilized nations. While world powers combat ISIS on the battlefield, a different threat is set in motion by the group—one that can't be defeated by an airstrike. Off the radar of every Western intelligence organization, able to penetrate America or any European state, they intend to commit an act of unimaginable barbarity. Only Pike Logan and the Taskforce stand in the way of an attack no one anticipates, a grand deception that will wreak unthinkable chaos and reverberate throughout the Western world.

Exit Fee Brad Taylor, 2019-10-29 “Taylor is one of today’s premiere authors writing about the world of special ops.” —Associated Press Former Special Forces officer Brad Taylor’s thrilling new novella sets Pike Logan and Jennifer Cahill against a Serbian gang that makes the mistake of kidnapping someone they both hold dear. Pike Logan and Jennifer Cahill are no strangers to international conflict, but this time they’re facing a threat much closer to home. Amena, the young Syrian refugee they have taken into their care, is having trouble settling into her new life in South Carolina. As they all struggle to figure out the bounds of their new life, a fight with Pike sends Amena running to the streets of Charleston, where she befriends a girl and her Serbian guardian who may not be as harmless as they seem. Pike, wild with worry over Amena’s disappearance, makes it his mission to bring her home safely, but she is in much more danger than they realize. To make matters worse, classified nuclear information may also be on the line. While Pike is on the warpath, Amena learns of the Serbian’s true nature and the terrible ‘exit fee’ he exacts from girls who don’t play by his rules. Now it’s up to Pike to find her— but the risk will be much higher than he imagines. Includes an excerpt from Brad Taylor’s upcoming Pike Logan thriller, *Hunter Killer*.

Brad Taylor Pike Logan Books In Order Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you

can explore and download free Brad Taylor Pike Logan Books In Order PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it

possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Brad Taylor Pike Logan Books In Order PDF books and manuals

is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Brad Taylor Pike Logan Books In Order free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Brad Taylor Pike Logan Books In Order Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader

engagement and providing a more immersive learning experience. Brad Taylor Pike Logan Books In Order is one of the best book in our library for free trial. We provide copy of Brad Taylor Pike Logan Books In Order in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Brad Taylor Pike Logan Books In Order. Where to download Brad Taylor Pike Logan Books In Order online for free? Are you looking for Brad Taylor Pike Logan Books In Order PDF? This is definitely going to save you time and cash in something you should think about.
