My Life in Recipes Joan Nathan, 2024-04-09 A NYT BEST BOOK OF THE YEAR • A SMITHSONIAN MAGAZINE BEST BOOK ABOUT FOOD OF THE YEAR • A SAVEUR BEST COOKBOOK OF THE YEAR A new cookbook from the best-selling and award-winning author that uses recipes to look back at her life and family history—and at her personal journey discovering Jewish cuisine from around the world There is no greater authority on Jewish cooking than Joan Nathan. —Michael Solomonov, James Beard award-winning chef and author of *Zahav* Before hummus was available in every grocery store—before shakshuka was a dish on every brunch menu—Joan Nathan taught home cooks how and why they should make these now-beloved staples themselves. Here, in her most personal book yet, the beloved authority on global Jewish cuisine uses recipes to look back at her own family's history— their arrival in America from Germany; her childhood in postwar New York and Rhode Island; her years in Paris, New York, Israel, and Washington, DC. Nathan shares her story—of marriage, motherhood, and a career as a food writer; of a life well-lived and centered around meals—and she punctuates it with all the foods she has come to love. With over 100 recipes from roast chicken to rugelach, from matzoh ball soup to challah and brisket, here are updated versions of her favorites. But here too are new favorites: Salmon with Preserved Lemon and Za'atar; Fragrant Spiced Chicken with Rice, Eggplant, Peppers, and Zucchini; Mahammar (a Syrian pepper, pomegranate and walnut dip); Moroccan Chicken with Almonds, Cinnamon and Couscous; Joan's version of the perfect Black and White Cookies. This is a treasury of recipes and stories—and an invitation to a seat at Nathan's table.

Golda Meir DANIEL. LEVIN, 2025-07-07 Golda Meir: My Life for a Homeland is the extraordinary story of a girl who rose from the frozen streets of Kiev and the crowded tenements of Milwaukee to become one of the founding mothers of the State of Israel. In this moving, vivid, and slightly fictionalized autobiography, Golda's voice speaks with fierce honesty about fear, hope, and the unbreakable will to build a future from nothing but dreams. Born into a world where survival was never guaranteed and antisemitism stained every corner of daily life, Golda learned early what it meant to live in the shadows of

other people's countries. From the terrifying nights of hiding during pogroms to the endless struggle against poverty in America, her story is not just one of endurance, but of transformation. Refusing to accept fear or fate, Golda sets her sights on something daring: a homeland where Jews could live freely and openly - without shame, without apology. The narrative follows Golda from her earliest memories of whispered warnings and hurried escapes, through the harsh realities of immigrant life in Milwaukee, where factories bellowed smoke and injustice wore many faces. As a young girl, she devours the lessons of American democracy even as she recognizes its unfinished promises, finding inspiration in both the struggles of the laborers around her and the fiery dreams of the Zionist pioneers her sister Sheyna introduces into her life. With a voice both tender and commanding, Golda shares her political awakening: the first secret meetings, the first faltering speeches delivered from crates in dusty basements, the first glimmers of a world where Jews would not merely survive but thrive. Each chapter of her life builds toward a destiny she claims with fire and determination - not just to find a place called home, but to create it with her own hands, for her people, for the generations still to come. Told against the sweeping backdrop of the early 20th century - from the crumbling empires of Europe to the roaring factories of America and the windswept deserts of Palestine - this is not simply the memoir of a leader. It is the story of a spirit forged in exile and polished through struggle. It is the journey of a woman who refused to accept the world as it was, and instead dared to dream of the world as it could be. Golda Meir: My Life for a Homeland is a testament to resilience, courage, and the unstoppable power of hope. It is the story of how one small, determined voice can echo across history - and change the destiny of a nation.

The Best of My Life Judith Leet, 1987 This original anthology brings together a thought-provoking collection of such personal writings in many different forms: memoirs, reminiscences, letters, intimate essays, and formal autobiographies. Following the rhythms of life from childhood through old age, Editor Leet arranges the selections so readers view the meanings of life through others' eyes, observing the influences and the inspirations, the challenges and the crises, the struggles and the successes that shape people and their destinies. In these pages we are admitted to the close company of another's mind and spirit - to discover and experience a totally different life - the life of an heiress, of a child prodigy, of an anthropologist, of a vice president thrust unexpectedly into the presidency, of those who require solitude, and of those who demand activity. We also gain perspective on the range of motivations people have for writing their autobiographies: from the vanity that propelled Ben Franklin to record his rise, to the intensity of diarist Anne Frank's loneliness and the honest self-examination of writer May Sarton.
