

Will Durant The Story Of Philosophy

Will Durant, John R. Little

The Story of Philosophy Will Durant, 2006 The Story of Philosophy chronicles the ideas of the great thinkers, the economic and intellectual environments which influenced them, and the personal traits and adventures out of which each philosophy grew.

The Story of Philosophy, By Will Durant Will Durant, 1943

The Story of Philosophy Will Durant, 2012 The Story of Philosophy chronicles the ideas of the great thinkers, the economic and intellectual environments which influenced them, and the personal traits and adventures out of which each philosophy grew.

The Story of Philosophy (Original Classic Edition) Will Durant, 2025-03-25 The Story of Philosophy was first published in 1926, with modest expectations that were soon outgrown. In a few years, it sold 2 million copies. To this day, it is still capturing new readers in America and has found many abroad in translations into Chinese, Czech, Danish, Dutch, Finnish, German, French, Hebrew, Hungarian, Italian, Japanese, Norwegian, Polish, Portuguese, Serbo-Croatian, Spanish, and Swedish. Durant provides an immensely astute, clear, and enjoyable story of philosophy. He focuses not on schools of thought or subdisciplines, but on the most vigorous, powerful, and appealing thinkers in the Western philosophical tradition, starting with the founding figures of Plato and Aristotle, and taking us through Francis Bacon, the prime theorist of present-day scientific thought, and on to Spinoza, whom Durant prizes above all for his earnest effort to live his own philosophy. Then Durant proceeds to the wise and witty Voltaire, Nietzsche, whose shadow looms over the history of the twentieth century, and other figures, who are not as well known today as they were when this book was published, but who retain vitality and interest. The Story of Philosophy is a rare treasure. In an age of dumbing down and short attention spans, it provides a sweeping and absorbing history of some of the most important ideas that have ever been formed by human minds. Reading it is an education in itself--and an enjoyable one. It is not to be missed.

The Story of Philosophy Will Durant, 2023-03-13 The Story of Philosophy: The Lives and Opinions of the Greater Philosophers is a 1926 book by Will Durant, in which he profiles several prominent Western philosophers and their ideas, beginning with Socrates and Plato and on through Friedrich Nietzsche. Durant attempts to show the interconnection of their ideas and how one philosopher's ideas informed the next. There are nine chapters each focused on one philosopher, and two

more chapters each containing briefer profiles of three early 20th century philosophers. The book was published in 1926, with a revised second edition released in 1933. The work was preceded by a number of pamphlets in the Little Blue Books series of inexpensive worker education pamphlets. They proved so popular they were assembled into a single book and published in hardcover form by Simon & Schuster in 1926. Philosophers profiled are, in order: Plato (with a section on Socrates), Aristotle, Francis Bacon, Baruch Spinoza (with a section on Descartes), Voltaire (with a section on Rousseau), Immanuel Kant (with a section on Hegel), Arthur Schopenhauer, Herbert Spencer, and Friedrich Nietzsche. The final two chapters are devoted to European and then American philosophers. Henri Bergson, Benedetto Croce, and Bertrand Russell are covered in the tenth, and George Santayana, William James, and John Dewey are covered in the eleventh. In a foreword to the readers in the second edition of the book, Durant expresses his acknowledgement for the criticism that the book received as to how it does not include philosophers from the Asian continent, most notably Confucius, Buddha and Adi Shankara. This work is the source of the popular quote, typically misattributed to Aristotle: We are what we repeatedly do. Excellence, then, is not an act, but a habit. The phrase was originated by Durant when discussing Aristotle's work. (wikipedia.org) About the author: William James Durant (November 5, 1885 - November 7, 1981) was an American writer, historian, and philosopher. He became best known for his work, *The Story of Civilization*, which contains 11 volumes and details the history of eastern and western civilizations. It was written in collaboration with his wife, Ariel Durant, and published between 1935 and 1975. He was earlier noted for *The Story of Philosophy* (1926), described as a groundbreaking work that helped to popularize philosophy. Durant conceived of philosophy as total perspective or seeing things *sub specie totius* (i.e., from the perspective of the whole)-a phrase inspired by Spinoza's *sub specie aeternitatis*, roughly meaning from the perspective of the eternal. He sought to unify and humanize the great body of historical knowledge, which had grown voluminous and become fragmented into esoteric specialties, and to vitalize it for contemporary application. As a result of their success, he and his wife were jointly awarded the Pulitzer Prize for General Nonfiction in 1968 and the Presidential Medal of Freedom in 1977. ...(wikipedia.org)

The Story of Philosophy Will Durant, 1978-04-03 For use in schools and libraries only. A brilliant and concise account of the lives and ideas of the great philosophers--Plato, Aristotle, Bacon, Spinoza, Voltaire, Kant, Schopenhauer, Spencer, Nietzsche, Bergson, Croce, Russell, Santayana, James and Dewey--*The Story of Philosophy* is one of t

The Story of Philosophy Will Durant, 2015-01-06 The product of eleven years of research, *The Story of Philosophy* is an endlessly inspiring and instructive chronicle of the world's greatest thinkers, from Socrates to Santayana. Written with exacting and scrupulous scholarship, it was designed both to command the respect of educators and to capture the interest of the layman. Durant lucidly describes the philosophical systems of such world-famous "monarchs of the mind" as Plato, Aristotle, Francis Bacon, Spinoza, Kant, Voltaire, and Nietzsche. Along with their ideas, he offers their flesh-and-blood

biographies, placing their thoughts within their own time and place and elucidating their influence on our modern intellectual heritage. These pages are packed with wisdom and wit.

Philosophy and the Social Problem Will Durant,2022-07-20 In *Philosophy and the Social Problem*, Will Durant explores the intricate interplay between philosophical thought and societal challenges, presenting a discourse that integrates theories of ethics, government, and human nature. Written during the tumultuous backdrop of the early 20th century, Durant's prose combines accessible language with profound insights, engaging readers from diverse backgrounds. The book reflects the intellectual climate of its time, addressing issues such as economic disparity and the quest for social justice while drawing upon the wisdom of historical philosophers to propose potential solutions to contemporary dilemmas. Will Durant, a prominent philosopher and historian, co-authored the celebrated *The Story of Civilization* with his wife, Ariel. His dedication to demystifying complex ideas and rendering philosophy relatable was influenced by his passion for education and clarity in communication. Durant's own experiences in a rapidly changing society fueled his desire to confront the social issues of his time, culminating in this pivotal work that strives to marry philosophical inquiry with practical social reform. *Philosophy and the Social Problem* is highly recommended for readers seeking a thoughtful examination of the philosophical underpinnings of social issues. Durant's ability to synthesize vast historical knowledge with pressing contemporary concerns renders this work invaluable for students, educators, and activists alike, encouraging critical reflection and inspired action within modern society.

The Story of Philosophy Will Durant,2015-05-09 *The Story of Philosophy: the Lives and Opinions of the Greater Philosophers* is a book by Will Durant that profiles several prominent Western philosophers and their ideas, beginning with Socrates & Plato and on through Friedrich Nietzsche. Durant attempts to show the interconnection of their ideas and how one philosopher's ideas informed the next. The Story of Philosophy Will Durant,1960 The lives and opinions of the great philosophers of the Western world.

On the Meaning of Life Will Durant,2005-03 In 1930, a stranger walked up to the home of Will Durant and asked

Durant if he could give him one good reason not to kill himself. The encounter so moved Durant that, in 1932, Durant released *On the Meaning of Life*, a collection of essays from various public and private figures ruminating on the meaning of life. Long sought and hard to come by, this book is one of the most meaningful books Will Durant ever brought to the public.

The Story of Philosophy (Grapevine Edition) Will Durant, 2024-05-31 *The Story of Philosophy* is a captivating intellectual journey that explores the evolution of human thought and the enduring legacy of great thinkers throughout history. Written by the renowned author Will Durant, this monumental work provides readers with a comprehensive overview of the world's philosophical traditions, from ancient Greece to the modern era. Through 11 volumes, each dedicated to a specific philosopher or philosophical era, Durant delves into the intricacies of thought, revealing the profound impact of philosophy on human civilization. From Plato's idealism to Aristotle's empirical inquiry and Francis Bacon's scientific revolution, this series offers a deep dive into the intellectual tapestry of human history. *The Story of Philosophy* is a timeless exploration of the quest for knowledge and wisdom, making it essential reading for anyone curious about the foundations of human thought.

The Story of Philosophy. Schopenhauer. Illustrated Will Durant, 2025-08-05 In *The Story of Philosophy*. Schopenhauer Will Durant delves into the life and ideas of Arthur Schopenhauer, a prominent 19th-century German philosopher. Schopenhauer's philosophy is characterized by his profound pessimism and the notion that the essence of reality is an irrational will. Durant explores Schopenhauer's influences, including Eastern philosophies and Immanuel Kant, and examines how his metaphysical and ethical views shaped his bleak outlook on human existence. Schopenhauer's seminal work, *The World as Will and Representation*, is central to Durant's discussion. This work posits that the will is the driving force behind all phenomena, leading to a perpetual state of dissatisfaction and suffering. Despite his pessimism, Schopenhauer's thoughts on aesthetics and compassion reveal a complex thinker who saw art and empathy as temporary escapes from the harshness of reality. Durant's narrative not only provides a thorough analysis of Schopenhauer's philosophy but also situates it within the broader historical and intellectual context. By doing so, he highlights Schopenhauer's lasting impact on both contemporary and later philosophical thought, including existentialism and psychoanalysis. This segment of *The Story of Philosophy* serves as an accessible introduction to Schopenhauer's challenging ideas, offering readers insight into one of philosophy's most intriguing and influential figures.

A Guide to Plato Will Durant, 1922

An Invitation to Philosophy Will Durant, John R. Little, 2003-08-01 Perhaps more so than any other discipline, philosophy is best understood as a dialogue between the self and the great minds of the past—a dialogue that has endured for thousands of years. Drawing upon Pulitzer Prize winner Durant's essays, this volume presents a magnificent introduction to philosophy with an overview of its major branches. (Philosophy)

Transition Will Durant, 1978-05-15 WILL DURANT (1885-1981) was awarded the Pulitzer Prize (1968) and the Presidential Medal of Freedom (1977). He spent over fifty years writing his critically acclaimed eleven-volume series, *The Story of Civilization* (the later volumes written in conjunction with his wife, Ariel). A champion of human rights issues such as the brotherhood of man and social reform long before such issues were popular, Durant, through his writings, continues to educate and entertain readers the world over.

The Story of Philosophy Will Durant, 2023-06 There is a pleasure in philosophy, and a lure even in the mirages of metaphysics, which every student feels until the coarse necessities of physical existence drag him from the heights of thought into the mart of economic strife and gain. Most of us have known some golden days in the June of life when philosophy was in fact what Plato calls it, that dear delight; when the love of a modestly elusive Truth seemed more glorious, incomparably, than the lust for the ways of the flesh and the dross of the world. And there is always some wistful remnant in us of that early wooing of wisdom. So much of our lives is meaningless, a self-cancelling vacillation and futility; we strive with the chaos about us and within; but we would believe all the while that there is something vital and significant in us; could we but decipher our own souls. We want to understand; we are like Mitya in *The Brothers Karamazov* - one of those who don't want millions, but an answer to their questions; we want to seize the value and perspective of passing things, and so to pull ourselves up out of the maelstrom of daily circumstance. We want to know that the little things are little, and the big things big, before it is too late; we want to see things now as they will seem forever - in the light of eternity. We want to learn to laugh in the face of the inevitable, to smile even at the looming of death. We want to be whole, to coordinate our energies by criticizing and harmonizing our desires; for coordinated energy is the last word in ethics and politics, and perhaps in logic and metaphysics too. Truth will not make us rich, but it will make us free. This book is not a complete history of Philosophy. It is an attempt to humanize knowledge by centering the story of speculative thought around certain dominant personalities. Certain lesser figures have been omitted in order that those selected might have the space required to make them live. Hence the inadequate treatment of the half-legendary pre-Socratics, the Stoics and Epicureans, the Scholastics, and the epistemologists. The author believes that epistemology has kidnapped modern philosophy, and well-nigh ruined it; he hopes for the time when the study of the knowledge-process will be recognized as the business of the science of psychology, and when philosophy will again be understood as the synthetic interpretation of all experience rather than the analytic description of the mode and process of experience itself. Analysis belongs to science, and gives us knowledge; philosophy must provide a synthesis for wisdom.

Fallen Leaves Will Durant, 2014-12-09 The final and most personal work from Pulitzer Prize-winning author and historian Will Durant--discovered thirty-two years after his death--is a message of insight for everyone who has sought meaning in life or the council of a wise friend in navigating life's journey ... [containing] twenty-two short chapters on everything from youth

and old age, religion and morals, to sex, war, politics, and art--Amazon.com.

The Mansions of Philosophy Will Durant, 1941 "In *The Story of Philosophy* Will Durant provided a popular and intelligent history of philosophy and the great philosophers. Now in *THE MANSIONS OF PHILOSOPHY* he discusses with humor and sympathetic understanding the application of these philosophic principles to our present-day problems of life and living. What Is Truth? Our Changing Morals; The Modern Woman; Our Children; The Meaning of History; these are a few of the questions covered, but above all else, as the author says in his brilliant introduction: "The subject here is ourselves. The book is an attempt at a consistent philosophy of life.... To formulate this philosophy we shall adventure into the realm of ethics, and inquire into the nature of the good life; we shall seek the causes and forecast the results of our changing morals, our dissolving marriage and our loosened love; we shall discuss the modern woman without gallantry, and without revenge. "We shall consider the meaning of beauty, and we shall look at history and seek for its lessons... Then political philosophy will lure us, and we shall find ourselves debating the problems of anarchism, communism, socialism, conservatism, democracy, and dictatorship. "The philosophy of religion will ask us the old questions of immortality and God, and finally we shall bring the pessimist and the optimist together, appraising the boons and pains of life; and looking over the whole we shall try to state in conclusion the worth and meaning of life" "- Publisher

Unveiling the Power of Verbal Artistry: An Psychological Sojourn through **Will Durant The Story Of Philosophy**

In a world inundated with displays and the cacophony of instantaneous conversation, the profound power and emotional resonance of verbal artistry often diminish into obscurity, eclipsed by the regular onslaught of sound and distractions. Yet, located within the lyrical pages of **Will Durant The Story Of Philosophy**, a charming work of fictional splendor that pulses with raw thoughts, lies an unforgettable journey waiting to be embarked upon. Composed with a virtuoso wordsmith, that magical opus instructions viewers on a mental odyssey, softly exposing the latent potential and profound impact stuck within the intricate web of language. Will Durant The Story Of Philosophy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Will Durant The Story Of Philosophy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Will Durant The Story Of Philosophy has

opened up a world of possibilities. Downloading Will Durant The Story Of Philosophy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Will Durant The Story Of Philosophy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Will Durant The Story Of Philosophy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Will Durant The Story Of Philosophy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates

copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Will Durant The Story Of Philosophy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Will Durant The Story Of Philosophy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Will Durant The Story Of Philosophy Books

1. Where can I buy Will Durant The Story Of Philosophy books? Bookstores: Physical bookstores like Barnes &

Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.

2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Will Durant The Story Of Philosophy book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Will Durant The Story Of Philosophy books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads,

LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Will Durant The Story Of Philosophy audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
