Brendan G. Carr

The Woman Who Would Be King Debrah Miceli,2023-03-28 Through four decades of entertaining, in the wrestling ring and on the monster truck circuit, Debrah “Madusa” Miceli never could sit still. But her desire to learn, grow, and inspire legions of followers masked deep secrets ... Her upbringing was a lie from the start, and the dark truths of her childhood, revealed here for the first time, are the earliest examples of Debrah’s determination to persevere. Professional wrestling may have been an odd choice for a nursing student, but Madusa went all-in, toughening up in Japan before conquering WWE as Alundra Blayze. She held the WWE Women’s belt ... until being fired. In the rival WCW, Madusa infamously tossed the WWE belt in the garbage on live TV. Then, in 1999, Madusa changed lanes and revolutionized the monster truck world. At meet-and-greets, girls in pink “Queen of Carnage” t-shirts would wait alongside ogling fanboys. By 2004, she was the world champion in a sport dominated by men. Only one thing has eluded her: motherhood. This is the spellbinding story of how one woman survived child abuse, financial disaster, death-defying injuries, heartbreak, and chaos to emerge triumphant.

Sacred Strands: The Story of a Redeemer Woven Through History Lois Clymer,2021-02-08 Christianity did not begin in Bethlehem. The sacred promise of a redeemer was known to ancient people. We can find it written not only in Genesis of the Bible but also in the early constellations and myths of ancient people. We also find it among artifacts and early worship practices. We can see that Christianity was not borrowed from pagan myths and mysteries, but rather those myths and mysteries contain a knowledge (though imperfect) of a redeemer known from the earliest ages. This knowledge has flowed from the very beginning of history.

Rape Culture Michelle Denton,2017-12-15 Rape culture is the normalization of sexual assault and degradation of victims. Things such as catcalls and explicit song lyrics may seem harmless, but they contribute to an atmosphere where people, particularly women, are regarded as objects. This makes it easier for rapists to justify their actions to themselves. Readers are introduced to these and other crucial points about this important social issue and the rising level of awareness surrounding it. Relatable text, discussion questions, and informative fact boxes teach young adults what rape culture is and how they can fight it to make society safer for everyone.

Initiated Amanda Yates Garcia, 2019-10-22 Smoke Gets in Your Eyes meets Women Who Run With The Wolves in this gorgeously written, fierce, political, personal, and deeply inspiring (Michelle Tea) memoir about finding meaning, beauty, and power through a life in witchcraft. An initiation signals a beginning: a door opens and you step through. Traditional Wiccan initiates are usually brought into the craft through a ceremony with a High Priestess. But even though Amanda Yates Garcia's mother, a practicing witch herself, initiated her into the earth-centered practice of witchcraft when she was 13 years old, Amanda's real life as a witch only began when she underwent a series of spontaneous initiations of her own. Descending into the underworlds of poverty, sex work, and misogyny, *Initiated* describes Amanda's journey to return to her body, harness her power, and create the magical world she longed for through witchcraft. Hailed by crows, seduced by magicians, and haunted by ancestors broken beneath the wheels of patriarchy, Amanda's quest for self-discovery and empowerment is a deep exploration of a modern witch's trials - healing ancient wounds, chafing against cultural expectations, creating intimacy - all while on a mission to re-enchant the world. Peppered with mythology, tales of the goddesses and magical women throughout history, *Initiated* stands squarely at the intersection of witchcraft and feminism. With generosity and heart, this book speaks to the question: is it possible to live a life of beauty and integrity in a world that feels like it's dying? Declaring oneself a witch and practicing magic has everything to do with claiming authority and power for oneself, of taking back our planet in the name of Love. *Initiated* is both memoir and manifesto calling the magical people of the world to take up their wands: stand up, be brave, describe the world they want, then create it like a witch.
