The Good Sister Diana Diamond,2003-07-13 What begins as a rivalry between sisters becomes a chilling novel of psychological suspense in which one woman is forced to defend herself from a terrifying killer in league with her sister. A Reading with Ripa(Book Club selection. Martin's Press.

The Summary ,1908

The Good Sister Sally Hepworth,2020-10-27 From the New York Times bestselling author of The Younger Wife and The Mother-in-Law with new novel Darling Girls out now. Fern Castle works in her local library. She has dinner with her twin sister Rose three nights a week. And she avoids crowds, bright lights and loud noises as much as possible. Fern has a carefully structured life and disrupting her routine can be ... dangerous. When Rose discovers that she cannot fall pregnant, Fern sees her chance to pay her sister back for everything Rose has done for her. Fern can have a baby for Rose. She just needs to find a father. Simple. Fern's mission will shake the foundations of the life she has carefully built for herself and stir up dark secrets from the past, in this quirky, rich and shocking story of unexpected love. WINNER OF THE DAVITT AWARD FOR ADULT FICTION 2021 PRAISE FOR THE GOOD SISTER 'An exceptional observer of people and their relationships' Graeme Simsion, bestselling author of The Rosie Project 'excellent on a number of fronts: characterisation, setting, structure and pacing are all done with care and skill' - The Age 'This novel is excellent on a number of fronts: characterisation, setting,

structure and pacing are all done with care and skill' Sydney Morning Herald 'A great read. It's laugh out loud funny. It's as unpredictable as it is heartwarming. If you enjoyed Eleanor Oliphant is Completely Fine, you will find it hard to put down' Herald Sun

The Codex Amiatinus and its “Sister” Bibles: Scripture, Liturgy, and Art in the Milieu of the Venerable Bede

Celia Chazelle, 2019-03-27 The Codex Amiatinus and its “Sister” Bibles examines the full Bibles (Bibles containing every scriptural text that producers deemed canonical) made at the northern English monastery of Wearmouth-Jarrow under Abbot Ceolfrith (d. 716) and the Venerable Bede (d. 735), and the religious, cultural, and intellectual circumstances of their production. The key manuscript witness of this monastery’s Bible-making enterprise is the Codex Amiatinus, a massive illustrated volume sent toward Rome in June 716, as a gift to St. Peter. Amiatinus is the oldest extant, largely intact Latin full Bible. Its survival is the critical reason that Ceolfrith’s Wearmouth-Jarrow has long been recognized as a pivotal center in the evolution of the design, structure, and contents of medieval biblical codices. See inside the book.

The Annual Summaries for a Quarter of a Century (1851-1875) Times The, 1876

An Analysis and Summary of New Testament History ... James Talboys Wheeler, 1871

A brief argument against the present law affecting marriage with a deceased wife's sister P. Fitzgerald, 1853

Reading the Wife/Sister Narratives in Genesis Hwagu Kang, 2018-10-31 The book of Genesis introduces three similar wife/sister narratives, commonly thought to be originating from different sources because of their repetitive entries. This research explores the wife/sister narratives in Genesis (Gen 12:10-13:1, 20:1-18, and 26:1-11), and it aims to provide an understanding of the three stories as a whole by uncovering its context by textlinguistic and literary type-scene analysis. Textlinguistic analysis helps us to see how each wife/sister narrative functions in its context, while type-scene analysis emphasizes how the three narratives develop and contribute to the patriarchal narratives through their similarities and variations. Although the traditional type-scene analysis studies recurrent fixed motives in texts, this study focuses much more on literary aspects such as characterization, theme, and plot. Through this study, the three wife/sister stories will elaborate that the patriarchal narratives are not results of different authors, but the well-developed products of a single author. The three wife/sister stories work together to highlight God’s faithfulness to his promises (Gen 12:1-3).

The Pioneers of Psychoanalysis in South America Nydia Lisman-Pieczanski, Alberto Pieczanski, 2014-09-19 Shortly before and during World War II many European psychoanalysts found refuge in South America, concentrated in Buenos Aires. Here, together with local professionals, they created a strong, creative and productive psychoanalytic movement that in turn gave birth to theoretical and clinical contributions that transformed psychoanalysis, psychology, medicine and culture in South America. The Pioneers of Psychoanalysis in South America is a collection of those pioneers’ papers, and introduces the reader to a body of ideas and advancements, many of which have had limited and piecemeal exposure within the

psychoanalytic community in the rest of the world until now. The editors Nydia Lisman-Pieczanski and Alberto Pieczanski present original papers and essays, many of which have never before been published in English; those that have been translated were rarely presented in context. Each one of the chapters is accompanied by a scholarly introduction written by psychoanalysts, many of whom personally knew the pioneers and their oeuvres in depth, tracing the roots of their ideas in the European analytic schools. The *Pioneers of Psychoanalysis in South America* is divided into six main sections: Psychoanalytic process Psychoanalytic technique Metapsychology Psychoanalysis of children Culture and society Psychosomatic medicine. Nydia Lisman-Pieczanski and Alberto Pieczanski provide a coherent guide to the seminal ideas and practices of the South American psychoanalysts who have made major theoretical and clinical contributions to the advancement of the psychoanalytic discipline. The chapters present the material in a way that is accessible to psychoanalysts from across the globe and will enable them to incorporate the ideas and practices outlined here into their everyday psychoanalytic work. It will also be of interest to psychoanalytic psychotherapists, academics interested in the history and development of psychoanalytic ideas and psychoanalysis, and advanced students. The following link leads to an video interview featuring Nydia Lisman-Pieczanski and Alberto Pieczanski by the Washington Center for Psychoanalysis for the History Project, where they open up about their stories, their marriage, and their new book: <https://www.routledge.com/posts/8996>

Diversity and the Common Good Meg Wilkes Karraker, 2013-07-11 *Diversity and the Common Good: Civil Society, Religion, and Catholic Sisters in a Small City* examines how Catholic Sisters and their congregations have been critical nodes in religious and civil networks, investing their social capital to address one of the most pressing issues facing American communities today: diversity. “Bluffton,” situated in America's heartland, is revealed as a community that has confronted racism of the ugliest kind and chosen to work toward a good society for its citizens, driven by the concerted efforts of its Catholic Sisters and highly committed civic and religious actors. Blending quantitative and qualitative data collected over three years and scholarship on civil society, Meg Wilkes Karraker's narrative style engages scholars from sociology, political science, public administration, and religious, but also speaks to community leaders and citizens seeking to understand how they can act on behalf of the common good in their own communities. Notably, *Diversity and the Common Good* tells the story of a community that “works!” Given recent criticisms of American Sisters by the Vatican, this story of the great good done by Sisters must be told now.
