Eric Anderson Walker

A History of Southern Africa Alois S. Mlambo, Neil Parsons, 2018-09-08 From early human civilisation to today, this book illuminates the history of southern Africa. Interweaving social, cultural and political history, archaeology, anthropology and environmentalism, Neil Parsons and Alois Mlambo provide an engaging account of the region's varied past. Placing African voices and agency at centre stage rather than approaching the subject through a colonial lens, *A History of Southern Africa* provides an engrossing narrative of the region. This textbook is ideal for both undergraduate and postgraduate students of History and African Studies, and will provide an essential grounding for those taking courses in the history of southern Africa. Its lively and accessible approach will appeal to anyone with an interest in global history.

Uprooting University Apartheid in South Africa Teresa A. Barnes, 2018-12-07 South Africa continues to be an object of fascination for people everywhere interested in social justice issues, postcolonial studies and critical race theory as manifested by the enormous worldwide attention given to the #RhodesMustFall movement. In this book, Teresa Barnes examines universities' complex positioning in the apartheid era and argues that tracing the institutional legacies left by pro-apartheid intellectuals are crucial to understanding the fight to transform South African higher education. A work of interpretive social history, this book investigates three historical dynamics in the relationship between the apartheid system and South African higher education. First, it explores how the legitimacy of apartheid was historically reproduced in public higher education. Second, it looks at ways that academics maneuvered through and influenced national and international discourses of political freedom and legitimacy. Third, it explores how and where stubborn tendrils of apartheid-era

knowledge production practices survived into and have been combatted during the democratic era in South African universities.
