

The Four Loves Quotes

Anne Savage, Nicholas Watson

Love - Revised James P. Gills, 2012-08-17 Who really understands love? We can't see love or grab hold of it. We often don't know how to accept love, and we're most afraid of expressing it to others. In this book, Dr. James P. Gills, husband and father, gives substance to love. He doesn't claim to have mastered the art of loving. He simply challenges you to join him in life's ultimate quest. Uncover the essential character of love and discover what real love is under God. Take an in-depth look at the five different types of love used--epithumia, eros, philia, storge, and agape--that summarize the dynamics of love. In addition to these five, Dr. Gills adds two more types of love selfishness and commitment. Each page includes famous and anonymous quotes about love to inspire you. At the end reference pages to Scriptures on love is provided for further study.

The Question of God Armand Nicholi, 2003-08-07 Compares and contrasts the beliefs of two famous thinkers, Sigmund Freud and C.S. Lewis, on topics ranging from the existence of God and morality to pain and suffering.

Selected Poems Hélène Aji, Jennifer Kilgore-Caradec, 2013-01-16 Complete poems are bulky and too heavy to carry around. Collected poems pretend to be complete, but usually are not. Selected poems are altogether unpretentious and reader-friendly. But they can be problematic. Who decides what poems are important for inclusion in a volume of selected poems? When the selection occurs during the author's lifetime, may one assume that the author was involved? What motivates the choice of one poem over another? How do readers' preferences influence this choice? How do new readers and familiar readers of a poet negotiate the poems that are left out of the selection? The essays in this volume address these questions in a variety of ways, and also provide an overview of poetic writing from modernist poets to the present day, using selections from the 1940s until now. They offer new insight into the uses, both pedagogical and critical, of selection. Because Selected Poems usually address a large general public, these essays have also been written for all those who wish to know more about how these slimmer, more attractive volumes are produced.

The Four Loves C. S. Lewis,2023-11-20 The Four Loves is a 1960 book by C. S. Lewis which explores the nature of love from a Christian and philosophical perspective through thought experiments. The book was based on a set of radio talks from 1958 which had been criticized in the U.S. at the time for their frankness about sex. C.S. Lewis examines storge or empathy love; philia, friendship love; eros, romantic love; and agape, or God love. Excerpt: GOD is love, says St. John. When I first tried to write this book I thought that his maxim would provide me with a very plain highroad through the whole subject. I thought I should be able to say that human loves deserved to be called loves at all just in so far as they resembled that Love which is God.

God's Rx for Fear and Worry James P. Gills,2019 What is God's Rx for your fear and worry? Jesus gives you a clear command about worry: don't do it! He wouldn't have commanded you not to fear and worry so many times if it were impossible. Yet worry and fear are most people's first reactions to circumstance. This reaction can seem unstoppable. But there is a cure--being thankful. Stress, fear, and worry all contribute to illness and disrupt the effectiveness of healing. Peace can be found when you: Let go of fear Trade worry for calm Thank God for your relationship with Him Trust Him to handle everything in your life, both now and in the future God is sovereign. He promises to never leave you or forsake you. In these pages, you will examine your fears and worries and discover how a thankful heart is indeed God's Rx for Fear and Worry. FEATURES AND BENEFITS This book helps people apply biblical truth to one of their greatest concerns while providing a path to hope and healing. The book concludes with a list of scriptures pertaining to the topic (fear, worry, healing, peace, joy, hope, etc.). Other titles in God's Rx Series: God's Rx for Depression and Anxiety God's Rx for Health and Wholeness God's Rx for Inner Healing
