The Ritual Shantel Tessier, 2023-05 THE CHOSEN ONE Barrington University is home of the Lords, a secret society that requires their blood in payment. They are above all—the most powerful men in the world. They devote their lives to violence in exchange for power. And during their senior year, they are offered a chosen one. I VOW. YOU VOW. WE VOW. People think growing up with money is freeing, but I promise you, it's not. My entire life has been planned out for me. I never got the chance to do what I wanted until Ryat Alexander Archer came along and gave me an option for a better life. He offered me what no one else ever had—freedom. I chose to be his. He made me believe that anyway, but it was just another lie. A way that the Lords manipulate you into doing what they want. After being sucked into the dark, twisted world of the Lords, I embraced my new role and allowed Ryat to parade me around like the trophy I was to him. But like all things, what started out as a game soon became a fight for survival. And the only way out was death.

The Rejected Mafia Heir Stevens Hepworth, 2025-07-27 He was raised to be loyal. She was born to be feared. But in a world built on blood, betrayal, and power—love was never part of the plan. Sasha Ivanov has always been the outsider. Half Russian, half Cuban—and fully unwanted. The Bratva never forgave his mother for her betrayal. Now, with his cousin missing and a bloodbath left behind, Sasha sees a chance to finally prove himself. And the trail of destruction points to one name: Isabela Cruz Navarro. She's the cartel princess of Los Infidels. Beautiful. Ruthless. Untouchable. And Sasha just made her his

prisoner. Kidnapped and locked away in a forgotten Russian manor, Isabela refuses to break. She's not the enemy he expected—and definitely not the woman he can forget. But as bullets fly and secrets unravel, Sasha realizes she might be the key to uncovering a truth that could destroy both of their families. What began as revenge becomes something far more dangerous. Desire. Obsession. Trust. Now they'll have to survive a war they didn't start... Or burn together in the fire they created.

The Outer Dimension Arl P. Olean, 2017-06-12 In a fascinating place not all men are allowed in, Troy and his combined team of experienced and new, younger Nimrods will fulfill a mission to protect the inhabitants of Alphome from the atrocities and invasions of the insurgents. With the young Nimrods facing a dangerous battle in their first journey in the outer dimension, the mission won't be easy. Their adventure will lead them to a bigger role, which is not only to protect Alphome but also to prevent the destruction of the entire human world by delivering King Gareth's sword to Thorneum, a risky and deadly process that only a chosen Nimrod can do. But they have to find its location first before the Volgurds find it, as they are after the powerful crystal element in the sword. Over the centuries, King Gareth's sword has become stronger and more difficult to carry. It can only be carried by a prutus cruor or a pure Nimrod. However, Troy's team must find a higher form of prutus cruor who is directly descended from the lineage of King Gareth, because through the return of the sword to this higher form of Nimrod, life and fertility in Thorneum will be restored. How can they succeed if the only pure Nimrod they know does not accept the reality that he is the one? How can they succeed if there are contentions among his Nimrod team? How are the enemies discovering their plans? How can they fight their enemies when they are significantly outnumbered? Can love, betrayal, and heroism coexist in the same objective?

Promises to Keep Amelia Atwater-Rhodes, 2013 Jay Marinitich, a young vampire hunter, may be Earth's best hope for thwarting the rise of a vampire-controlled slave empire called Midnight, despite his fear that those who question his worth may be right.

The Sacrifice Shantel Tessier, 2025-09-05 The Bookish Box Exclusive Luxe Edition of *The Sacrifice* by Shantel Tessier HIS LADY A Lord is to marry after he graduates from Barrington University, an elite college for the rich. A Lady's job is to help him fit into a world unaware of his secret society. The Lord does not get to choose who he spends the rest of his life with. But there is always an exception to the rule. And I just so happen to be his. I VOW. YOU VOW. WE VOW. I was to wed a Lord of my parents' choosing. Wealth can't buy you everything, or I would have had freedom years ago. Instead, my strict parents made sure I lived a dull life in a mansion resembling a prison. But on my wedding day, I was handed over to another man—an even more ruthless Lord that my family hated. Tyson Riley Crawford only wanted me for his revenge. I'm nothing more than a debt to be paid. I didn't have a say in the matter. So when I said my vows before the congregation, I knew I'd break them. Consequences be damned. Too bad I underestimated my husband and didn't realize he was more determined to punish me

than I was to succeed at escaping. He'll make me choke on those words I used to bind myself to him. Yet even he couldn't have seen what our future held. Ultimately, we're all just pawns in a game that none of us can win unless you're willing to pay the ultimate sacrifice and even that may not be enough.

The Origins of Religion in the Paleolithic Gregory J. Wightman, 2014-12-18 How did religion emerge—and why? What are the links between behavior, environment, and religiosity? Diving millions of years into the past, to a time when human ancestors began grappling with issues of safety, worth, identity, loss, power, and meaning in complex and difficult environments, Gregory J. Wightman explores the significance of goal-directed action and the rise of material culture for the advent of religiosity and ritual. The book opens by tackling questions of cognitive evolution and group psychology, and how these ideas can integrate with archaeological evidence such as stone tools, shell beads, and graves. In turn, it focuses on how human ancestors engaged with their environments, how those engagements became routine, and how, eventually, certain routines took on a recognizably ritualistic flavor. Wightman also critically examines the very real constraints on drawing inferences about prehistoric belief systems solely from limited material residues. Nevertheless, Wightman argues that symbolic objects are not merely illustrative of religion, but also constitutive of it; in the continual dance between brain and behavior, between internal and external environments, lie the seeds of ritual and religion. Weaving together insights from archaeology; anthropology; cognitive and cultural neuroscience; history and philosophy of religions; and evolutionary, social, and developmental psychology, Wightman provides an intricate, evidence-based understanding of religion's earliest origins.

The Sinner Shantel Tessier, 2023 Little demon. I was raised in a world where money and power are at your fingertips. My father is a Lord, a very respected member of a secret society that knows no bounds. When tragedy struck my family, we discovered we weren't untouchable. Just when I thought life couldn't get any worse, I was shown what hell is really like. Then he came and saved me. The devil disguised as my personal hero. But of course, nothing is for free. Not when a soul is up for grabs. I vow. You vow. We vow. Easton Bradley Sinnett--Sin--uses his power for his own sick pleasure. Like a typical Lord, he never thought about the consequences of his actions. I grew up with him, obsessed over him, craved him. He was who I pictured when I imagined doing things my body shouldn't want. One day, I realized he was not who I thought he was. It didn't change anything, though, because I was already too far gone. If anything, I fell for him harder. Every now and then, someone enters your life who flips it upside down. Sin wrecked me in the worst way, and I thanked him for it by serving on my knees. As they say, nothing lasts forever. Men like him never stay with a woman like me. I'm what they use, not keep. So when he threw me away, I shouldn't have been all that surprised. My body had always craved the darker side of love. The kind that

left bruises and scars. I was what most would call unholy. And when the devil whispered in my ear that he loved me, I was more than determined to show him just how devoted I could be--Back cover.

Carnage Shantel Tessier,2023-10-30 A PUPPETThe men in the secret society known as the Lords think they rule the world. And in a way, they do. Each has sold their soul to the devil at a young age in exchange for power and wealth. Like anything else, they have different levels of success. The more they're willing to serve, the more power they have.Among them are the Spade brothers, who run Carnage. It's where the Lords who have not held up their oath go to live out the rest of their lives in shackles. Tucked away from the world as if they never existed.I VOW. YOU VOW. WE VOW.I once belonged to a Lord-Saint Beckham Carter. Although nothing was holy about him, I still kneeled as if he could grant me eternity in a world where only evil existed.At the time, I willingly vowed to be his and allowed him to share me with his brothers. But things changed. And what I thought couldn't get any better got exceptionally worse. So I did the only thing I could and ran from him, knowing I could never return.Now he's found me and dragged me back to his hell, where he will make me his pet. The world already thinks I'm dead, so no one will miss me. And I'm just another name on a long list of those who will never know freedom.What he doesn't know is why I ran from him in the first place. A Lord doesn't listen to reason, so it's not like he'd care anyway. Saint was born a Lord, and he will die as one.If life has taught me anything, it's that we all pay for our sins. And Saint will never let me forget that my place is at Carnage, serving him on my knees until death is granted.
