**What Do You Call Him? Unveiling 160 Names of God** Shavonne R. Ruffin,2021-11-12 Our God is beyond a one-name moniker. Identifying an unidentifiable God seems to be an improbable challenge as to who can describe a God that goes beyond description. Limiting God to a few names does not negate his power, but it does limit the power we allow him to have in our lives. What Do You Call Him? Unveiling 160 Names of God will unleash this power from knowing about him to having a relationship with him. Unfortunately, we lack knowledge of God not because of an unwillingness to learn but because of the limits that we place on his name. Learning more about the names of God allows for a transition from knowing about him to making him known. This book aims to give biblical accounts behind the meaning of 160 names of God, Jesus Christ, and the Holy Spirit to help close the gap on some of the mysteries of God and truly determine what we call him.

*Semantics and Poetics of the Righteous and the Wicked in the Psalms* Kevin Foth,2024-12-15 In *Semantics and Poetics of the Righteous and the Wicked in the Psalms*, Kevin Foth delves into the nuanced roles of the righteous and the wicked and explores their significance beyond conventional moral prototypes. The study argues that the figures of the righteous and the wicked should be considered as part of the conventions of Hebrew psalmody. By leveraging insights from lexical semantics of the terms ?????? and ????? throughout the Hebrew Bible, the study broadens the understanding of these terms in their multifaceted uses within poetic contexts. The analysis further employs narratological theories about character and characterization to elucidate how the contrast between the righteous and wicked functions within 18 individual psalms. By focusing on the specific contexts within psalms and embracing poetic diversity, this study enriches the understanding of how these figures contribute to the literary features and theological messages woven throughout the Book of Psalms.

**Restoration of All Things!** Jennifer E. Sanders,2010-03-03 Restoration of All Things discusses the importance of

genuine relationship with the true and living God. As a result, He has promised to give us abundant life and bring us into a state of wholeness in everything. The world system is bankrupt and does not offer temporary or eternal security. Complete peace and security can only be found in the Kingdom of God. As you transition from the failing system of the world, you discover a new existence. You will come face-to-face with who you are, your secrets, your strengths, and weaknesses. You will be compelled to believe in a more joyful, exciting life as you place complete reliance upon your creator, God. You will view God from different perspectives, highlighting His love for mankind. It is not His will that anyone should perish, be broken, hurt, or damaged, but He desires to restore every wall which has been ruined. I lovingly invite you into His presence, love, peace, and joy – for it is who He is and God is love!

**Faith Alone---The Doctrine of Justification** Thomas R. Schreiner, 2015-09-15 Renowned biblical scholar Thomas Schreiner looks at the historical and biblical roots of the doctrine of justification and offers an updated defense of this pillar of Reformed theology. Reinvigorating one of the five great declarations of the Reformation—sola fide—Schreiner: Summarizes the history of the doctrine, looking at the early church and the writings of several of the Reformers. Walks readers through an examination of the key biblical texts in the Old and New Testament that support the Reformed understanding of justification. Discusses whether justification is transformative or forensic and introduces readers to some of the contemporary challenges to the Reformation teaching of sola fide, with particular attention to the new perspective on Paul. Five hundred years after the Reformation, the doctrine of justification by faith alone still needs to be understood and

proclaimed. In Faith Alone you will learn how the rallying cry of “sola fide” is rooted in the Scriptures and how to understand this doctrine in a fresh way. —THE FIVE SOLAS— Historians and theologians have long recognized that at the heart of the sixteenth-century Protestant Reformation were five declarations, often referred to as the solas. These five statements summarize much of what the Reformation was about, and they distinguish Protestantism from other expressions of the Christian faith: that they place ultimate and final authority in the Scriptures, acknowledge the work of Christ alone as sufficient for redemption, recognize that salvation is by grace alone through faith alone, and seek to do all things for God’s glory. The Five Solas Series is more than a simple rehashing of these statements, but instead expounds upon the biblical reasoning behind them, leading to a more profound theological vision of our lives and callings as Christians and churches.
