The long-awaited final volume of the The Prosopography of the Neo-Assyrian Empire is now finished. Assembling a complete list of extant personal names and all data related to those names (lexical meaning, geographical location, occupation, activities, and textual sources), Baker and her colleagues have created an invaluable resource for linguistic, historical, and social / cultural studies of Assyrian times. This, the second part of volume 3, covers personal names beginning with S-Z.
