The Love That Split the World Emily Henry, 2017-01-10 Bright lights, a Kentucky night, and football stars taking the field on the eve of high school graduation. Ivy-bound Natalie Cleary can't wait to trade pep rallies for poetry readings in the fall, but tonight, surrounded by her childhood friends and

The Love That Split the World Emily Henry, 2017-01-10 At the beginning of her last summer in Kentucky before leaving for college, Natalie is once again visited by the apparition she calls Grandmother and meets a new boy, Beau, who changes her life.

A Million Junes Emily Henry, 2018-05-15 A beautiful, lyrical, and achingly brilliant story about love, grief, and family. Henry's writing will leave you breathless. —BuzzFeed Romeo and Juliet meets One Hundred Years of Solitude in Emily Henry's brilliant follow-up to *The Love That Split the World*, about the daughter and son of two long-feuding families who fall in love while trying to uncover the truth about the strange magic and harrowing curse that has plagued their bloodlines for generations. In their hometown of Five Fingers, Michigan, the O'Donnells and the Angerts have mythic legacies. But for all the tall tales they weave, both founding families are tight-lipped about what caused the century-old rift between them, except to say it began with a cherry tree. Eighteen-year-old Jack "June" O'Donnell doesn't need a better reason than that. She's an O'Donnell to her core, just like her late father was, and O'Donnells stay away from Angerts. Period. But when Saul Angert, the son of June's father's mortal enemy, returns to town after three mysterious years away, June can't seem to avoid him. Soon the unthinkable happens: She finds she doesn't exactly hate the gruff, sarcastic boy she was born to loathe. Saul's arrival sparks a chain reaction, and as the magic, ghosts, and coywolves of Five Fingers conspire to reveal the truth about the dark moment that started the feud, June must question everything she knows about her family and the father she adored. And she must decide whether it's finally time for her—and all of the O'Donnells before her—to let go.

Great Big Beautiful Life Emily Henry, 2025-05-28 Two writers compete for the chance to tell the larger-than-life story of a woman with more than a couple of plot twists up her sleeve in this dazzling and sweeping new novel from Emily Henry. Alice Scott is an eternal optimist still dreaming of her big writing break. Hayden Anderson is a Pulitzer-prize winning human thundercloud. And they're both on balmy Little Crescent Island for the same reason: To write the biography of a woman no one has seen in years--or at least to meet with the octogenarian who claims to be the Margaret Ives. Tragic heiress, former

tabloid princess, and daughter of one of the most storied (and scandalous) families of the 20th Century. When Margaret invites them both for a one-month trial period, after which she'll choose the person who'll tell her story, there are three things keeping Alice's head in the game. One: Alice genuinely likes people, which means people usually like Alice--and she has a whole month to win the legendary woman over. Two: She's ready for this job and the chance to impress her perennially unimpressed family with a Serious Publication. Three: Hayden Anderson, who should have no reason to be concerned about losing this book, is glowering at her in a shaken-to-the core way that suggests he sees her as competition. But the problem is, Margaret is only giving each of them pieces of her story. Pieces they can't swap to put together because of an ironclad NDA and an inconvenient yearning pulsing between them every time they're in the same room. And it's becoming abundantly clear that their story--just like the tale Margaret's spinning--could be a mystery, tragedy, or love ballad...depending on who's telling it.

Hello Girls Brittany Cavallaro,Emily Henry,2019-08-06 Thelma and Louise gets remade in this powerful, darkly funny novel from acclaimed authors Brittany Cavallaro and Emily Henry. When Winona and Lucille have had enough of the controlling men in their lives, they take their rage on the road to make a new life for themselves. Winona has been starving for life in the seemingly perfect home that she shares with her seemingly perfect father, celebrity weatherman Stormy Olsen. No one knows that he locks the pantry door to control her eating and leaves bruises where no one can see them. Lucille has been suffocating beneath the needs of her mother and her drug-dealing brother, wondering if there's more out there for her

than disappearing waitress tips and a lifetime of barely getting by. One harrowing night, Winona and Lucille realize they can't wait until graduation to start their new lives. They need out. Now. One hour later, they're armed with a plan that will take them from their small Michigan town to Chicago. All they need is three grand, fast. And really, a stolen convertible can't hurt. Chased by the oppression, toxicity, and powerlessness that has held them down, Winona and Lucille must reclaim their strength if they are going to make their daring escape—and get away with it. Brittany Cavallaro is the author of the New York Times bestselling Charlotte Holmes series. Emily Henry is the #1 New York Times bestselling author of Book Lovers, People We Meet on Vacation and Beach Read. Together, they have created a razor-sharp union of sidesplitting dark comedy, fierce feminism, and poignant friendship, paced like an Alfa-Romeo at full throttle, and written in gleaming, perfect, gut-punch sentences.” (Jeff Zentner, Morris Award-winning author of The Serpent King)
