## Oral History Association

The Odyssey of Texas Ranger James Callahan Joseph Luther, 2017-04-17 James Callahan entered Texas armed, a quixotic young man enlisted in the Georgia Battalion for the cause of independence. He barely survived the 1836 Battle of Refugio and the Goliad Massacre. Undaunted by the perils of his adopted home, he remained in the line of fire for the next twenty-one years, fighting to protect Texas settlers from Apaches, Comanches, Seminoles, Kickapoos, outlaws, mavericks and the Mexican army. As a Texas Ranger, he rode with the legendary men of Seguin and San Antonio. In 1855, he commanded the punitive expedition into Mexico that bears his name, a fiasco that has been shrouded by mystery and shadowed by controversy ever since. In this first-ever biography, Joseph Luther traces the tragic course of the wayfarer who crossed so much of the Texas frontier and created so much of its story.

*The Texas Revolution and the U.S.-Mexican War* Paul Calore, 2014-04-04 This narrative history describes the events preceding, and the prosecution of, the Texas Revolution and the U.S.-Mexican War. It begins with the introduction of the empresario system in Mexico in 1823, a system of land distribution to American farmers and ranchers in an attempt to strengthen the postwar economy following Mexico's independence from Spain. Once welcomed as fellow countrymen, the new settlers, homesteading on land destined to be called Texas, were viewed as enemies when in 1835 they revolted against the government's harsh Centralist rulings. Winning independence from Mexico and recognition from the United States as the independent Republic of Texas only intensified the Mexican refusal to accept their loss of Texas as legitimate. The final straw for both sides came when Texas was granted U.S. statehood and 11 American soldiers were ambushed and murdered. As a result, Congress declared war on Mexico, a bloody conflict that resulted in the U.S. gain of 525,000 square miles.

**Texian Exodus** Stephen L. Hardin, 2025-01-14 A narrative account of the evacuation of the Texians in 1836, which was redeemed by the defeat of the Mexican army and the creation of the Republic of Texas. Two events in Texas history shine so brightly that they can be almost blinding: the stand at the Alamo and the redemption at San Jacinto, where General Sam Houston's volunteers won the decisive battle of the Texas Revolution. But these milestones came amid a less obviously heroic episode now studiously forgotten—the refugee crisis known as the Runaway Scrape. Propulsive, lyrical, and richly illustrated, *Texian Exodus* transports us to the frigid, sodden spring of 1836, when thousands of Texians—Anglo-American settlers—fled eastward for the United States in fear of Antonio López de Santa Anna's advancing Mexican army. Leading Texas historian

Stephen L. Hardin draws on the accounts of the Runaways themselves to relate a tale of high stakes and great sorrow. While Houston tried to build a force that could defeat Santa Anna, the evacuees suffered incalculable pain and suffering. Yet dignity and community were not among the losses. If many of the stories are indeed tragic, the experience as a whole was no tragedy; survivors regarded the Runaway Scrape as their finest hour, an ordeal met with cooperation and courage. For Hardin, such qualities still define the Texas character. That it was forged in retreat as well as in battle makes the Runaway Scrape essential Texas history.

A Man from Corpus Christi A. C. Peirce, 2008-06 In 1887 a Boston physician comes to Texas for some bird hunting for ornithological purposes. He finds the perfect guide in John M. Priour, who leads his Yankee friend on a 400-mile trek through bramble, bog, forest, mud, and more mud. When he returns to Boston, Dr. Peirce details his misadventures in Texas.

**Texas Indian Troubles** Hilory G. Bedford, 2010-11

**Directory of History Departments, Historical Organizations, and Historians**, 2007

**The 254** Zachary Taylor Fulmore, 2012-09-01 First published in book form in 1915 under the title 'The history and geography of Texas as told in county names. New material copyrighted 2012.

**Why I Hate Texas: A Insider's Guide to Everything Wrong with the Lone Star State** Michelle M. Haas, 2019-08-10 A Texas historian looks at all of the shortcomings in her state's history and culture. From God to cowboy culture to the vaunted Alamo, not a hair on the Texas hide has been spared in this scathing critique. (It is also worth nothing that other than the introduction, the book is entirely blank.)

California, 1989

**Settlement Ecology of the Ancient Americas** Lucas C. Kellett, Eric Jones, 2016-10-04 In this exciting new volume several leading researchers use settlement ecology, an emerging approach to the study of archaeological settlements, to examine the spatial arrangement of prehistoric settlement patterns across the Americas. Positioned at the intersection of geography, human ecology, anthropology, economics and archaeology, this diverse collection showcases successful applications of the settlement ecology approach in archaeological studies and also discusses associated techniques such as GIS, remote sensing and statistical and modeling applications. Using these methodological advancements the contributors investigate the specific social, cultural and environmental factors which mediated the placement and arrangement of different sites. Of particular relevance to scholars of landscape and settlement archaeology, Settlement Ecology of the Ancient Americas provides fresh insights not only into past societies, but also present and future populations in a rapidly changing world.

**Guns of Texas** Carroll C. Holloway, 2014-04-02

**Newell's History of the Texas Revolution** Chester Newell, 2015-05-27 The earliest history of the Texas Revolution,

penned by Rev. Chester Newell, who traveled to Texas to gather firsthand information on how the Republic was taking shape. Gleaned from interviews with Houston, Lamar, Rusk and other key figures in Texas history, Newell gives a full and readable account of the formation of the Republic of Texas, from Mexico's independence won from Spain through Texas' independence won from Mexico.
