A to Z Christian Dream Symbols Dictionary John Mark Volkots,2016-03-17 Many Christians believe we are living in both the most exciting and also the most precarious worldwide state of affairs in all of history as God is moving to bring the ages to a close. Therefore it is imperative and even critical for God's people to place themselves in a position to hear what He is speaking and directing us to do in these times. From the beginning of time, dreams have been a major way that God speaks to His people, therefore it is important for us to understand the messages in the dreams that He gives us. Because dreams and visions are filled with symbolic language it is essential to properly interpret what the symbols mean, if we are to understand the message God is communicating to us through our dreams. There are many excellent Christian teachings on dream interpretation, and rather than bring forth material that is already available, my desire instead is to place in your hands over 2400 symbols, with most of them having a multitude of meanings; to assist and train you in unlocking the mysteries of not only your dreams, but also the dreams of others. Since it is God's voice alone we want to hear and understand, we have no interest in knowing how the world that is out of touch with God interprets dream symbols. Every interpretation must be God derived; otherwise we will not be receiving the truth of what He desires us to know. For that reason, the overwhelming majority of the symbol meanings found in this book are derived from the Bible; with the remainder sourced from tested Christian dream courses, teachers, and from interpreting the dreams of Christians. God desires you to know what He is speaking to you, so be encouraged that with the help of this book, you will be able to unlock the meanings and messages of your dreams.

A to Z of Dreams and Their Meanings Gordon Cotter,2011-05-05 Synopsis of myself. Gordon Cotter...Male DOB 11: 05:

1934 in Birmingham England. In September 1939, I, and thousands of children, was evacuated from inner cities, to rural Britain, this was to escape the onset of heavy bombing by German Luftwaffe planes. As war had been declared on Germany. I was sent to a small community in Northern Scotland. There was no communication in those days. Only things we heard was from the Radio. It was put on twice a day. The local community was made up of farmers, and some of the wives went to the local Landowner as maids and cleaning staff. I was 5 years old, and it took time for me to be accepted. I went to the local schoolhouse three times a week for lessons. The rest of the time I was expected to help around the farmyard. I began to notice that a lot of women often came to the house and was taken into the parlour, sometimes I would sneak into here and watch, and listen to the women talking. After a while I got braver and just sat in a corner whilst the women were there. It began to come to me that these women were telling my Grandma about their dreams. When they were finished they gave my granda some eggs, or butter. Now I understand it was payment. As time went on I began to understand more of what granda was saying to these women. I became interested in it. I still did not know what it was about. Years past, and when I was about eleven or twelve. The was came to an end. I had settled into life in Scotland and quite enjoyed the life. It was then that I was told about me being an Evacuee, and I could return to my original home if I wanted to. I did not remember any of it so I said that I wanted to stay. (Years Later I regretted this action) I had become very close to my grandmother during this time, and she and I often talked about the dreams and she said that I, did seem to have the gift????? I had by this time began to understand just what she meant by the various talks with these women. I was eventually allowed to sit in on the talks, and sometimes I was asked for my opinion. In later life, my granda became poorly, and she showed me a lot of her private books that she had written down her musings on all of the subjects within dreams. I was asked to take over from her for the readings. When she died, I was asked if I wanted anything of hers. I asked for the books that she had written down her thoughts on the subject. I moved back to Birmingham, and the books lay in my attic for years. In 1972 I came across them and again began to get an interest in the interpretation of dreams. I got out grandma's books and decided to bring them up to date. It has taken my since then to complete them.

The Masculine Marine Steven Zeeland,2013-04-03 This exciting book was listed as #1 on The Advocate's (ital) bestseller list for December 1996! In *The Masculine Marine*, author Steven Zeeland records, for the first time ever, what active-duty Marines have to say about what it means to be a man, to be a Marine, and to desire other men. As the foremost surviving icon of traditional masculinity, Marines are often considered the opposite of "gay." Yet in contemporary gay culture, Marines are stereotyped as likely to play the passive role in sexual encounters with other men. By vividly illustrating some of the startling

ways in which gay and Marine attributes can coincide, *The Masculine Marine* uncovers the wild sexual contradictions built into military hypermasculinity. From ordinary grunts to a major who flies a combat jet, Zeeland's Marine interviewees provide thoughtful and articulate insight into aspects of this rarely documented culture, including: homoerotic bonding among Marines how gay Marines reconcile their sexual identity with the ethos of "hard" Marine supermasculinity how some Marines eroticize the pain and humiliation of Marine Corps boot camp Marines in all-male pornography male attitudes toward women in the Marine Corps hazing and institutional violence These Marines talk candidly about what motivated them to join the United States' most elite fighting force, and they reveal how becoming Marines has shaped their sexual and gender identities. For the student of gay or military studies or anyone sexually intrigued by men in uniform, *The Masculine Marine* must reading. Visit Steven Zeeland at his home page: <http://www.stevenzeeland.com>
