

Eric Thompson Motivational Speaker

Eric Thomas, PhD

You Owe You Eric Thomas, PhD, 2022-09-13 NEW YORK TIMES BESTSELLER • “Eric Thomas moves, inspires, encourages, and challenges people to reach their full potential. *You Owe You* is flat-out brilliant, and he ain’t lied yet!”—Deion Sanders, Coach Prime No matter your story or your struggle, Eric Thomas—celebrated motivational guru, educator, and problem-solver to many of the top athletes and business leaders—will “help you work harder, discover your real motivation, and crack the code of enduring success” (Ed Mylett, #1 bestselling author of *The Power of One More*) If you feel like success is for others, that only certain people get to have their dreams fulfilled, Eric Thomas’s *You Owe You* is your wake-up call. His urgent message to stop waiting for inspiration to strike and take control of your life is one he wishes someone had given him when he was a teenager—lost, homeless, failing in school, and dealing with the challenges of being a young Black man in America. Once he was able to break free from thinking of himself as a victim and truly understand his strengths, he switched the script. And now, with this book, Thomas reveals how you, too, can rewrite your life’s script. With support, he recognized that his unique gift is being able to capture the attention of all kinds of people in all kinds of settings—boardrooms, locker rooms, churches, classrooms, even the streets—thanks to his wealth of experiences and command of language. Today, Thomas considers himself blessed to speak to an audience that is as large as it is diverse, from the rich and famous to kids struggling in school to young men in prison hoping for a new start. Thomas’s secrets of success have already helped hundreds of thousands on their journey, but this is his first guide to show you how to start today, right now. These critical first steps include deeply understanding yourself and the world around you, finding your why, accepting that you may have to give up something good for something great, and constantly stretching toward your potential. No matter where you are on your journey toward greatness, you owe it to yourself to become fully, authentically you. And Eric Thomas’s *You Owe You* can help get you there.

Transnational Popular Psychology and the Global Self-Help Industry Daniel Nehring,Emmanuel Alvarado,Eric C. Hendriks,Dylan Kerrigan,2016-04-08 Self-help books aim to empower their readers and deliver happiness and personal fulfilment but do they really live up to this? This book offers a fresh perspective on self-help culture and popular psychology. Research on this subject matter has generally focused on the USA and the Global Northwest. In contrast, this book explores the production, circulation and consumption of self-help books from an innovative transnational perspective. Case studies on Trinidad, Mexico, the People's Republic of China, the UK and the USA explore the roles which self-help's therapeutic narratives of self and social relationships play in the contemporary world. In this context, the book questions the extent to which self-help fulfils its promise of individual autonomy and contentment. At the same time, it addresses debates about contemporary political change under transnational processes of cultural standardization.
