Asking for Trouble Elizabeth Young, Liz Young, 2000 It was only a little white lie--but you should never tell little white lies to your mother. As Sophy is about to discover. Sophy's single, and happy about it. She does, however, have an imaginary boyfriend - Dominic - whose sole purpose is to keep Sophy's mother off her back. Which is fine, until Dominic's presence is demanded at a family wedding. What should Sophy do? Admit he was a fantasy? Pretend they broke up? Invent a sudden but tragic death? Oh no. Sophy hires an escort. But when the distinctly delicious Josh Carmichael arrives on her doorstep ready to step into Dominic's expensively tailored shoes, Sophy can tell things are going to get tricky. And the wedding is only the beginning.

Asking for Trouble Elizabeth Young, 2011-11-22 Unmarried, thirty-year-old Sophy Metcalfe told a little white lie to soothe her nagging mother. The white lie's name was Dominic, the ideal boyfriend: charming, successful, the kind of prospective son-in-law that would make any mother proud. But now that Sophy's thin and beautiful sister, Belinda, is getting married, Dominic is going to have to make an appearance in the flesh -- which should be a pretty neat trick ... since the genuine article vanished from Sophy's life after a single, singularly unmemorable evening. So she resorts to a very drastic measure -- aka Josh Carmichael, the escort she hires at the very last minute, sight unseen. But the trouble with white lies is that they tend to multiply. The trouble with rugged, too-sexy, and independent Josh is ... well, that Sophy's actually beginning to like him! Even if they make it through the Wedding Day from Hell together -- with its new intrigues, old flames, and all-too-familiar faces -- there's the night that follows... and, of course, the morning after. And that could end up being the biggest trouble of all! A hip, witty, and freshly fantastic delight, *Asking for Trouble* is the most hilarious and knowing novel to make the scene since *Bridget Jones* first set pen to paper to record her most intimate innermost thoughts.

Asking for Trouble Elizabeth Young, Liz Young, 2000 An irresistible first novel about a little white lie. Sophy is single and happy about it. She does, however, have an imaginary boyfriend, Dominic -- a little white lie designed to keep Sophy's mother off her back. Which is fine, until his presence is demanded at a family wedding. So does Sophy admit Dominic is a fantasy? Oh no, Sophy hires an escort. But when the distinctly delicious Josh Carmichael arrives on her doorstep, Sophy can tell things are going to get tricky. And the wedding day is only the beginning. From the Trade Paperback edition.

The Literary Filmography Leonard Mustazza, 2006-05-17 From the very infancy of the film industry, filmmakers have relied heavily upon literature as the foundation for their movie material. Well-known literary works such as Dickens's *A Christmas Carol* and Hawthorne's *The Scarlet Letter* were adapted to film in the silent era, as were such books as Thomas Dixon's Jr.'s *The Klansman*, basis for the film *Birth of a Nation*. In recent years, Nick Hornsby's *About a Boy* and each of Helen Fielding's *Bridget Jones's Diary* novels were the basis for popular movies bearing the same names. A guide to English-language works that have been adapted as theatrical and television films, this volume includes books (both fiction and non-fiction), short stories, newspaper and magazine articles and poems. Entries are arranged alphabetically by literary title with cross-listings for films made under different titles. Each entry includes the original work's title, author, year of first publication, literary prizes, and a brief plot summary. Information on film adaptation(s) of the work, including adaptation titles, director, screenwriter, principal cast and the names of the characters they portray, major awards, and availability in the most common formats (DVD, VHS), is also offered.

The Papers of Andrew Johnson Andrew Johnson,1967 This volume encompasses the last six months of Andrew Johnson's presidency (September 1868-February 1869) and March and April of 1869. During this time Johnson moved from being a considerably diminished president to becoming an ex-president. But by April he sought to rejuvenate his political career by undertaking a speaking tour across Tennessee. Despite being a president in limbo in the last months of his term, Johnson remained surprisingly active. Requests and nominations for presidential patronage did not slow down, but Johnson enjoyed only limited success in securing Senate confirmation of his appointments. Yet the patronage game continued to be played right up to the end of his term. Although Horace Greeley feared Johnson might do something to make us all d---d mad before November, the President's involvement in the presidential campaign was limited to a plea with Horatio Seymour to become an active campaigner. But even a more engaged Democratic candidate could not have thwarted the Republican ticket headed by General Grant. One holdover problem from the summer months was the whiskey frauds investigation in New York City. It continued through the end of 1868 with various twists and turns. The Johnson administration had to defend its own investigators, who seemed as unscrupulous as those they investigated. The ultimate purpose of the inquiry was to replace Internal Revenue Commissioner Edward Rollins, but Rollins remained in office. In late 1868 several Southern states sent

reports about unusual outbreaks of violence to Washington. A Tennessee delegation testified about Ku Klux Klan activities and requested federal troops to counteract them. North Carolina, Alabama, Louisiana, and Arkansas presented similar accounts to Johnson. But the President was unable to take any real action. In December, Johnson submitted his fourth and final Annual Message to Congress. Not surprisingly, he attacked the various Reconstruction acts. Yet he also focused on the national debt and urged a scheme that would enable bondholders to be paid off in less than seventeen years. Republican leaders in Congress, however, strongly opposed this proposal. That same month the president also issued his fourth and final Amnesty Proclamation. Its terms embraced everyone who had not already been accommodated by earlier proclamations. The Senate demanded an explanation from Johnson, who soon forwarded a defense of the new proclamation. The President left office on March 4, but not before delivering a Farewell Address. He said that he had no regrets about his administration, a view not shared by most political leaders. Johnson spent two more weeks in Washington before returning home to Tennessee. Shortly after arriving in Greeneville he decided to rehabilitate his political standing. After all, friends had already encouraged him to run for governor or possibly a U.S. Senate seat. Only a brief, but serious, illness delayed his plans. In April, Johnson hit the campaign trail, making major speeches in Knoxville, Nashville, and Memphis. After a foray into north Alabama, Johnson was stunned by the tragic news of the suicide of his son Robert. He returned to Greeneville to grieve but also to contemplate his future political career. He would move forward in search of vindication at the hands of the voters. The Editor: Paul H. Bergeron is professor of history at the University of Tennessee, Knoxville. Excerpts from Volume 15

The mass of the people should be aroused and warned against the encroachments of despotic power now ready to enter the very gates of the citadel of liberty. --To Horatio Seymour, Oct. 22, 1868 They [Reconstruction acts] can be productive of no permanent benefit to the country, and should not be permitted to stand as so many monuments of the deficient wisdom which has characterized our recent legislation. --Fourth Annual Message, Dec. 9, 1868 I think there ought to be a professor in every college in the land to teach its pupils a correct understanding and appreciation of the principles of the constitution, and to hold it next in reverence and importance to the Bible, for it is as much the groundwork of our government as the other is the foundation of our holy religion. --Speech to Georgetown College Cadets, Feb. 1, 1869 Legislation can neither be wise nor just which seeks the welfare of a single interest at the expense and to the injury of many and varied interests at least equally important and equally deserving the consideration of Congress. --Veto of the Copper Bill, Feb. 22, 1869 Calmly reviewing my administration of the Government, I feel that, with a sense of accountability to God, having conscientiously endeavored to discharge my whole duty, I have nothing to regret. --Farewell Address, Mar. 4, 1869 If the North and the South understood each other better there would be nothing in the way of our being united, prosperous and happy. That is the greatest desire I have--to see the people of all sections of our country living in harmony and peace. --Interview with Cincinnati Commercial Correspondent, Mar. 22, 1869 Let us rally around the Constitution of our country; let us hold to it as the ark of our country,

as the palladium of our civil and religious liberty; let us cling to it as the warrior clings to the last plank between him and the waves of destruction. --Speech in Nashville, Apr. 7, 1869
