

Big Tits And Ass

N Noddings

Why We Suck Denis Leary, 2008 The four-time Emmy-nominated comic satirist of *Rescue Me* presents irreverent cultural observations about how society is taking itself too seriously, in an account that shares anecdotes from his Irish-Catholic upbringing, high-pressure family life, and work as a performing artist. 200,000 first printing.

More Plays from Off-Off Broadway Michael Townsend Smith, 1972

Rhetoric of Masculinity Donnalyn Pompper, 2022-01-31 *Rhetoric of Masculinity: Male Body Image, Media, and Gender Role Stress/Conflict* lends depth and global nuance to discourse associated with the masculinity concept as it brings to bear on males' self-image, role in society, media representations of them, and the gender role stress/conflict experienced when they fail to measure up to social standards associated with what it means to be manly. Even though the concept of masculine gender role stress/conflict has received substantial scholarly attention in psychology, social learning effects of masculinity as it plays out in media warrant further study given that representations offer audiences restrictive male gender roles that may contribute to toxic masculinity. Men and boys are taught to be self-sufficient, to act tough, to be muscular, heterosexual, and to use aggression to resolve conflicts. Such contexts provide restrictive images that can result in self harm and an inflexible social milieu. Scholars and students of communication, rhetoric, and gender studies will find this book particularly interesting.

Big Money Jack Getze, 2008-03 A scruffy stockbroker returns to tangle with mobsters, women and his own big mouth. The good news, as the story opens, is that the hero is in the company of a gorgeous naked lady. The bad news is that she's pointing a shotgun at him. It's a typical predicament for Austin Carr, a semi-shady New Jersey financial professional temporarily in charge of Shore Securities while his boss is on vacation. But market fluctuations are the least of Carr's worries. He's being extorted into opening a money-laundering account for local crime boss Bluefish; an auditor who was investigating his company has turned up murdered; a fetching state police captain figures he's the key to her organized-crime probe; and his boss's mother has been picked up for fixing her church bingo game. Carr is continually getting into trouble over his weakness for breasts, his penchant for self-incriminating statements and his vestigial moral sensibility,

which, like an appendix, makes itself felt at inconvenient times. On the plus side, he's got his noble Mexican buddy Luis, a boyish grin for placating angry females, an occasional glimmer of perceptiveness and a stock salesman's gift for closing the deal, even with people who are preparing to throw his weighted body into the ocean.

The Jiri Chronicles & Other Fictions Debra Di Blasi,2007 These audacious stories shine with artistic nuance and fearless emotional intensity. Tragic, lyrical, hilarious, and politically controversial, they exist in a world where fact is as strange as fiction, and fiction is often disguised as fact. The Jiri Chronicles & Other Fictions is divided into three sections, each a unique literary experiment. In Snapshots: A Genealogy in Flight, Debra Di Blasi draws inspiration from real family photographs to create a haunting portrait of successive generations of a fictionalized Midwest family. Hyperfictions features writing that is interactive and nonlinear, dissolving borders between poetry and prose, visual art and music. At the work's comic center is an invention that transgresses the boundaries of fiction and fraud. Just who is Jiri Cech? A businessman, vampire, and artist from Czechoslovakia? A website? A hoax? An American con artist whose racism and sexism, although loathsome, only heighten his allure? Or something greater or smaller than the sum of these parts? This astonishing collection challenges the stylistic and thematic boundaries of traditional literature, questioning what it means to be human--and awake--in the post-millennium.

Jokes Herbert S. Strean,1993 In the tradition of Freud's *Jokes and Their Relation to the Unconscious*, Herbert Strean has presented an incisive examination of jokes as a form of emotional communication of our deepest anxieties and most basic conflicts and impulses. He lucidly illustrates how, through the medium of jokes, we are permitted safe, if indirect, expression of our erotic and perverse wishes, our hostile and defiant attitudes toward authority, our needs to deprecate those we perceive as superior, our stake in the war of the sexes, and our gratification in depicting religious figures (and therapists) as all too humanly succumbing to the temptations of lust and avarice. The jokes Dr. Strean presents and discusses are those concerned with the basic life situations that are inevitably characterized by ambivalence and conflict. Thus they constitute

the principal material of psychotherapy.
