The Dragon Queen and the Two Princes V. M. Cokanasiga,2012-10-16 The mystery of the beginning of evil has been a mystery that haunts every living soul in every planet wherever life exists. Different living planets torn by mysterious acts of unknown evil happen to be the headline of every questioning souls whether mortal or immortal. One can only imagine the devastation that would have flooded through innocent living creatures when something called evil spreads its degenerative influences over everything it touched or is exposed to and in a moment all that was perfect fell crumbling without explanations. How it all started and what would have triggered such a painful consequence, one can only wish that these would have never been. The Dragon Queen and the Two Princes, is a book that was written to bring into light some of the most fascinating breathtaking facts of what might have been the cause of all these calamities and who or what might be responsible for all confusion that has all galaxies hang in fear under its shadows. In this book, the author takes you with him right back in time and be part of a world full of life and vibrancy, a world where your eyes never tire nor would your strength drained even though you have your whole millennium occupied with all kinds of activity. But as you watch you begin to see a very mysterious dark shadow crawling the surface of your world lurking into every creatures and as it passed, you realized that everything it touched falls paralyzed to its vibes and what frustrates most is that no one could explain what it was. While you still contemplating, you begin to see the beauty becomes dull and ugly, the strong falls weak and faints and the wise becomes foolish and then you fall a prey as well while you still standing. You heard the mysterious noise of what we now call crying and saw the many beautiful faces stretched with all sorts of emotions then for the first time you feel this strange emotion of anxiety and then fear. Then suddenly your heart begins to hurt so much but you dont know what was happening. Come with me now and see it for yourself..

The Dragon Queen of Ashryn McCaffrey Blackwood,2025-10-13 She was fire. He was fate. Together, they burned the

world. When the heavens cracked open and the last Dragon Queen descended upon the world of men, fire became prophecy-and destiny became her curse. I was never meant to be chosen. Born an outcast, I lived my life in shadows-unseen, unwanted, unloved. But when the Dragon Queen of Ashryn claimed me as her vessel, everything I thought I knew about power, loyalty, and love turned to ash. She is an immortal flame-ancient, ruthless, and heartbreakingly beautiful. I am only human. Yet between us burns a bond that defies gods and kings alike. Her touch is fire. Her words are law. And her heart... may be the end of us all. As kingdoms crumble and empires bleed, I am thrust into a war of wings and whispers-a battle between light and shadow, passion and duty. Beneath the crimson skies of Ashryn, dragons are not myths... they are rulers, and love is the most dangerous weapon of all. But when desire becomes destiny, and fate demands sacrifice, the question remains: Will I rise beside her-or burn beneath her reign?
