Hang the Moon Jeannette Walls, 2023-04-13 From Jeannette Walls, the bestselling author of *The Glass Castle*, a riveting new novel about an indomitable young woman in Prohibition-era Virginia. Most folk thought Sallie Kincaid was a nobody who'd amount to nothing. Sallie had other plans. Sallie Kincaid is the daughter of the biggest man in a small town, the charismatic Duke Kincaid. Born at the turn of the twentieth century into a life of comfort and privilege, Sallie remembers little about her mother, who died in a violent argument with the Duke. By the time she is just eight years old, the Duke has remarried and had a son, Eddie. While Sallie is the Duke's daughter, sharp-witted and resourceful, Eddie is his mother's son, timid and cerebral. When Sallie tries to teach young Eddie to be more like their father, her daredevil coaching leads to an accident, and Sallie is cast out. Nine years later, she returns, determined to reclaim her place in the family. That's a lot more complicated than Sallie expected, and she enters a world of conflict and lawlessness. Sallie confronts the secrets and scandals that hide in the shadows of the Big House, navigates the factions in the family and town, and finally comes into her own as a bold, sometimes reckless bootlegger. 'Jeannette Walls created my new favorite hero in her protagonist, Sallie Kincaid. Sallie is sharp, bold, unflinching, and humorous despite, or maybe because of, her hardships.' — Jennette McCurdy, bestselling author of *I'm Glad My Mom Died* 'Hang the Moon is Jeannette Walls's masterwork. Epic in scope, the novel is a thrill ride through Prohibition and change in the American South . . . The prose is so elegant and so close to the bone you feel Sallie's heartbeat. Glorious.' — Adriana Trigiani, author of *The Good Left Undone* 'Does what all good books should: it affirms our faith in the human spirit.' — Dani Shapiro on *The Glass Castle* 'Like J.D. Salinger or Hemingway before her, Jeannette Walls has the talent of knowing exactly how to let a story tell itself.' — Sunday Independent on *The Glass Castle*

A Place to Hang the Moon Kate Albus, 2022-10-11 A heartwarming story about three siblings, evacuated from London to live in the countryside, looking for a permanent home--and a new meaning for family. A New York Public Library Best Book of the Year. It is 1940 and William, 12, Edmund, 11, and Anna, 9, aren't terribly upset by the death of the not-so-grandmotherly grandmother who has taken care of them since their parents died. But the children do need a guardian, and in the dark days of World War II London, those are in short supply, especially if they hope to stay together. Could the mass wartime evacuation of children from London to the countryside be the answer? It's a preposterous plan, but off they go--keeping their predicament a secret, and hoping to be placed in a temporary home that ends up lasting forever. Moving from

one billet to another, the children suffer the cruel trickery of foster brothers, the cold realities of outdoor toilets and the hollowness of empty stomachs. But at least they find comfort in the village lending library-- a cozy shelter from the harshness of everyday life, filled with favorite stories and the quiet company of Nora Müller, the kind librarian. The children wonder if Nora could be the family they've been searching for. . . . But the shadow of the war, and the unknown whereabouts of Nora's German husband complicate matters. *A Place to Hang the Moon* is a story about the importance of family: the one you're given, and the one you choose. Filled with rich, sensory prose, allusions to classic children's stories like *A Little Princess*, *Mary Poppins*, and *The Story of Ferdinand*, this cozy tale with a classic feel is sure to warm your heart. Don't miss Kate Albus's *Nothing Else But Miracles* which takes place in New York City during WWII and was described as historical fiction at its finest in a starred review from *School Library Journal*. Under A Glass Moon Bob Chochola,2021-10-29 All human beings have a story to tell. Most never tell it. They never take the time. Faith is a journey. Life has a purpose. God wants a relationship. We are, all of humanity, connected by faith, life, and relationship. This book is the story of how God searched for me and found me in the darkness of my own despair. He saved me from a lifetime struggle with addiction and abuse. I am a witness to God's promise. I prayed while I wrote these words—those prayers are here for you to read and share. The prayers led me to thought-provoking words and ideas for you to explore further in scripture and then in writing your own life story. I encourage you to explore God's word every day of the year, then take the time to journal how it relates to, encourages, and inspires your life story, your faith journey, and your relationship with God. Give God's promises for you a voice under a glass moon.

The Mexican Filmography, 1916 through 2001 David E. Wilt,2024-10-17 Mexican cinema has largely been overlooked by international film scholars because of a lack of English-language information and the fact that Spanish-language information was difficult to find and often out of date. This comprehensive filmography helps fill the need. Arranged by year of release and then by title, the filmography contains entries that include basic information (film and translated title, production

company, genre, director, cast), a plot summary, and additional information about the film. Inclusion criteria: a film must be a Mexican production or co-production, feature length (one hour or more, silent films excepted), fictional (documentaries and compilation films are not included unless the topic relates to Mexican cinema; some docudramas and films with recreated or staged scenes are included), and theatrically released or intended for theatrical release.
