

Happy Hour By Marlowe Granados

Dawn LeMay

Happy Hour Marlowe Granados, 2021-09-07 With the verve and bite of Ottessa Moshfegh and the barbed charm of Nancy Mitford, this stunning debut about a young ingénue in the big city is “as refreshing as gin fizz . . . a wild careening joyride through a hot sultry summer in New York” (Rachel Syme, *The New Yorker*). Isa Epley, all of twenty-one years old, is already wise enough to understand that the purpose of life is the pursuit of pleasure. She arrives in New York with her newly blond best friend looking for adventure. They have little money, but that’s hardly going to stop them. By day, the girls sell clothes on a market stall, pinching pennies for their Bed-Stuy sublet and bodega lunches. By night, they weave between Brooklyn, the Upper East Side, and the Hamptons among a rotating cast of celebrities, artists, Internet entrepreneurs, stuffy intellectuals, and bad-mannered grifters. Resources run ever tighter and the strain tests their friendship as they try to convert social capital into something more lasting than precarious gigs as au pairs, nightclub hostesses, paid audience members, and aspiring foot fetish models. Through it all, Isa’s bold, beguiling voice captures the precise thrill of cultivating a life of glamour and intrigue as she juggles paying her dues with skipping out on the bill. *Happy Hour* is a novel about getting by and having fun in a system that wants you to do neither.

Happy Hour Marlowe Granados, 2020

Happy Hour Marlowe Granados, 2024-04-15

Happy Hour Marlowe Granados, 2021-09-07 With the verve and bite of Ottessa Moshfegh and the barbed charm of Nancy Mitford, Marlowe Granados's stunning debut brilliantly captures a summer of striving in New York City. Refreshing and wry in equal measure, *Happy Hour* is an intoxicating novel of youth well spent. Isa Epley is all of twenty-one years old, and already wise enough to understand that the purpose of life is the pursuit of pleasure. She arrives in New York City for a summer of adventure with her best friend, one newly blond Gala Novak. They have little money, but that's hardly going to stop them from having a good time. In her diary, Isa describes a sweltering summer in the glittering city. By day, the girls sell clothes in a market stall, pinching pennies for their Bed-Stuy sublet and bodega lunches. By night, they weave from Brooklyn to the Upper East Side to the Hamptons among a rotating cast of celebrities, artists, Internet entrepreneurs, stuffy intellectuals, and bad-mannered grifters. Resources run ever tighter and the strain tests their friendship as they try to convert their social capital into something more lasting than precarious gigs as au pairs, nightclub hostesses, paid audience

members, and aspiring foot fetish models. Through it all, Isa's bold, beguiling voice captures the precise thrill of cultivating a life of glamour and intrigue as she juggles paying her dues with skipping out on the bill. *Happy Hour* is a novel about getting by and having fun in a world that wants you to do neither.

Ugh! As If! Veronica Litt, 2025-06-03 *Ugh As If!* uncovers the complex layers beneath the glossy surface of the 1995 classic film *Clueless*. Litt investigates not just the Austen satire but the film's deeper ethical questions about femininity, innocence, bias, and inequity. A sweet and sly exploration of the Jane Austen-inspired teen movie and its evergreen imperative to be kind, do better, and find the activist within. We are totally butt-crazy in love with *Clueless*. Since the movie's premiere in 1995, pop culture has mined Amy Heckerling's high school comedy for inspiration, from Iggy Azalea and Charli XCX's "Fancy" music video to Cher's iconic yellow plaid suit appearing at every Halloween party. In *Ugh As If!*, Veronica Litt argues that this seemingly fluffy teen romp is the quintessential thinking woman's movie, one in which the audience is asked to seriously consider the beauty and power of naïveté. Cher Horowitz's gradual pivot from oblivious it girl to burgeoning activist is a powerful reminder that even the most unlikely people can change for the better and contribute to their communities. In this bright, shiny film, pursuing a more just society isn't just possible — it's enjoyable. This fun, feminine, feel-good movie is a counter-narrative to nihilism, a refusal to give into cynicism, hopelessness, and passivity. Almost without viewers noticing, *Clueless* teaches Cher, and us, how to become better. Like the film it examines, *Ugh As If!* nudges even the most jaded viewer into feeling hopeful about the future. About the Pop Classics Series Short books that pack a big punch, Pop Classics offer intelligent, fun, and accessible arguments about why a particular pop phenomenon matters.

Gentlemen Prefer Blondes Anita Loos, 2025-08-05 The literary classic that inspired the iconic Marilyn Monroe film—a brilliant satire of the Roaring Twenties that follows a wide-eyed blonde and her cynical brunette friend as they take Europe by storm, now with an introduction by Marlowe Granados to celebrate the book's 100th anniversary! Some might call Lorelei Lee lucky. Others, names she would not even put in her diary. Life in New York is becoming routine, so when her wealthy companion Mr. Eisman suggests that "a girl with brains ought to do something else with them besides think," Lorelei is up to the challenge. Accompanied by her best friend Dorothy Shaw, Lorelei chronicles the sights and people of Europe in her diary in a consistent mix of hilarity and accidental wisdom—"Paris is divine" and "London is really nothing at all." Reliant on the good graces of the gentlemen around them to stay afloat as they await Eisman's arrival on the continent, Lorelei and Dorothy skirt unscathed and at times oblivious around scorned and greedy lovers, plots of Francophone thievery, and even murder charges. This hilarious, rip-roaring travelogue is a sharp-eyed takedown of the hypocrisy of Prohibition, the Roaring Twenties, and anyone foolish enough to stake their wallet on the dumb blonde stereotype. *Gentlemen Prefer Blondes* is more than a guilty pleasure—it is a literary classic.

Piglet Lottie Hazell, 2024-02-27 A New York Times Notable Book A Belletrist Book Club Pick An elegant, razor-sharp

debut about women's ambitions and appetites—and the truth about having it all Outside of a childhood nickname she can't shake, Piglet's rather pleased with how her life's turned out. An up-and-coming cookbook editor at a London publishing house, she's got lovely, loyal friends and a handsome fiancé, Kit, whose rarefied family she actually, most of the time, likes, despite their upper-class eccentricities. One of the many, many things Kit loves about Piglet is the delicious, unfathomably elaborate meals she's always cooking. But when Kit confesses a horrible betrayal two weeks before they're set to be married, Piglet finds herself suddenly...hungry. The couple decides to move forward with the wedding as planned, but as it nears and Piglet balances family expectations, pressure at work, and her quest to make the perfect cake, she finds herself increasingly unsettled, behaving in ways even she can't explain. Torn between a life she's always wanted and the ravenousness that comes with not getting what she knows she deserves, Piglet is, by the day of her wedding, undone, but also ready to look beyond the lies we sometimes tell ourselves to get by. A stylish, uncommonly clever novel about the things we want and the things we think we want, Piglet is both an examination of women's often complicated relationship with food and a celebration of the messes life sometimes makes for us.

Mujeres entre oriente y occidente: una aproximación crítica feminista a la literatura universal Leticia de la Paz De Dios, Ana María Crespo Gómez, 2024-12-26 El presente monográfico aspira a actuar como un puente entre literaturas diversas, escritas por autoras cuyas experiencias podrían parecer, a primera vista, distantes o desconectadas entre sí. ¿Qué puntos en común podrían hallarse entre Sylvia Plath y Bing Xin? ¿O entre Fatema Mernissi y Marjorie Agosín? La distancia geográfica entre sus lugares de origen o las diferencias lingüísticas que las separan son respuestas demasiado evidentes para negar la posibilidad de establecer ese puente entre Oriente y Occidente que se propone en esta obra. Invitamos, pues, a las lectoras a identificar respuestas más precisas y objetivas tras la lectura de los capítulos que se presentan a continuación.

Happy Hour, 2021 We raise a glass with friends and we drink in solitude to remember and to forget. Drink gives us the courage to love and comfort when we lose. All this and more is captured in this rich poetry anthology. Part of the Macmillan Collectors Library; a series of stunning, pocket-sized classics with ribbon markers. These beautiful books make perfect gifts or a treat for any book lover. This edition features an introduction by wine critic Jancis Robinson. Many of the most famous poets have weaved the delights and temptations of drink into their verse. In *Happy Hour: Poems to Raise a Glass To*, there are chapters on whisky and beer, celebrations, why we drink and where we go to do it. Robert Burns is here, of course, alongside Yeats, Keats, Emily Dickinson, Hilaire Belloc, Sara Teasdale, Edward Lear, G. K. Chesterton and many more.
