*The Last Pope* Robert Howells, 2013-06-20 A historian dissects the prophecies of a Nostradamus-like seer who suggests the end of the papal throne—and the beginning of a new era in the Roman Catholic Church Nearly a thousand years ago, the Archbishop of Armagh—later canonized as St. Malachy—made a series of prophecies that were hidden in the Vatican for four hundred years. His predictions gave clues to the identities of the 109 Popes from medieval times to present day, including the final Pope who would oversee the end of the Papacy and the fall of the Roman Catholic Church. *The Last Pope* examines the sudden ‘rediscovery’ of these prophecies in the sixteenth century, how they may have been used as propaganda in the campaign to promote Pope Gregory XIV to the papal throne, and how the 2013 papal election may have been our last. Robert Howells has spent the last twenty years researching and writing about religious and historical mysteries. By drawing on his extensive knowledge of both the political and spiritual history of the Catholic Church, he places Pope Francis in the context of what will potential be the most challenging era for the papacy. *The Last Pope* seeks to answer questions surrounding the future of the Catholic church, offering an investigating that will fascinate readers who are fascinated by the unresolved mysteries in the history of Christianity.

Pope Francis: The Last Pope? Leo Lyon Zagami, Brad Olsen, 2015-03-05 Pope Francis: *The Last Pope?* reveals the possible reasons for the choice of historical abdication of Benedict XVI and traces the process that led to the election of Cardinal Bergoglio: the Pope who many have prophesized will be the last and will bring the Catholic Church to its end. The book details the history of this prophecy, which was hidden away in the Vatican for hundreds of years and predicts that the reign of the last Pope will herald the beginning of great apostasy followed by great tribulation. It also explores the recent scandals in the Catholic Church and addresses questions including What pressures decreed the end of the pontificate of Benedict XVI?

What powers have an interest for the Church to end? and What is the relationship between the Vatican and the New World Order? Perfect for anyone interested in prophecies about the end times, Pope Francis: The Last Pope reveals the truth about what numerology says about the last Pope and the darkness that may follow him, as well as fascinating investigations into the gay lobby, Freemasonry, and the Jesuit agenda in the Vatican and how it relates to the first Borgia Pope, the legend of the White Pope and the Black Pope, and how Benedict's resignation may fulfill an ancient prophecy.

**Awakening the Truth Frequency** Laura Eisenhower, 2024-01-21 If you aren't living your most authentic self, you can't realize universal and personal truth. If we compromise and waver in our integrity, how on Earth will we successfully navigate life or our relationships? We become vulnerable to distortions and imbalances that attract archonic attachments and AI signals, that keep us in a lower existence of reality. We have lost touch with our connection to our higher mind and intuitive abilities and its integration into our daily life. The quickest way to heal is for Awakening the Truth Frequency to embody our highest self. Our bodies thrive in this energy, not the distortions or programs. And now more than ever before, we live in times when our energies are supported by spiritual forces like never before. We must be humble enough to allow this alignment and let go of the ego attachments about what other people think, and not be afraid to admit where we have been misled. Claiming our truth eases our journey Into the Unified Field.

**Secrets of Antarctica** Brad Olsen, 2025-11-05 Secrets of Antarctica will reveal Brad Olsen's exploration and firsthand experience with this strange continent. The book will question the possibility of a lost continent and visit the land of the Patagonia giants. Next are the Age of Exploration maps depicting the Ice Continent centuries before Antarctica was officially discovered. New Swabia (Neuschwabenland) was a territorial claim made by Nazi Germany in the late 1930s. Admiral Richard Byrd led Operation Highjump to confront the Nazi base there, and to recover a Nazi flying disc. Admiral Byrd spoke of "flying objects that could fly from pole to pole at incredible speeds."

*Awakening of a Warrior* Michael Jaco, 2023-10-01 Numerous great thinkers have believed in the transmigration of the soul. General Patton, Gandhi, Henry Ford, the Dalai Lama, all discussed memories of, or beliefs in, having past lives. The great philosophers Pythagoras, Socrates, Plato, Aristotle, and even Saint Augustine believed in the rebirth of the soul. *Awakening of a Warrior* is the result of Jaco's investigation—his treasure hunt—into the lifetimes he experienced before the present. Included are his lives as King Abimelech of Gerar, who allied with Abraham in the creation of a new religion called Judaism; Cyrus the Great, who unified all of Persia and implemented Zoroastrianism as the state religion; and Marcus Furius Camillus, who came to be considered the second founder of Rome.

*Beyond Esoteric* Brad Olsen, 2021-01-14 Nothing in this world works the way you think it does; there is always more to the story. Be aware that there is a war for your mind and your soul. Corporations have taken over governments in a new form of Fascism that now incorporates high technology and artificial intelligence. The survival of the human race may depend on breaking the Embargo of truth, and collectively developing an ÜberMind. But truth always resonates! *Beyond Esoteric* takes off the kids gloves, and exposes the control grid extending its tentacles across the planet. The word occult means nothing more than to study the realm of the hidden. So much of real knowledge and wisdom is disguised because the people who run the planet feel that true information of how the world works and how to manifest reality is something you do not need to know. Everything we think we know about the world and the universe in which we live, whatever we have been led to believe concerning the course of human history, could very well be completely wrong, distorted and misinformed. The 19th century teachers of the occult could never have imagined The Ultimate Journey of the 21st century we now face, one that extends far Beyond Esoteric.

**Encyclopedia of Christianity in the United States** George Thomas Kurian, Mark A. Lamport, 2016-11-10 From the Founding Fathers through the present, Christianity has exercised powerful influence in the United States—from its role in shaping politics and social institutions to its hand in inspiring art and culture. The *Encyclopedia of Christianity in the United States* outlines the myriad roles Christianity has played and continues to play. This masterful five-volume reference work includes biographies of major figures in the Christian church in the United States, influential religious documents and Supreme Court decisions, and information on theology and theologians, denominations, faith-based organizations, immigration, art—from decorative arts and film to music and literature—evangelism and crusades, the significant role of women, racial issues, civil religion, and more. The first volume opens with introductory essays that provide snapshots of Christianity in the U.S. from pre-colonial times to the present, as well as a statistical profile and a timeline of key dates and events. Entries are organized from A to Z. The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world, as well as a select yet comprehensive bibliography. Appendices help readers locate entries by thematic section and author, and a comprehensive index further aids navigation.

**The Last Pope?** Dominic Vero, □ What if the real war for the Church has already begun—and the final prophecy is unfolding before your eyes? For centuries, whispers echoed through the marble halls of the Vatican—whispers of forbidden prophecies, secret agendas, and a final pope destined to preside over the collapse of the Church. Now, as global chaos grows

and spiritual confusion deepens, one question refuses to be silenced: Is Pope Francis the fulfillment of a prophecy they tried to bury? □ This isn't fiction. It's the book the Vatican never wanted you to read. In *The Last Pope?*, Dominic Vero pulls back the veil on the world's most secretive religious empire. With journalistic precision and prophetic fire, this explosive book unpacks: □ The true origin and shadow power of the Jesuit Order—and why it took 500 years for a Jesuit to finally wear the papal crown □ The unfiltered story of Pope Francis's rise—and how his actions are dividing the Church like never before □ The lost warnings of Fatima, the chilling accuracy of Saint Malachy's prophecy, and the mysterious "Black Pope" operating behind the scenes □ The Synod of Synodality, spiritual warfare within the Church, and the Vatican's alignment with globalist powers □ Why thousands of believers are quietly leaving institutional religion—and preparing for something far bigger than Rome □ If you're spiritually restless, suspicious of religious politics, and hungry for truth... this is the book you've been searching for. Whether you're a former Catholic, a skeptical Christian, or a seeker of hidden knowledge, *The Last Pope?* delivers what no mainstream religious text will: Revelation without censorship. Prophecy without fear. Truth without compromise. Through vivid storytelling, investigative research, and soul-shaking clarity, this book doesn't just explain what's happening—it shows you why it matters to your spiritual future. If you've felt the pull to awaken... this is your moment. □ Buy it now before they bury it again. □ Scroll to the top and click Buy Now to uncover the prophecy, confront the agenda, and take your place among the awakened.

The Falling Away West Watchman Brooks, 2024-10-03 In a world filled with uncertainty, the prophecies of the Book of Revelation are coming to life before our very eyes, particularly in Revelation 17. This chapter speaks of the rise of world powers, global religious movements, and the coming judgment on the systems of this world. Now is the time for Christians to turn their attention to Bible prophecy like never before, as the signs of the end times are unfolding right in front of us. In this compelling book, we uncover the significance of Pope Francis' election and how it fits within the prophetic framework of Revelation 17. The scriptures point toward a world leader, who many believe will become the Antichrist, setting the stage for the greatest spiritual deception in human history. But the most important prophetic event to watch for is the Fallen Away—the predicted destruction of the Vatican, which will signify a turning point in the final days. Jesus commands us to watch the signs of the times and this book will equip you with the biblical insight to do just that. Discover why the Book of Revelation is more relevant today than ever, and how its prophecies are being fulfilled as we approach the end of the age. Prepare yourself for what is to come by understanding the truth that has been foretold in the Word of God.

It is a profound, documented study of the Vatican as a state, a government, and a world-wide political organization in the last fifty years.Based on hitherto unknown documents which have come to light since the end of World War II, much of the material in this book has never been available to the general public.
