Bethenny Frankel

Somewhere, a Boy and a Bear Gyles Brandreth, 2025-12-02 For the 100th anniversary of the publication of Winnie-the-Pooh, Gyles Brandreth chronicles the writing of this beloved classic and the life of its creator, A. A. Milne. Somewhere, a Boy and a Bear tells the remarkable story of A A Milne, a playwright, a bestselling crime writer, poet, polemicist, humorist, and the man who created Winnie-the-Pooh. Gyles Brandreth explores Winnie-the-Pooh, a bear beloved by millions: his genesis, his life across a hundred years, his special philosophy, and the reasons for his worldwide popularity. Brandreth's book is also the intimate biography of three generations of the fascinating and troubled Milne family, which knew fame and fortune, despising both for a time, but a family that ultimately found a profound reason to be grateful for the riches Pooh brought them. With an extraordinary cast list that includes Elizabeth II and Walt Disney, Somewhere, a Boy and a Bear moves from idyllic childhood games in the English countryside to New York in the 1930s and the love affairs, litigation, and heartrending family rifts that touched the life of one of Britain's most brilliant writers and his most famous creation.

A Place of Yes Bethenny Frankel, 2011-03-22 The four-time New York Times bestselling author, talk show host, and "Mommy Mogul" Bethenny Frankel takes us on an empowering journey in A Place of Yes. Bethenny Frankel's no-nonsense, tell-it-like-it-is personality won over countless fans, and made her a nationally bestselling author and the star of her own hit Bravo show Bethenny Getting Married? Now Bethenny opens up and shares the obstacles she overcame and the great success she has enjoyed while discovering how to approach life from "A Place of Yes." Bethenny's path was not always clear as she overcame a difficult childhood, failed relationships, entrepreneurial efforts that never quite got off the ground, and lifelong money struggles. To deal with these challenges, Bethenny developed ten rules for pursuing her goals with authenticity and drive, including: · Find your truth: Dig deep inside and figure out what is authentic for you, not anybody else. · Act on it: You don't have to have a master plan. But unless you do something, you've done nothing. · Everything's your business: Treat every job, person, and experience as if it could lead to your next big opportunity. · Own it: If you do it, say it, think it—then own it. Stand up for yourself and fully acknowledge who you really are. Each rule is illustrated with compelling, sometimes funny, sometimes outrageous examples that are pure Bethenny. It's easy to say no, to say "I can't," to expect the worst, and to doubt yourself. But your life can be better than "not bad" or "good enough." It can be amazing. And by putting Bethenny's rules together, you can use them to be more successful, more fulfilled, healthier, and happier than

ever before.

Thrivers Michele Borba, Ed. D.,2022-03-08 The bestselling author of UnSelfie offers 7 teachable traits that will safeguard our kids for the future. We think we have to push our kids to do more, achieve more, BE more. But we're modeling the wrong traits—like rule-following and caution—and research shows it's NOT working. This kind of "Striver" mindset isn't just making kids unhappier, says Dr. Michele Borba...it's actually the opposite of what it takes to thrive in the uncertain world ahead. Thrivers are different: they flourish in our fast-paced, digital-driven, often uncertain world. Why? Through her in-depth research, Dr. Borba discovered that the difference comes down not to grades or test scores, but to seven character traits that set Thrivers apart—confidence, empathy, self-control, integrity, curiosity, perseverance, and optimism. The even better news: these traits can be taught to children at any age...in fact, parents and educators must do so. In *Thrivers*, Dr. Borba offers practical, actionable ways to develop these traits in children from preschool through high school, showing how to teach kids how to cope today so they can thrive tomorrow.

The More or Less Definitive Guide to Self-Care Anna Borges,2019-11-01 Some days you need a pick-me-up, some days you need a life preserver. "For most of us," writes Anna Borges, "self-care is a wide spectrum of decisions and actions that soothe and fortify us against all the shit we deal with." You may already practice some form of self-care, whether it's taking an extra-long shower after a stressful day, splurging on a ~fancy~ dinner, or choosing Netflix over that friend-of-a-friend's birthday party. But when life gets so overwhelming that you want to stay in bed, some more radical care is crucial to maintain your sanity. *The More or Less Definitive Guide to Self-Care* is here to help you exist in the world. Borges gathers over 200 tips, activities, and stories (from experts and everyday people alike) into an A-to-Z list—from asking for help and

burning negative thoughts to the importance of touch and catching some Zzz's. Make any day a little more OK with new skills in your self-care toolkit—and energy to show up for yourself.
