Summary of Harville Hendrix's *Getting the Love You Want* Everest Media, 2022-03-23T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 When couples come to me for relationship therapy, I ask them how they met. Some people fall in love with such intensity, while others ease into a love relationship with a levelheaded friendship. #2 The exchange theory of mate selection says that we select mates who are more or less our equals. We size each other up as coolly as business executives contemplating a merger, noting each other's physical appeal, financial status, and social rank. #3 The three theories of romantic attraction explain why we have such different experiences with

love, and why we tend to only be attracted to a few people. They suggest that we select a mate who will enhance our self-esteem, and that we should be attracted to people who are similar to us. #4 We all have a tendency to seek a partner with a specific set of positive and negative personality traits. We are compulsively searching for a mate with those traits, and if we don't find them, we will seek them in someone new.

In Depth Psychology this is an unconscious as well as alchemical reaction that is understood as part of psychic projective phenomena of affinity, where a constellated chemistry between two individuals is ignited. This phenomenon was understood by Jung mythically as the unio Mystica, or the union of opposites. This presentation will share how Jung illustrated this psychological understanding of the transference phenomena in alchemical symbolism and illustrations taken from the 16th-century alchemical text, Rosarium Philosophorum. He utilized these illustrations to show the connections that exist between the transformative process shared by alchemy and an analogous transformative process that he discovered in the psychic growth of an individual.

An Exploration of Two Couples Workshop Approaches, 2011 The purpose of this project is to examine, compare, and evaluate two differing approaches to couples' workshops. Chapter 1 will use one couple's story to illustrate the epidemic of romantic relationship/marriage dissolution. Chapter 2, the literature review, will introduce two workshop approaches by Harville Hendrix and John Gottman. This chapter presents literature that supports the workshops and highlights couples' therapy research. Chapter 3 will review each workshop separately with respect to their goals, structure, and how they express underlying ideas. Also, a comparison and evaluation will be provided for both. Chapter 4 will follow with a summative evaluation of my learning experiences as a person, student, and professional. Finally, chapter 5 will discuss the limitations of the workshops and will propose ideas for future analysis.

Your Soul's Partner Ra Heter, Aakhu Mu Skher, 2017-08-04 Your soul left the Universe Soul to experience life on Earth. Your soul came to Earth this time to fulfill a purpose and learn lessons so that you can continue to evolve spiritually. Your soul's partner is the person to help you on this journey. Your Soul's Partner is a book on healing and awakening practices to help you attract a partner for this life, sustain a relationship with him or her, and evolve spirituality. This work first outlines the seven aspects of the self and how they are connected to the seven chakras, the role of the physical, emotional, mental, and spiritual communities in shaping who we are, and how early experiences with love shape how we love and continue to evolve. It explains how such experiences cause energetic wounds that leak or block vital force and limits our abilities to love openly and freely and evolve spiritually. It then outlines energy modalities that can be used for healing; sounds, colors, scents, etc., and includes attunements to boost healing and awakening. This book also provides practical guidelines for dating and choosing a partner, communication and conflict resolution, and using Tantra and Traditional Chinese Medicine (TCM) energy practices for sexual health and bliss. In addition, it includes seven steps to healing and awakening and guidelines for couples, including those who are married, to utilize the Tree of Life as a tool to climb the stairway to heaven and has exercises at the end of each chapter to facilitate healing, awakening and spiritual evolvment. Ultimately, Your Soul's Partner is a self-help guide that combines ancient spiritual tools with energy healing practices to help you attract your soul's partner for this life, and if you are already in a relationship or married, to help you continue your journey's toward spiritual evolvment, enjoy a relationship of bliss, and find heaven on Earth.
