

Bhagavad Gita Quotes About Death

Bobby Bose

Reincarnation, Oblivion or Heaven? Bobby Bose, 2016-07-31 What is death? Why do we die? and what happens after we die? Over the centuries, philosophers and theologians of the world's religions have offered answers to the dilemma of death, yet this subject is rarely given the detailed attention it deserves in the contemporary Christian church. As Christians, how does our view of death impact the communication of the gospel in today's pluralistic societies? In this study, Dr Bobby Bose not only develops a solid biblical theology of death, he also reviews the teachings of contemporary and historical Christian theologians around the world, and examines the "state-after-death" beliefs of Hindus, Muslims and Secular Humanists. The author shows that "state-after-death" was a central component of conversation in the early church, and is also a major component of God's mission to rescue humanity. As the East converges with the West, it is vital that Christians develop a missiological approach to "state-after-death" that will encourage positive engagement with people of other faiths and beliefs.

The Philosophy of Bhagavadgita P.V.Laxmiprasad, 2021-10-16 The fundamental purpose of the Bhagavad Gita is to illuminate all of humanity, the realization of the true nature of divinity for the highest spiritual conception and the greatest material perfection is to attain supreme love of God. It is a work showing lessons of philosophy, religion and ethics; it teaches every human being the art of living, the way of life. According to William Von Humboldt, the Gita is 'the most beautiful, perhaps the only true philosophical song existing in any known tongue'. As a philosophical manifesto, the Bhagavad Gita plays an important influence in society. A philosophical guide acts like a spiritual magnifying glass, enabling people to discern the external and internal elements that surround their vision and bring error in our understanding. What we find in the works of philosophical masters are living truths which speak of mundane problems as well as spiritual needs of our day. People of such brilliant intellect who grow spiritually are able to interpret and transmit masterpieces like Bhagavad Gita in true spirit of life. Many a milestone is set by the followers of Gita and practical wisdom is the ultimate fulcrum of the philosophy..... P. V. Laxmiprasad
