But when we allow God to take control of our lives, everything can be turned around. Are you ready to start your day with a goal in mind, a smile on your face, and enthusiasm in your heart, all with just a simple word? If you choose to be diligent and do it daily, you will be amazed this time next year how much better, calmer, happier, and more productive your life will be.

Create a Culture of Kindness in Middle School Naomi Drew, Christa Tinari, 2017-10-02 Practical, research-based lessons for middle school educators to teach students pro-social attitudes and behaviors to prevent bullying. Create a Culture of Kindness in Middle School focuses on positive and pro-social attitudes and behaviors that build a respectful and compassionate school environment, while also addressing the tough issues of prejudice, anger, exclusion, and bullying. Through role-playing, perspective-taking, sharing, writing, discussion, and more, students develop the insights and skills they need to accept differences, resolve conflicts peacefully, stop bullying among peers, and create a community of kindness in their classrooms and school. Based on survey data gathered by the authors from more than 1,000 students, the book's research-based lessons are easy to implement and developmentally appropriate. Digital content includes student handouts

from the book.

Create a Culture of Kindness in Elementary School Naomi Drew, 2021-08-30 Increase empathy in the elementary classroom with ready-to-use lessons that teach students positive skills and attitudes. Kids learn better and feel better about themselves in an atmosphere of safety and respect. This book shows you how to help students in grades three through six: Foster kindness, compassion, and empathy Manage anger Prevent conflict Respond to conflict Address name-calling and teasing Deal with bullying Accept differences With mini lessons that span those seven topic areas, you can build community and student relationships in 20 minutes or less per day. The prep work is already done: each of the 126 lessons has a script, and worksheets are available with the downloadable digital content. Included in the book are anger management activities, conflict resolution strategies, and character-building lessons. And with concrete ideas about how to address bullying in the classroom, these lessons help students understand what bullying is and how they can stand up to bullies. Based on a nationwide survey of more than 2,000 students and teachers, this resource can be used alone or as a complement to anti-bullying or character education programs already in place. The digital content in this book includes reproducible handouts, bonus activities, forms for parents, and information on schoolwide responses to bullying.

The Medical Conspiracy Behind My Wife's Demise Pradeep K. Berry, 2020-05-05 One day, Constance A. 'Connie' Berry, Pradeep Berry's wife of 41 years, passed away due to unforeseen medical circumstances. His mourning continues, and he seeks to cope with the loss in this tribute to his beloved spouse. *The Medical Conspiracy Behind My Wife's Demise* celebrates not just their love—a love that would have never happened if he hadn't left India to go to the United States—but also accounts the unfortunate, contentious, and suspicious circumstances surrounding Connie's death. With just seven dollars on hand, never in his wildest dreams did Pradeep Berry expect to meet a beautiful, intelligent wife in America. His family embraced Connie when they realized she was polite, smart, and self-made. She became the star of the family. Berry lovingly describes Connie's qualities, character, ethics, as well as her professional career. He observes that even though he's been in tremendous pain since she died, he would have never had such a long and happy marriage if he and Connie had not loved each other so much. Connie and Pradeep both considered themselves as two bodies and one soul, and he hopes they will again be two bodies and one soul in the next life. Reviews for the previous edition, 'My Connie' "A debut author pays tribute to his deceased wife in this memoir. The prose style is sometimes stilted and other times histrionic. However, it occasionally achieves moments of quiet lyricism, as a result, it doesn't have much to teach readers about how to get over a loss. Rather, it's a raw document of the middle of grief and all the emotions that come with it. An emotional elegy that's somewhat undisciplined in style." - Kirkus Reviews "When a loved one dies, the grief can be overwhelming. For some survivors, this grief manifests in all different manners of behaviors in an effort to keep the memory of that lost loved one alive. For Mr.

Berry, in the aftermath of the death of his beloved wife of 41 years, it manifested in him writing this loving tribute, *My Connie*.” - Pacific Book Review “In 2015, author Pradeep Berry lost his wife of 41 years. His new memoir, however, isn’t an account of moving through grief to healing; rather, it’s a repository of his pain. Like a personal journal, its entries reflect his roller-coaster emotional state, recurrent thoughts about his wife’s death and grief-stricken lamentations.” - BlueInk Review “My Connie is a heartfelt, if repetitive, account of a husband’s grief.” - Foreword Reviews

God's Words to His Children George MacDonald, 1887

My Connie Pradeep Berry, 2017-06-09 Everything changed for Pradeep K. Berry on February 28, 2015. That was the day his wife of forty-one years, Constance A. “Connie” Berry, died. He’s been mourning ever since, and he seeks to cope with his loss in this tribute to his beloved spouse. In *My Connie*, he celebrates their love—a love that would have never happened if he hadn’t left India to go to the United States. He only had seven dollars at the time, and he could not have dreamed that he’d meet a beautiful, intelligent, American wife. The author’s family embraced Connie as soon as they realized she was polite, smart, and self-made. In short order, she became the star of the family. Berry lovingly describes Connie’s qualities, character, and ethics as well as her professional career. He observes that even though he’s been in tremendous pain since she died, he would have never had such a long and happy marriage if he and Connie had not loved each other so much. Connie and Pradeep, both consider themselves as two bodies and one soul. Now, Pradeep is hoping that they will be again two bodies and one soul in the next life. Join the author as he shares lessons on enjoying a happy marriage and honors the woman who made his dreams come true. His only hope is to make some difference in other woman’s lives and how their husband can make a difference in their lives.
