Zoey Draven

Desire in His Blood Zoey Draven,2022-11 We call the Kylorr demons. Monsters. Never in a million years did I expect to call one husband... I'm drowning under the weight of my father's debts. Working myself to the bone, I know that if I don't pay them off in time, the sadistic creditors will take everything: our home, our respected name, and, worst of all, my two beautiful sisters. To save my family, I agree to do something reckless: marry a wealthy and mysterious stranger, who offers me a wicked bargain I can't afford to refuse. However, his bargain comes with one terrifying catch. Because my husband-to-be is a Kylorr. One of the most fearsome alien races, the Kylorr are beastly monsters, all muscle and menace, with powerful wings, depraved cravings, and berserker-like rages. The worst part? They survive on blood. Cold and cruel, Azur of House Kaalium, the High Lord of Laras, demands me as his blood bride. To feed from me. To use my body in whatever way he wishes. But if Azur expects a demure, submissive wife, he'll be in for a rude awakening. My new husband might crave my surrender but there's one thing I'll never give him. My heart...even if he wants to shatter it into a million pieces.

Craving in His Blood Zoey Draven,2023-06-13 She's the fated mate he never wanted...and the human that will bring him to his knees. As the daughter of a traveling chef, I grew up flitting around different galaxies, immersing myself in fascinating cultures, and rubbing shoulders with socialites. Coming to Krynn was a new chapter, a permanent place to finally call home. But when tragedy strikes and I'm suddenly alone, broke, and desperate, I take work at a dyaan. An establishment where the Kylorr-blood-drinking, winged, fearsome aliens with berserker-like rages-come to feed on willing necks to satisfy their fierce hunger. That's where I meet him. Kythel of House Kaalium, the ruler of Erzos, with his mesmerizing eyes like fractured ice and a sinful voice that captivates me. We're polar opposites. I'm a hopeful optimist who always looks for silver linings. He's guarded and mistrustful, a wealthy heir to a powerful legacy, who thrives on rigid, unbending control. Yet he craves my blood with a frenzy that maddens him, and he'll stop at nothing to claim me. But when the forbidden desire between us becomes too tempting to resist, I fear it will destroy us both...especially when an impossible choice threatens to be our ruin: Duty or love?

Taken by the Horde King ZOEY. DRAVEN,2025-04-10 To save Dakkar, she must lure him to his deadly prison. Instead, she finds herself wearing his chains... As a fatal curse continues to spread over the planet of Dakkar, I make a deal with an alien witch who claims she can stop it. Her price? The heart of a horde king. Only the horde king in question is the fiercest male I've ever seen, with glowing demon eyes, a god-like body crafted in battle, and a cold, cruel grin that promises destruction. Yet when I offer myself to him, all under the premise of luring him back to the witch, his touch sets my blood on fire. His dizzying kiss makes the world spin. Instead of fear, I feel hot and unwanted desire, awakening instincts that tell me I'm his. When he discovers my ultimate betrayal, the enraged horde king vows he will take me as his prize, that I will wear his chains, and that I will serve him in whatever way he wishes. And as the dangers on Dakkar loom, I find myself craving my wicked, wicked ruin...all at the hands of a horde king I should've never crossed.

Sex in a Dream D. Amin, 2021-04-14 This book is a dream of desires and fear of the worst thing that can happen to a person, and a wonderful moment to make you want everything you can have, with a twist of love and abuse that will make one want to give up. However, it also makes you want to fight for what is rightly yours, and you will subdue anything to get it back by standing through it all and whatever a thing or person can cast your way, but it comes at a price that will change your thinking for the best or for the worst in you. Lisa endured all she could from Duncan, a hybrid vampire she came to love, knowing the difference of the two Duncans, her childhood friend and the beast, keeping the secret to herself with the hate she also carried for them. It will make you want to rethink your life for what is yours and sometimes forsake it altogether for the dark blood. In a dream, anything is possible as it is filled with things and wants that come true and the feeling of such. Duncan, her childhood friend, comes to Lisa telling her it is a dream and she could do anything she wants in it and leaves her as he wakes for the day, and Lisa sleeps and forgets what he said and becomes more of her dreams than life outside it. Duncan, her childhood friend, loved Lisa since he could understand it, seeing the twins, Kisha, the oldest, and Lisa. He loved them, but they never came together in life but played as children. As time goes on, they grow apart in the same world of school and in the neighborhood, but they never come together.
