Loud and Clear Anna Quindlen, 2005-03-29 NEW YORK TIMES BESTSELLER • Pulitzer Prize-winner Anna Quindlen offers wisdom, opinions, insights, and reflections about current events and modern life in this provocative and inspiring book. "A tour de force for our time, [Loud and Clear] is equally as compelling as a look at public events as it is a reflection on being a woman and on motherhood."—The Sunday Oklahoman With her trademark insight and her special ability to convey the impact public events have on ordinary lives, Anna Quindlen here combines commentary on American society and the world at large with reflections on being a woman, a writer, and a mother. In these pieces, first written for Newsweek and The New York Times, Loud and Clear takes on topics ranging from social change to raising children, from the political and emotional aftermath of September 11 to personal values, from the impact on individuals of global events to the growth that can be gained by spending summer days staring into the middle distance. Grounding the public in the private, connecting people to each other and to the greater world, Quindlen encourages us to develop authentic lives, even as she serves as a catalyst for political and social change.

Potty Train Your Child in Just One Day Teri Crane, 2006-06-06 Finally...a fun, easy-to-use guide to potty training any child in just ONE DAY Just think, from the time babies are born until they are toilet trained, they use an average of 4,000 diapers! Potty Train Your Child in Just One Day is the helpful guide you've been waiting for to get your child out of diapers and turn the potentially terrifying process of toilet training into an effective and enjoyable bonding experience with your child. Teri guides parents to the successful one-day potty training of their child by teaching them how to: • Look for the signs that your child is ready to be potty trained • Make the potty connection by using a potty-training doll • Create incentive through consistent positive reinforcement • Use charts, quizzes, and checklists to help with every step of potty training • Know when it's time to bring in a potty pinch hitter • Complete your potty training -- no more accidents Once Teri teaches you her techniques, she shares her secret -- potty parties! She has carefully designed twelve imaginative themes for parties, such as a seriously silly circus, a cartoon character carnival, or a magic carpet express, and supplies parents with everything they will need. Teri has proven that a potty party day engages a child in potty training in a way that no other method has

before -- by speaking a toddler's language. A party may translate to fun, games, cake, candy, presents, and prizes to a child, but with Teri's expertise, parents can use it as a tool to motivate their child to want to go to the bathroom -- and to keep on going. That's why it works in just one day!

Gendered Politics in the Modern South Keira V. Williams,2012-11-05 In Gendered Politics in the Modern South, Keira V. Williams uses the Susan Smith case to analyze what she calls the new sexism found in the agenda of the budding neoconservative movement of the 1990s. Just days after Smith s confession to killing her children, soon-to-be Speaker of the House Newt Gingrich linked Smith s behavior to the 1960s counterculture and to Lyndon Johnson s Great Society programs. At the same time, the assault on liberal social causes gained momentum as the media declared the death of feminism and a crisis in masculinity. In response to this perceived crisis, Williams argues, a distinct code of gender discrimination developed, one that sought to reassert a traditional form of white male power at the end of the twentieth century.
