*The Divine Trials: Surviving In A Community Of Predators* Sonia Fiesco, 2024-08-29 The way you were raised and educated has a lot to do with the kind of person you become in your adulthood, the kind of partner we choose, our insecurities, our fears. We decide what role we are going to play in life, if we are going to be victims of what happens to us, or if we are going to use it to transform our lives. But at the end of the day, no matter what life throws at you, we can be alchemists to transform everything bad into something positive, see each person who crosses our path as a teacher who came to teach us the wounds we had unresolved, let's be grateful for each experience and enjoy the journey of life.

Forest of Desire (The Alchemist Book #2) Vasily Mahanenko, 2020-06 Is there anything better than a quiet life? Well, there's a quiet life surrounded by people you care about, people who love you in return, of course. But Tailyn Vlashich knew

nothing of the kind. His parents had died years before, the townspeople stayed well away from the god's favorite, and his guardian just wanted to be rid of him. That was the setting when Tailyn was again placed on the road to uncertainty, beset by terrifying lixes, and hounded by a harsh trainer it was impossible to please. All he can do is bear up and keep pushing forward in the hopes that his wishes will be granted. As legend has it, somewhere ahead lies the Forest of Desire, a place capable of bringing to life one's every wish. For example, returning Valia Levor, Tailyn's betrothed, who was kidnapped. Oh, and does anyone know why Forian Tarn still isn't back from his trip?

**Tartila Mine (The Alchemist Book #5)** Vasily Mahanenko, 2021-05-07 What are you supposed to do when the whole world joins forces against you? Give up, find some hole to duck into, and beg for your life to be spared? But even despite how obvious the answer to that question might be, many an adult had been dashed on the rocks twelve-year-old Tailyn Vlashich was supposed to climb. Ahead of him lay a secret laboratory belonging to the ancients; behind was a horde headed by his sworn enemy. But through it all, Tailyn had those who loved him, those who believed in him, and that support was enough to carry him to the ends of the earth. There was just one question left to answer: who was the Absorber? And what did he want with Tailyn?

**The Alchemist (Annotated)** Ben Jonson, 2020-02-18 Differentiated book- It has a historical context with research of the time- An outbreak of plague in London forces the gentleman Don Agudo to flee temporarily to the countryside, leaving his house in charge of his servant, Jeremiah. He takes advantage of the situation to use the house as a place to commit misdeeds, calling himself Captain Cara and using Sutil, a scammer, and Dol Ramplona, a prostitute. His first client is Gallardo, the secretary of a lawyer, who wants Sutil to use his supposed necromantic powers to invoke a spirit that helps him in his bets. The second victim is Droguis, a tobacco seller who wants to start a profitable business. After this, comes a wealthy nobleman, Sir Epicurus Mammon, who wants to get the philosopher's stone for himself because he believes it will bring him great material and spiritual wealth. He is accompanied by Frowning, a skeptic who discredits the idea of alchemy, who suspects that Sutil is a thief. Mammon, by chance, sees Dol for what they say is the insane sister of a nobleman. For his part, Sutil manages to get mad at Ananias, an Anabaptist, and demands that he return with a member of greater rank in his sect, such as Tribulation. Droguis returns and receives false advice about how to set up his business. It also brings the news that a young and rich widow (lady Docil) and her brother Mochete have arrived in London. At that moment, Sutil and Cara, blinded by greed and ambition, go out in their search to win over the widow. Later, the Anabaptists return and agree to pay for the goods, which are actually Mammon's, to turn them into gold. Droguis takes Mochete there, who upon learning that Sutil is a talented matchmaker, rushes to bring his sister; while Droguis is implied that with a good payment he could secure his wedding with the widow. Mammon knows Dol and, although he had been told that she was the sister of a nobleman who had gone crazy, this does not throw him back and, therefore, makes him compliments of the most extravagant.
