Sheila Rae, the Brave Kevin Henkes,2021-08-31 *Sheila Rae, the Brave* is a warm, humorous, and loving story of sibling sympathy and support. Just because Sheila Rae is older, she doesn't always know better! This classic picture book about overcoming fear is written and illustrated by Kevin Henkes, the nationally bestselling and celebrated creator of Lilly's Purple Plastic Purse, Owen, and Kitten's First Full Moon. I am very brave, Sheila Rae said, patting herself on the back. She wasn't afraid of anything—not thunder, not lightning, not the big black dog at the end of the block. And when she wanted to walk home a new way and Louise wouldn't, she called her sister a scaredy-cat and set out alone. But all the bravado in the world failed to help when Sheila Rae found herself lost. Luckily, her sister was not far behind. Children will love it.—School Library Journal

Ethics for the Very Young Erik Kenyon, Diane Terorde-Doyle, Sharon Carnahan, 2019-02-08 Can you be brave if you're afraid? Why do we "know better" and do things anyway? What makes a family? Philosophers have wrestled with such questions for centuries. They are also the stuff of playground debates. Ethics for the Very Young uses the perplexities of young children's lives to spark philosophical dialogue. Its lessons scaffold discussion through executive function games (Telephone, Red Light Green Light), dialogic reading of picture books and Reggio Emilia's art-based inquiry. In the process, children develop skills of dialogue and critical thinking through increased selective attention, self-control, cognitive flexibility and perspective taking. While the elements of this method are familiar, they are here fused into an organic whole grounded in the history of philosophy and defended by current work in developmental psychology. Building on Wartenberg's Big Ideas for Little Kids, the present curriculum uses a series of 23 picture books to frame discussions of character, bravery, self-control, friendship, the greater good, respect and care. Its goal is not to "teach morals" but to help children articulate and develop their own perspectives through dialogue with each other. Each lesson presents teachers' reflections on how this exploration of life's enduring questions transformed their school's culture.
