Becoming a Successful Tax Agent Terence S. McNamara, 2025-08-01 Tax Agent Pathway is the largest and most highly reputed provider of tax return preparation supervision services in Australia. The company's CEO and founder with over twenty-five years of public practice experience shares in this text those issues that need to be learnt on top of a quality education that makes a successful tax practitioner. There are significant contributions from his team of experts and experienced Tax Agents. Terence McNamara is CEO of Tax Agent Pathway and has guided hundreds of first-time practitioners to run successful practices in Australia. There is much more to becoming a successful tax practice owner than a quality knowledge of tax law. This book outlines the things you need to know about becoming a Tax Agent in Australia and the key issues you need to know about running a successful tax practice that are mostly not taught in accounting or tax classes.

Live the Life You Want with the Money You Have Vince Scully, 2022-04-01 The must-have money handbook that will teach a new generation how to do money. 'Cut out your morning latte and you can be rich!' It's a popular view - but it's hopelessly inaccurate. The truth is, it's not our morning coffee that's keeping us out of the housing market or preventing us

from building long-term financial security. We've never earned as much, owned as much, or been so highly educated, and yet millennials struggle with money more than any previous generation. Why? Because the old rules just don't work anymore. In *Live the Life You Want With the Money You Have*, Vince Scully, the founder of one of the first online financial planners Life Sherpa, shows you 8 simple steps to financial freedom that anyone can start right away, no matter how much money they have or how much debt they're in. Readers will learn how to review their spending habits, build an emergency stash, pay off debt, choose the right insurance, save up for your first home, make investments, and plan for retirement – all while feeling free to enjoy life. If you have ever thought: I make a good living; how come I don't have anything to show for it? I'll never be able to afford a house of my own. Retirement seems so far away; I just can't think about it Money is just too complicated; I can't make a decision Why does this money stuff all have to be such hard work? I'm only 30; do I really need to think about all this stuff right now? Then this is the book for you.
